Pointers On Pets

Odorless Deodorizer Erases Pet Smells

(NAPS)—Do you have a new puppy or kitten at home still learning the finer points of housebreaking? Animal experts agree that praise works wonders when training your pet. Be sure to use plenty of verbal rewards, in addition to treats, when your dog or cat relieves itself outside or in the litter box.

* * *

Some housebreaking points to remember: Give food and water on a strict schedule. If your pup is not with you, confine it. Take your puppy out first thing in the morning, last thing at night, and after every meal.

* * *

You've cleaned up your pet's mess but the odor remains—finally there's a deodorizer product that really works. "Natural Magic Odor Blaster" is a non-scented deodorizer that permanently removes odors without leaving a masking scent. It works by breaking down the sulfur bonds responsible for the odor—the same process used in nature.

A deodorizer has been developed that breaks down and eliminates nasty odors from litter boxes, carpets, and cars without leaving an odor of its own.

Natural Magic permanently eliminates the worst pet odor problems imaginable, including odors from urine, cat spray, vomit and feces. The product even removes skunk odors: a pet owner's worst nightmare.

Natural Magic is safe to use on pets and all around the house; wherever there are unpleasant odors. Use Natural Magic to remove cooking odors, sickroom odors, bathroom odors and cigar smoke.

Simply put, the product is the permanent solution to odor problems. Natural Magic is non-toxic, non-allergenic and biodegradable; safe for kids, pets and the environment.

Look for Natural Magic Odor Blaster in True Value, Servistar, Coast to Coast, Ace, Agway, Superpetz and Do-It Center stores across the country. Natural Magic is also available with a citrus scent. Both products come in a 16 oz. trigger spray bottle or a gallon size. Call 1-800-376-2442 for the name of a retailer near you. You can also visit the World Wide Web site at http://www.naturalmagic.com/
