WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often fastens on the lungs and far too often runs into Consumption and ends in Death? People suffering from Asthma, Bronchitis, Pneumonia and Consumption will all tell you that "IT STARTED WITH A COLD." Can you afford to neglect it? Can you trifle with so serious a matter? Are you aware that DR. ACKER'S ENGLISH REMEDY for Coughs, Colds and Consumption is beyond question the greatest of all Modern Remedies? It will stop a Cough in one night. It will check a Cold in a day. It will prevent Croup, relieve Asthma and cure Consumption if taken in time. "You can't afford to be without it." A 25 cent bottle may save you $100 in Doctor's bills—may save your life! Ask your druggist for it, or write to W. H. Hooker & Co., 46 West Broadway, New York, for book.
