Prayer Meeting, Thursday—7:00.

Mother's Day is Sunday, May 9. The following gifts will be given by the Sunday School: a flower to the oldest mother present; the youngest mother; and the mother having the large number of children present. There will be a little gift for every mother present.

There will also be a short program given by the children.

Honor your Mother by coming to Sunday School with her; and you mothers set the right example for your children by coming yourself.

Everybody welcome.

CHRISTIAN SCIENCE

Man's real spiritual status as the perfect image and likeness of God, not subject to sin or other weakness, will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Adam and Fallen Man" includes the following passages from the Bible: "And God said, Let us make man in our image, after our likeness . . . So God created man in his own image, in the image of God created he him: male and female created he them" (Genesis 1:26,27).

The following selection will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal" (69:13).

Mrs. George Vutsas and daughter of Huntington, spent the week with their parents, Dr. and Mrs. B. F. Reynolds.

Garden lessons at homemakers meetings in Morgan county stressed home food production, new vegetable varieties and control of insects.
