NOTICE REGARDING ZONING & SUBDIVISION REGULATIONS

I. Home occupations as required by the City of Carlisle Zoning Ordinance are a conditional use, which before such conditional use is permitted requires a conditional use permit from the Board of Adjustment.

"Home Occupation" is one that is incident to the use of the premises or dwelling place and not one in which the use of the premises as a dwelling is largely incidental to the occupation carried on.

Only family members can engage in the home occupation, and not more than 25% of the floor area of the dwelling can be used in the home occupation.

There are other provisions of the Zoning Ordinance setting out the limits of a home occupation.

Violation of the Zoning Regulations carry a stiff penalty, so please check the ordinance before commencing a home occupation, and obtain a conditional use permit.

II. Under the Zoning Ordinance adopted by the City of Carlisle, Kentucky, Mobile Homes shall only be permitted in mobile home parks and mobile home parks shall be permitted only in those districts where they are designated a conditional uses, and permitted in Residential District #4 (R-4).

Presently there are no districts within the city limits that allow mobile home parks as conditional uses. The only mobile homes allowable within the city limits are those that were situated therein before the adoption of the Zoning Ordinance and those in Residential District #4 (R-4). There can be no enlargement or changes or substitutions or movement of such mobile homes.

III. "Nonconforming use or structure" means an activity or a building, sign, structure or a portion thereof which lawfully existed before the adoption of the Zoning Ordinance, but which does not conform to the Zoning Ordinance after its adoption.

No enlargement or extension of a nonconforming use beyond the scope and area of its operation is allowed or permissible.

Violation of the Zoning ordinance carries a stiff penalty, so please check the ordinance.

IV. Under the Zoning Ordinance it is unlawful to commence construction or alteration of any structure until the Enforcement Officer has issued a zoning (building) permit authorizing such work. The Planning Commission has established a schedule of reasonable fees to be charged for the issuance of Zoning Permits/ Building Permits.

V. Under the Zoning Ordinance it is unlawful to use any newly erected or altered structure or to change the use of any premises even though no structure was erected or altered until the Enforcement Officer has issued a Certificate of Occupancy authorizing such use. The Planning Commission has established a schedule of reasonable fees to be charged for the issuance of Certificates of Occupancy.

VI. Under the Zoning Ordinance it is unlawful to demolish or tear down any structure until the Enforcement Officer has issued a Demolition Permit authorizing such demolition. The Planning Commission has established a schedule of reasonable fees to be charged for the issuance of Demolition Certificates.

VII. Any owner of land within three (3) miles of the corporate limits of the City of Carlisle who wishes to subdivide his land or any portion thereof shall be governed by the duly adopted Subdivision Regulations, and shall submit a plat of the proposed subdivision to the City of Carlisle Independent Planning Commission according to the requirements set forth in the Subdivision Regulations.

"Subdivision", which also includes "resubdivision" shall mean the division of a tract or parcel of land into two (2) or more parcels for the purpose, whether immediate or future, of sale or of building development.

VIII. Due to past disregard of the provisions of the Zoning Ordinance by some persons, the penalty provisions of the Ordinance will be strictly enforced.

Any work commenced by any person, for which a zoning or building permit is required, before the issuance of the required permit, will result in the non-issuance of a permit and the enforcement of the appropriate penalty or penalties against the offender.
