HEYMANS

WE STAND ABSOLUTELY ALONE

As Bargain Builders.

Please understand that when we undertake to undersell we certainly succeed in accomplishing our object. There are two ways in buying goods for selling. The usual way of buying in dribbles at dollar prices, and the other way—OUR WAY—of buying straight from the manufacturers in great lots at great dot prices (with an extra quantity Discount to still further reduce our figures.) We are then prepared to quote prices to our customers that almost every other merchant has to pay to secure the goods. This one of our trade secrets, by, we don't care who knows it.

We Are Now Taking Invoice

And are willing to give our customers the benefit of the prices we always wish to start the season with an entire new stock, and therefore let our customers have the benefit of any reduction.

1882 1900

Sixteen Years Ago

We started our sign in Carlisle to engage in the Clothing, Gents' Furnishing Goods, Boot and Shoe business. We started out with a small stock of goods, purchased of the Jno. Rey, Geo. Mann and occupied the room now used by the Blue Grass Grocery Co. Neither time nor space will permit us to mention all the changes in the business, part of which is only since then. Success have been the changes in the business from that today we are the only firm in town under the same style as eighteen years ago.

Some one will ask: Why is it that you have remained in the same business so long? We will simply say: We started out to sell goods on their *Merit*—misrepresenting nothing, and advertising nothing we could not, or would not do. We have always ended our sales to give our customers full value for their money. They have appreciated our efforts from the beginning, and have given us their patronage thus enabling us to continue in business.

While thanking you for your patronage of the past year, we simply go back for 18 years and thank you for all you have done for us, and earnestly solicit your patronage for the future, and we will promise to do as well by you in the New Year as we have in the past.

Yours Gratefully,

Smith & Veach.

Smith sick abed; Veach too busy to write more. Come see us.
