

**YELLOW FEVER.**  
The yellow fever which has been so prevalent in the West since the outbreak of the epidemic in the latter part of 1897, has been reported to have been introduced into the city of Louisville, Ky., by a party of five persons who arrived here from New Orleans, La., on the 10th inst. The party consisted of a physician, a nurse, a steward, a cook and a porter. The physician, Dr. J. H. ...

**THE FUTURE.**  
The future of the United States is a subject which has attracted the attention of the public mind. The country is rapidly becoming a more homogeneous people, and the influence of the different races is becoming more and more blended. The future of the country is bright and promising, and it is believed that the United States will continue to be a great and powerful nation.
