We have a new butcher on our Licking route. We were here Tuesday about 2 p. m. Tuesday about 2 p. m. Tuesday. Mr. Dean Stepp, formerly of Lexington, joined the Army again.

NOT ONE OF THESE BEAUTIES WILL GO TO WASTE!

HOME FREEZER

General Electric Home Freezers are available in either 6- or 8-cu.ft models.

With a General Electric Home Freezer, you can keep 'em fresh, and eat 'em when you want 'em!

Now, you can freeze the fish and game you get (subject, of course, to your state laws) and . . .

. . . eat them when you will enjoy them most!

The General Electric Home Freezer is wonderful, too, for freezing and storing vegetables and fruits, baked goods, and ice cream. It's a good way to cut food costs these days!

To get every advantage in a home freezer, get a General Electric. This is why:

Dependable, economical, proved!

The sealed-in refrigerating system is the same one as that used in General Electric Refrigerators. More than 1,700,000 of these systems have been in service ten years or more.

In repeated laboratory tests, the General Electric Perfect Seal cabinet construction proved as efficient that it kept food frozen longer than other freezers.

Kentucky Electric's know-how comes from intimate knowledge of the refrigeration and freezing of vegetables born of years of experience in our Food Research Laboratory.

Let us show you the dependable, economical General Electric Home Freezers today.
