CHRISTIAN SCIENCE

The spiritual understanding of God protects man from disease and danger, and is not subject to material laws of chance and change, will be brought out at Christian Science services Sunday.

Keynote of the Lesson-Sermon "God The Preserver of Man" is the Golden Text from Deuteronomy: "The eternal God is thy refuge, and underneath are the everlasting arms" (33:27).

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "God has enthroned man with inalienable rights, among which are self-government, reason and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love" (106:7).

From the King James Version of the Bible the following verses will be among those read: "Because thou hast made the Lord, which is my refuge, even the most High, thy habitation. There shall no evil befall thee, neither shall any plague come nigh thy dwelling" (Psalms 91:9,10).

By using the pig-chain plan, 4-H'ers in Shelby county are getting into the hog business without any outlay of capital.
