The Hillsboro Convention.

Pursuant to a call the Democratic Convention met at Hillsboro, the time appointed, and nominated by acclamation Judge Alexander, of Flemingsburg, as a candidate for the State Senate.

Having unlimited confidence in the wisdom and policy of the Convention, we are fully satisfied with its action.

We have long known Mr. Alexander, politically and never knew of any time when he was not a true and unswerving Democrat. Having long seen in the minority, and always acted and zealous for principles which he sincerely believed to be the only [illegible] of Republican Northern and [illegible] Government, he [illegible] of [illegible] that has belonged to the Democratic party in the State of Kentucky, has for above its usual strength and made it the ruling power of the State. With this honor, he merits the favor of a party to which he has so long been attached, so long labored for and is willing to adhere to as long as [illegible] of its principle remains to be [illegible] by the American people.

[illegible] for him and elect him to the [illegible], which will be composed entirely Democrats this winter.

The Radical Convention.

We have attended a great many Conventions, but of all the sorry-looking, God-forsaken bodies we have ever seen met in the Court House here last Monday, in the name of the God and moral its party. The object of this poor deluded assembly, was to appoint delegates to the Radical Convention at Flemingsburg to-day. That work being through with, it was proposed that a candidate for a Representative [illegible] Nicholas and Robertson be nominated [illegible] a candidate to oppose Mr. Parks. The bare idea was presumption, and the action subjects them to derision.

After a travail of five or ten minutes they gave birth to a young candidate—Col. W. H. Roberts, a member of this bar. The Colonel, being so much inflated by the confirment of honors of such magnitude, started immediately to Washington City. It is wondered what for?

Whilst there he had letter have Nicholas and Robertson reconstructed to the extent of an exclusion from the polls of 2,000 voters, if he wants to be elected in August.

It may be a very nice thing to be a candidate, but we think it quite a condescendence [illegible] cat's paw for a party that has [illegible] or even [illegible]

The Candidates.

The Candidates for the August Election are now before the people, and in the name the wisdom of Conventions [illegible] in their selections. A State ticket, no State in the Union boast of men better qualified to [illegible] office at the Capital. As [illegible] ticket, the counties of Robertson, Nicholas, Fleming, Rowan and [illegible] would not have selected more [illegible] than are now before them [illegible] suffrage. We prize [illegible] the privilege of advancing the [illegible] such men, and congratulate [illegible] for such rare advantages.

The Radical Nominee.

We learn that Dr. Maguire, of Flemingsburg, is the expected unsuccessful Radical body to-day. Being a physician, it is presumed that he understands the rules of decomposition. [illegible] to make some [illegible] his patients, as a party, to [illegible] the Union. Does that [illegible] the painful [illegible] [illegible] them. That he will administer some sort of tonic that [illegible] sufficiently exhilarating to [illegible] them above the political and social relations of negro suffrage and negro equality.

☞ Judge Andrews refused, for the present, to grant the injunction, as applied for by the citizens to prevent the exorbitant taxation of the two turnpike roads, but permitted a petition to be filed continued [illegible] for further [illegible]

The Turnpike Roads Upper and Lower Route.

Suit has [illegible] instituted by the citizens against the upper and lower route turnpike roads, praying an injunction to prevent the people from being taxed for both roads. The cause was argued this week in the Circuit Court before Judge Andrews; R. B. Kidnon and Judge Ross for the injunction and Col. Stanton and Col. Norvell against it. We would gladly [illegible] our opinion upon this subject; as fact we have done so until now by whole matter has made its own [illegible] through the Courts.

When we established [illegible] did so upon the grounds that it [illegible] should ever be to promote and harmonize every interest of the county, and especially its local interests.

This question, now pending, in regard to these roads, has long agitated the minds of our best citizens; men, too, who are the very life of internal improvements in the county; men who are in favor of building turnpike roads from every [illegible] side, to and from the [illegible] where a road may be [illegible] the county. We are for [illegible] improvements in every sense of the word, and that these improvements may be made, and made speedily, we are in favor of taxation to the very lowest dollar that can be levied, not to reach the scale of exorbitancy. We would use turnpike roads radiating from every [illegible] and cross street of our town, and we would say the people taxed to make [illegible] But [illegible] never be seen if the people of the county [illegible] be made [illegible] Government [illegible] of [illegible] money [illegible] has belonged to the Democratic party in the State of Kentucky, has for above its usual strength and made it the ruling power of the State. With this honor, he merits the favor of a party to which he has so long been attached, so long labored for and is willing to adhere to as long as [illegible] of its principle remains to be [illegible] by the American people.

[illegible] for him and elect him to the [illegible], which will be composed entirely Democrats this winter.

Democratic Convention in the 50th Senatorial District.

Pursuant to previous call the Democracy of the Senatorial District composed of the counties of Nicholas, Fleming, Rowan and Carter, met at Hillsboro, Fleming county, on Saturday, June 8th, 1867, for the purpose of nominating a candidate to represent said District in the next General Assembly of Kentucky.

The Convention assembled at the Christian Church, at half past ten [illegible] was called to order by Dr. K. L. [illegible] Fleming county.

On motion of Dr. T. C. Herndon, Nicholas; Dr. [illegible] D. F. [illegible] called to the chair, and John A. Campbell and Wm. A. Morrison appointed Secretaries. The Chairman explained the object of the Convention in a neat and eloquent speech of some half hour.

The first business in order being a call of the counties, when Nicholas, Fleming and Carter answered; Rowan not being represented.

On motion of Dr. E. Logan, a committee consisting of Dr. T. C. Herndon and Robert Kincaid, of Nicholas; Dr. R. P. Samuel and R. A. Robertson, of Fleming; [illegible] and Jos. Ward, of Carter, were appointed a Committee on Credentials, who in a few minutes reported the following duly appointed delegates in attendance:

From the county of Nicholas—T. C. Herndon, Robert Kincaid, [illegible] Potts, R. W. Graves, Mitchell [illegible] Harrison Wasson, W. G. [illegible] and John A. Campbell.

From the county of Fleming—[illegible] H. B. Dobyns, Jno. Fields, H. H. Dobyns, Dr. E. Logan, F. Deering, Jno. P. Samuel, Francis R. Davis, James Newman, Elias Davis, Andrew Aedrick and N. B. Evans.

From the county of Carter—Jas. M. Plummer, Jas. Ward and Wm. Kitchen.

On motion of Jno. A. Campbell, Col. F. R. Davis of Fleming, Jas. M. Plummer of Carter and R. S. Potts of Nicholas were appointed a committee to fix the basis of Representation in this Convention. The Committee after a short absence, returned and submitted a report, fixing representation at one vote for each one hundred votes cast at the last August election for Judge Duvall, and one vote for each fraction over fifty votes, which entitled Nicholas to 10 votes; Fleming to 12 votes, and Carter to [illegible] votes, and Carter to [illegible] by the Convention [illegible] then declared in order [illegible] nominated Judge Jas. M. Alexander, Fleming county; no other name being presented, the nomination was confirmed upon Judge Alexander by acclamation amid deafening shouts of applause. The chair appointed Dr. T. C. Herndon, Alexander Hart and Jas. M. Plummer, a committee to inform Judge Alexander of his nomination; the Judge shortly appeared on the standard, in an able and eloquent speech accepted the nomination and returned thanks to the convention for the honor conferred, and promised a vigorous canvass.

On motion of Dr. Logan the Secretaries were directed to furnish a copy of the proceedings of this convention to the Carlisle Mercury, Maysville Bulletin, Fleming Dispatch and Cincinnati Enquirer for publication.

On motion the Convention adjourned.

D. K. WEIS, Chairman.

MASON COUNTY [illegible] Fisher and Dr. Parry, have been nominated by the Democratic party, to represent the nobled old county of Mason in the next General Assembly. We have not the honor of Dr. Parry's acquaintance, but know Fisher; a gentleman whose ability as a jurist and as a statesman, is second to none in the State.

☞ The Radical convention makes another effort to-day to deliver another candidate, and as every such effort of that party proves an abortion, we can not expect anything better at Flemingsburg.
