The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., from across the park maintained by the denomination. The domed edifice is the Extension, dedicated in 1906. Adjoining it, with chime tower, is the Original Edifice, dedicated in 1894. The Christian Science Church was founded by Mary Baker Eddy, who discovered Christian Science in 1866 and published the Christian Science textbook, "Science and Health with Key to the Scriptures," in 1875.

Christian Scientists Hold Annual Meeting At Mother Church In Boston Monday

Practical application of scientific Christianity is building a mighty bulwark for individual, national, and universal liberty, the Christian Science Board of Directors declared Monday.

Addressing a gathering of some 7,500 Christian Scientists at the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., the Directors declared that the "assurance of freedom from sickness as well as from sin, from want and woe as well as from foreboding of despair" is available to all through spiritual understanding of God.

"The uncertainties which confuse and perplex the nations become less alarming and portentous in proportion as the certainty of God's guidance is better understood," the Directors stated.

Church members from all over the world — Australia, Africa, Switzerland, Germany, Great Britain, Sweden, Japan and other distant points, as well as Canada and the United States—come to Boston for the meeting which has been held annually for more than a half century. Smaller meetings on specialized subjects convene on days following the main session.

Commenting on the world's fight for freedom, the Directors called for individual, spiritual alertness on meeting the "threats and subtleties and wicked manipulations which seem to be to point in the struggle.

"In every new upsurge of evil we are learning to seek and to expect fresh proofs of the presence and redemptive power of the Christ," they said.

Forecasting victory for the lovers of freedom, they declared that the way is being paved for "the reconciliation of all nations and for the reign of harmony on earth."

A New President of the Mother Church for the coming year, it was announced, is Mrs. Gertrude W. Eiseman of Boston. In her keynote address Mrs. Eiseman stressed the tremendous good which the churches can do to help mankind cope with contemporary problems and to establish the efficiveness of healing "according to the pattern of the Christ."

The present availability of divine healing was emphasized by William R. Knox, of Boston, retiring President, who said "our Redeemer lives and works today to heal the sick and reclaim our lives from sin and mortality."

Healings through spiritual means alone of broken bones, immorality, tuberculosis, heart trouble, and poliomyelitis were among those reported by Gordon V. Comer, Clerk of The Mother Church in referring to Christian Science Activities for the Armed Services. Other Christian Science healings cited at the meeting included total recovery from alcoholism, deafness, blindness, dumbness, lumbago, goiter, and a congenital dislocated hip.

More widespread public acceptance of divine healing was reported by Wil H. Davis, Manager of Christian Science Committees on Publication. Many insurance companies, he said, are now adding special riders to their policies recognizing Christian Science practitioners, nurses, and sanatoriums.

Deaths

Gill Gillespie

Mrs. Harry Walker of Walnut street, received a message on Sunday, announcing the death of her son-in-law, Gill Gillespie, after a heart attack Saturday, at his home in Newport Beach, Calif.

His wife was the former Mabel S. Sloane of Cincinnati, and besides his wife is survived by a son, Harry (Sonny) Gillespie, who is in service at Korea.

Rev. James M. Thorn

Funeral services for the Rev. James M. Thorn, 32, of Augusta, who died Sunday, were conducted at 10 a.m. Wednesday at the Augusta Presbyterian church by Dr. T. M. Johnson. Military burial rites were conducted in Battle Grove cemetery at Cynthiana Wednesday.

Mr. Thorn had been pastor of the Augusta Presbyterian church for about a year and formerly was a student minister at the Walnut Hill and Bethel Presbyterian Churches in Fayette county.

He is survived by his wife, Mrs. Norma Prince Thorn, and a son, Joseph McKee Thorn.

Samuel Owings

Funeral services for Samuel Owings, 41, son of Clarence Owings, who died last Tuesday near Hollywood Club, were conducted at 2 p.m. Monday at the Mathews-Meaker Chapel by the Rev. J. J. Whitehouse.

CHRISTIAN SCIENCE

How the real man of God's creation is divinely protected, maintained, and sustained will be brought out in the Lesson-Sermon entitled "God the Preserver of Man" at Christian Science services Sunday.

Keynoting the Lesson-Sermon is the Golden Text from Isaiah (43:2): "When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee. For I am the Lord thy God, the Holy One of Israel, thy Saviour."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (151:23-24): "The divine Mind that made man maintains His own image and likeness."

The Scriptural selections will include the following from Psalms (40:11): "Withhold not thou thy tender mercies from me, O Lord: let thy lovingkindness and thy truth continually preserve me."

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for $2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running. Open to cars priced Mile. Open to cars under $2,500 to 299 cu. in. displacement. Chevrolet captured 3 out of first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowing achievement of Chevrolet and General Motors. Try a Chevrolet . . . and live in a land of going-away where you win all the arguments! Soon, maybe?
