We are authorized to announce CHAS. H. PETERSON, of Headquarters Precinct, as a candidate for Clerk of the Nicholas Circuit Court, subject to the action of the Democratic Primary election July 18, 1903.

FOR REPRESENTATIVE.

We are authorized to announce TITUS M. SHARP, of Headquarters, as a candidate for Representative from the counties of Nicholas and Bourbon, subject to the action of the Democratic Primary election, July 18th, 1903.

CONGRESS adjourned yesterday and the President has issued a proclamation calling them to meet in extraordinary session to-day.

AUGUSTUS E. WILSON, of Louisville, will more than likely be the Republican nominee for Governor of Kentucky. An interview at Covington reads that way.

M. E. INGALLS, president of the Big Four railroad, has accepted the nomination for the mayoralty of Cincinnati and will run on the Citizens Democratic Fusion ticket.

BOTH Houses of Congress held sessions Sunday. The Senate devoted the time to eulogies of deceased House members, and the House spent four hours conducting efforts of the Democrats to filibuster.

THE Morning Herald, of Lexington, never does things halfway. Last week they moved to their new quarters and celebrated by donning a new dress. May they continue to grow and have many new "dresses."

HON. JOSH. GRIFFITH, of Daviess county, candidate for State Treasurer, was in the city Tuesday. He made many friends while here and seemed well pleased with the outlook. We publish his picture in another column of to-days issue.

JOHN B. CHENAULT, candidate for Auditor, has opened campaign headquarters in the Hernando building Lexington and has begun one of the most active campaigns ever made for a similar office in the State.

F. M. HUTCHESON, Jr., representing the Morning Democrat, of Lexington, was in the city Saturday looking after the interest of his paper. Mr. Hutcheson was well pleased with the outlook and hopes soon to have a large list of subscribers here. The Democrat is one of the best papers in the state and its name is symbolic of its position.

THE Democratic convention for the Nineteenth judicial district was held at Vanceburg, on the 28th, and a large and enthusiastic crowd was present. The Hon. James P. Harbeson, who has been the Judge for two terms, was nominated by acclamation, and the Hon. Thomas D. Slattery, of Maysville, was nominated by acclamation for Commonwealth's Attorney.

Report That Bryan Will Bolt.

New York, March 3.—Wm. J. Bryan has informed his intimate friends in this city, says the Tribune, that if the gold and plutocratic Democrats triumph in the next National Democratic Convention he will lead his followers from the hall and nominate an independent Democratic ticket with a platform that will enlist the support of the radicals.

"The friends of Mr. Bryan," said one of the Nebraskan's confidants, "are keeping the fires of true Democracy burning on the altar of Democracy. There is something worse than defeat. It is a sacrifice of principles. Now, don't make any mistake. Not all the Democrats who voted the regular ticket in 1896 and again in 1900 were in favor of all the things in the platform, but the platform was constructive right and should have had the support of every Democrat."

A Good Bill.

Representative Kehoe has introduced a bill in Congress directing the Secretary of the Interior to have printed and mounted 75,000 of the large wall maps of the United States and possessions, similar to those distributed by members of the House to distribution among the Public Free Schools of the country.

This is a very valuable and greatly sought after public document, and it is the desire of Mr. Kehoe to place one on the walls of every schoolhouse in America.

If the bill becomes a law the Secretary of the Interior will be required to furnish one of the maps to each School District. There are about 300,000 Public Free Schools in America and the printing and mounting of the maps would cost the Government about $125,000.

Mr. Kehoe thinks it would be money well and properly expended, and will vigorously press his measure during the remainder of the session and in the next Congress and he believes it will ultimately become a law.

Sudden Death of Mrs. E. D. Baxter.

Our community was shocked Thursday evening last when the sudden death of Mrs. E. D. Baxter was announced. She had been complaining some during the day and had even called her doctor to see her, but being able to be up and about no real serious consideration was given the matter. Early in the evening she arranged her household affairs for the night and retired doubtless thinking she would be well by morning, but scarcely had she reached the bed when she suddenly expired—either from heart disease or appoplexy—being quite a fleshy woman.

Of the deceased we can speak truthfully in highest praise. She was a devoted wife and mother, a kind neighbor, a faithful and charitable Christian, given to good words and works. She was never given to ostentation or display, but was of that beautiful character that did kind things for the pleasure derived from the consciousness of having done her duty. Her home and family were her greatest delight, yet she was not selfish enough to give all to even so good cause, but her love reached out and touched and comforted the orphan and the homeless and the helpless—be they high or low—white or black.

She was devoted to her only child—Mary Clay—now Mrs. W. L. Bramblett and to her husband she was all in all. We have never known one that we regarded more highly for her wifely attributes, and we have scarcely known a husband who relied more upon a wife's advice and affection, than did E. D. Baxter upon her of whom we write. His references to her were always to his credit, and he never failed in speaking of her to impress upon his hearer the high regard in which he held her. Hundreds who read this will recall expressions uttered by him in reference to her.

Mrs. Baxter was a daughter of Mr. and Mrs. Hiram Norton, who raised a large family in this county, and there were no better people any where. She was born in this county on Dec. 23d 1848, and had with the exception of a stay of five months shortly after her marriage to New Orleans, been a resident of Nicholas all her life. She and Mr. Baxter were married October 22nd, 1868 and unto them was born one child, now Mrs. W. L. Bramblett.

Funeral services were held at the house near this city, Sunday afternoon, March 1st, 1903, by Eld. F. M. Tinder, assisted by a large number of friends from far and near. Burial in Carlisle Cemetery.

THE MERCURY, whose friend she was, feels her loss, and desires to record a just tribute to her memory, and place upon her grave a sweet flower of respect and reverence. May her ashes rest in peace, and may the sweet spirit of love and charity which she manifested in her life, live and enlarge in the works of those who come after her. To the bereft husband, child and dear friends we tender sincerest sympathy.

Court Day Report.

M. J. Murphy & Co., report: About 175 cattle on the market, 100 sheep, 20 mules and 100 hogs. McIntyre & McClintock sold 85 ewes to Chas. May at $4.75 per head. Mr. Mason sold 16 1,000 lb cattle to Mr. Skidmore at 4½c. J. Wail sold to Jas. E. Clay, 30 1,100 lb cattle, good price. 18 unbroken mules sold for $175 to $200.

There was a good crowd in town yesterday. It was a cold, raw day, but more business than usual was transacted. There were about 100 mules on the market, selling from $150 to $175, and most of them changed hands. There was a good many plugs on the market, selling from $30 to $75.—Bourbon News.

$102,000.

A special from Mt. Sterling, Ky., Feb. 27th, says: Five farms belonging to F. M. Ewing's estate were sold to-day. Hamilton farm, of 304 acres, was sold to Josh. Owings, at $103.25 per acre. Grubbs' place, 326 acres, to R. C. Gatewood, at $85. Lane place, 160 acres, to L. C. Riddell, at $76; Harper place, 150 acres, to P. T. McCormick, at $44, and Howard's place, 115 acres, to Col. Gatewood, at $41.25. The total was 1,127 acres for about $102,000.

For State Treasurer.

Below will be found a good likeness of Hon. Josh. Griffith who is a candidate for State Treasurer.

Mr. Griffith has served four terms as County Clerk in his home county, Daviess. He is an earnest Democrat and would certainly make a worthy officer in which to trust "our" finances.

Why Not to Mt. Olivet?

Beginning about April first there will be a daily mail from Carlisle to Fouts. [illegible]—MERCURY.

Why not make an effort and have the line extended to Mt. Olivet? It's certainly badly needed. Fouts and Mt. Olivet are only 5 miles apart, yet under the present arrangement mail for Fouts from Mt. Olivet must first go to Maysville, thence to Carlisle, and from that place to Fouts, a distance of about 125 miles. Surely this state of affairs could be changed if the proper effort was made.—[Advance.

W. B. O'CONNELL, of Montgomery county, candidate for clerk of Court of Appeals, was in the city yesterday mixing with the unterrified. He has served his party as both County and Circuit Clerk and is a Democrat of the first water.

A SPECIAL from Alpena, Mich., under date of March 3rd, says:—When the assault case of Catesby Woodford, the Paris, Ky., distiller, accused of assaulting William Simonds at Turtle Lake last fall, was called in the Circuit Court, neither Woodford nor the complaining witness was in court. The affair had the appearance of a settlement, and Judge Emerick read the riot act to everybody. Simonds will be brought into court to testify in the case against Woodford, who will be brought here for trial.

IN commenting on the Ledger's notes of the Maysville Tobacco Fair, Editor Harmon Stitt of the Paris Gazette says:

The Ledger does not give Col. Craddock's remarks nor Rev. Moss' prayer, but from a stenographer's note book the latter might have addressed the throne as follows: "Oh thou that sendeth the seasons, may we so shew the weeds of this world and escape the smoke of the next. Though we are but lugs and trash, may we be found in case and acceptable to thee. Forgive us our nesting and demand not reclamation when the inspector has revealed our improper grading. May the leaves of our lives be long and bright and our faith burley, from henceforth. When the bloom and flower fadeth, top us for our strength, cut us for thy harvesting, house us from the wintry blasts, strip us of all unworthiness and pack us for the heavenly breaks. Amen."

THE FLOODS—Flood conditions are general throughout the Ohio and lower Mississippi valleys. Great damage was done at Pittsburg by a rise in the Allegheny and Monongahela rivers. Thirty-eight thousand men will be thrown out of employment for several days on account of flooded factories. The greatest danger is yet to come at points along the Ohio below Evansville and on down the Mississippi. The levees may not stand the strain and the entire Arkansas valley may be inundated. Local river men are preparing for unusually high water.

The Stomach is the Man

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissue and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, sweetens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. S. P. Baird.

The Store That Saves You Money!

Our Mr. Gus Heyman left Monday for the Eastern Markets, and at the depot he told us that he would send an advertisement for this week, but so far we have not received any, and are at a loss to know what to advertise.

We heard him say before leaving that he would buy all that is new and up-to-date, and you may depend upon it that he will not buy any 1902 styles for his 1903 customers. He also told us that we should do a large business while he is gone, but as it is now between seasons we offer some special inducements. By looking over the stock we find a few Cloaks, Jackets, Comforts and Blankets which we would rather sell at cost than to store them away. There are also some heavy Dress Skirts and Suits, some few dozen Fleeced Lined Hose and Underwear for Women and Children which we will also sell for what they cost us.

For those who intend to do Spring sewing we have plenty of Muslins and Sheetings of all kinds, dainty Laces and Embroideries.

The advance styles of Lawns, Dimities, Silk Tissues are here, and our new Mercerized Goods for Waists are the talk of the town.

Yesterday we received 50 doz. Quaker Linen Huck Towels with Red Borders, 16x30—they are worth 12½c, and to give you a special inducement while the Boss is gone we offer them at 8c. Also a big lot of neat striped Ginghams suitable for Waists, Dresses and Shirts—it is a regular 10c grade, we will sell at 6½c.

Attention Tobacco Growers!

We have about 15,000 yards of Tobacco Cotton which we bought direct from the mills as we are in position to handle large quantities. We can and will save you from one-fourth to one-half cent per yard, on your purchases.

Call on us when in need of anything in our line.

The Blizzard

Did Come and Did Go.

And for more reasons than one we are so thankful its gone, and we trust its gone until next Winter too, at any rate lets begin now to prepare for better weather.

Lots of our Spring Goods are now coming in.

New Hats, New Suits, New Shirts.

Oh, our Hats are the swellest you ever saw, and our line of BRAN NEW SUITS for children, are beyond description, and the ladies never had such preparations made before in this country for their Footwear as we have made through our Drew Selby Company friends.

The lines of Soft, Stiff White and Fancy Shirts that well arrive this week beggar description, to say nothing of that immense invoice of Douglass' Fine, Up-to-date Shoes, which is on the road, and will likely be on sale in our store before you read this.

We can't begin to tell you of all the sweet things we have in store for you this Spring. Only want you to remember you just can't afford to go around us for anything we have.

Don't forget our Trunks and Traveling Bags.

Our coal pile still holds out to burn, and or welcome is same as ever, so come right on and be at home with us.

Yours Truly,

Sam K. Veach.
