Course components include a textbook, telecourse study guide and other supplementary materials, plus the television program, which can be recorded and viewed whenever and wherever convenient.

KET offers 10 undergraduate-level telecourses for the 2001 fall semester:

The following colleges and universities are offering credit for some or all of the fall 2001 KET telecourses: Eastern Kentucky University, Kentucky State University, Morehead State University, Murray State University, Northern Kentucky University, University of Kentucky, University of Louisville.

Western Kentucky University, Ashland Community College, Elizabethtown Community College, Hazard Community College, Henderson Community College, Hopkinsville Community College, Jefferson Community College, Lexington Community College.
