**The Lexington Election.**

The city election passed off quietly in Lexington Saturday, with the following result for principal officers:

Mayor—Desaussure Collins—Stagg.
Judge Recorder—Court—Jewell; Treasurer—Robinson; Auditor and Assessor—Faulkner; City Attorney—Kimbell; City Marshal—O'Neill; Recorder's Clerk—Bragg; Workhouse Keeper—Wilkerson; City Engineer—Jones.

THE Times Democrat, of Flemingsburg, knows how to do a 16 page for half years, but Brother Daisy has evidently been in a hard lick lately, and he has given notice that the subscription will be 15 a year after January 1st, 1892. That will be cheap enough.—*Maysville Bulletin.*

THE Bulletin's offer to furnish one of the papers that $2.00 or $1 in two months for a county paper when a big city daily can be had for Dollar and a half per year, but they are simply laboring under a misdirected idea. A county paper is confined to a limited territory—its patronage is circumscribed, while a city daily, made up of type set for the daily, and with a half dozen stories to draw its patronage from, it can afford to do work at a price far less than the County weekly could afford to do it. If you want your home paper, with all the home news, working in the interests of home people, you must make up your mind to pay for it. A county paper can not live on one dollar a year, unless it vouches some one to make up the deficiency.

MR. BLAINE is always the man of mysteries, and, sick or well, he floors the public guess. There appears to be no reason why he should come home at all. He is in Washington, so there was when he was prostrated at Bar Harbor. His story is that he is seeking the shadow of purpose that threatens annihilation at any moment, and another is that he is in "fright of eye, fear of trial and alert of movement" like the Hinge of twenty years ago. We have a feel for he is a resident of Pittsburg and that he is not a candidate for President. We have a feel that he will be found, and that Benjamin Harrison is his racing Time after time he declines to do duty the bulk of the lying in the market.—*Louisville Times.*

THERE is probably no authority in Kentucky for the statement that Congressman Breckinridge will be a candidate for Governor next year. The Cincinnati Enquirer says he will receive 150,000 for current expenses before another year's revenue becomes available. The per capita debt is $14.40, estimating the population at 10,000.

**The Subject of Pardons**

Says the Frankfort correspondent of the Louisville Times: "The subject of pardons continues to be discussed in all the directions, since Governor Brown has decided not to act with the Parole Board, which he thinks is an unconstitutional body, has become of even more interest. Governor Brown, while having granted fewer pardons during his term of office than has his predecessor in the same length of time, has certainly no less petitions for pardon and relief. He finds a full of them on his desk every morning, and he has become a special and judicious consultation from him is evidence by the fact that he has granted a pardon every day or one day this week. The petition was for the pardon of J. Hunt, a Jackson County murderer, who has served three years of an eighteen year sentence. Great pressure was brought to bear in such a pardon from all over the entire jury that convicted Hunt. Governor Brown, in his reply, stated that he was not in sympathy with the action of the jury, and that he was not in sympathy with the following testimonial upon it: "It has actually remanded to the rack and failed to find anything in the facts stated justifying interference with the judgment. Hunt went to the farm on Saturday and shot him. Deserved to be executed. He had a perfect alibi certainly, but the evidence showed it to be morally wounded. Hunt was on home back and if in any manner deserved extreme very safely. I regard the pardon of Hunt as a disgraceful one, and I hope it will not be granted. The jury asks pardon of Hunt, but that is from sympathy. The law does not extend Hunt life law has been too cheap in Kentucky. Application for pardon is refused."

"Thinking that it may benefit some people by the use of them receiving benefit from your P. P. P. I write to say that I have been a sufferer from Eczema, which I have cured with your bottle. Small 1 1 bottle would form on my face, would break out on arms, and some large sores to form. The disease would be very disagreeable and I would often be laid up from one to two weeks at a time. I thought it would break out every time exposed to cold. I tried various physicians and treatments, but received no permanent relief until I was induced to try B. B. B. and felt the benefit of it in a few days. I continued the use of it until I had taken three bottles which was over a year ago, and I have not had the Eczema since. I believe it to thoroughly eradicated from my system. I believe that S. S. S. is a good blood purifier and I can recommend it to everybody."

FRANKFORT, KY., ..... 1891.

DEAR SIR—I have for years known the wonderful merits of Dr. Bull's Cough Syrup, but never before knowing the scope of your favor so far as to recommend it, I now announce of B. B. Morris, deputy treasurer of Franklin County, in which he states that he was cured of a severe cough by two doses of a three-year's use to hold a position of trust, and I am sufficiently satisfied, and was not sufficient to recommend it to the public. Yours respectfully,

JOHN H. LAFFERTY.

Dr. Bull's Cough Syrup.

**Consumption Cured.**

An old physician, retired from practice, having had placed in his hands by an East Indian missionary the formula of a vegetable compound for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure for nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his fellow sufferers. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using, sent by mail, by addressing with stamp, naming this paper, W. A. NOYES, 149 Power's Block, Rochester, N. Y. April 21, 1891.

**Water Tankers.**

The general security of water for a city depends upon the purity of the water in the history of the country. Epidemics of typhoid fever have followed the stock water in many serious scientific men, who have made a study of the subject. The reservoir on the north side is the only one in the city, and it is almost as safe as South Elkhorn at full tide. The tide water is very pure, and it is only safety against fire. The tankers are a source of danger to every family in the city, and should be abolished. Very truly yours,

WILLIAM J. HERDRICK.

**Sleeping Beauty.**

Nervous women seldom receive the sympathy they deserve. Their ailments are generally doubted, they are commonly sleepy. To wakefulness sympathy is the best medicine, but failing in sympathy, Dr. Miles' New Heart Cure is a sleeping for them. For their nervousness, sleeplessness, palpitation, and other symptoms, it is unequaled. Free treatise on "Heart and Nervous Diseases" and marvelous testimonials free, sold and guaranteed by Tutman & Blair.

**ROSE HILL.**

Dr. W. Hart rain needed badly.

Mr. ..... Wednesday night the Dr. Hart's office was broken into by Jim Chapman, of Hedgeman, who was present at Rose Hill next Sunday morning at 10 o'clock.

Jim Hedgeman, County Seat, visited Rose Hill last week. Jim's office would be at R. S. Beck's.

The protracted meeting which has been in progress at Mount's Chapel closed on Monday night.

Mr. Jim Hedgeman, of Jim Schoolcraft's, was in Rose Hill last week.

Robert Chapman and wife from Hedgeman, visited Rose Hill last week.

W. D. Frymire visited Carlisle on Saturday.

Mr. Albert Plummer from the Forty, was visiting Mgr. Flora Frymire, one day last week.

Mr. John Martin recently hunted up some big game and brought home the bacon, with a well footed pig in the rear.

W. D. Frymire found a partridge nest one month ago which contained some bird eggs and three hen eggs the hen had laid in the nest. The partridge had hatched the hen eggs and left her own.

Jim Barnett sold his farm to Wm. Gallagher and has bought the Dr. Hart place at Batterton from Samuel Heller.

If the Editor of the MERCURY would hound by his subscribers when he is morbidly wounded. Hard was on home back and if in any manner deserved extremest very safely. I regard the pardon of Hunt as a disgraceful one, and I hope it will not be granted. The jury asks pardon of Hunt, but that is from sympathy. The law does extend Hunt life law has been too cheap in Kentucky. Application for pardon is refused.

**Money.**

The capital stock of a people is the money they have to do business with. When so many persons are asking what is the matter with Kentucky, a little thought on the subject will enable them to answer the question, by considering that other people have spent their money just as they have. When people buy more than they will do well to be so very money minded in the cities and close in the country. Money is not the only thing needed in Kentucky. Capital is what every other Kentucky people have not, and proper management. In this looking capital is tied friends on the other side of the water, and the protected state there, and the people are not a few only of interest and pure. Kentucky takes such capital on the full and generous and cordial way to a war, and the people rather.

**A Fond Mother.**

Physicians make no more fatal mistake than in giving their children cod liver oil and lime when they first show the stomach and are of little manage. Scott's Emulsion is the most delicious specialist, has proven the contrary. Mrs. Ella Ward, of Cincinnati, Ohio, writes: "My little boy, Hamon a Howells, who grumbled at the taste of cod liver oil, now calls for Scott's Emulsion, and I find it a valuable aid in the rearing of my children." Sold by all druggists.
