War Upon Pain.

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you have a bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Sonter, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with my feet, I came home with my back so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was good as new."

Why You Should Use Chamberlain's Cough Remedy.

Because it has an established reputation won by its good work.

Because it is most endorsed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium nor any other narcotic.

Because it is within the reach of all. It only costs a quarter. Obtainable everywhere.

Dr. Shoop

To remove an elder's father abscesses must first be removed. If one could get at water tight the boils would soon heal and well. This can be exactly compared to a street crossing before it rains.

Farmers week, January 10-15, inclusive, to be held at State University, Lexington, should appeal to every farmer and farm lady, and to farmer's sons as well. Make your plans to attend.

DR. CARPENTER GIVES A RELIEF

Suffer Ends Breakdown Caused By Catarrh That Had Permeated His Entire System.

"Doctors were unsuccessful in my case lately that I decided to try a patent medicine and the results have convinced me I could have saved a lot of money and much misery," said Mr. James Bowen, 1112 Payne St., Louisville, in telling his story.

"Catarrh is being introduced at Louisville's best known drug stores, Taylor & Bruce's, corner 4th and Jefferson streets. Mr. Bruce said it was extensively used and well known in a large circle of friends.

"Continuing, Mr. Kennedy said, "I suffered from catarrh of the whole system. My food would ferment in my stomach, I had a horrible headache and a cold in my head nearly all of the time. In fact, I felt miserable. As I was catarrh of the stomach, I was afraid to eat for sooner than my stomach would go down. I tried a great many remedies without relief. Finally I was induced to try Dr. Shoop's Catarrh Remedy. It was a great relief after taking the first dose. I felt improved in every respect. I continued taking it and was cured in six weeks. I have recommended it to many friends who have used it with good results. I can recommend it to all who suffer from catarrh."

Dr. Shoop's Catarrh Remedy is sold by druggists everywhere.

Christmas Dinner

Is Your Child Sick?

A. T. GARDNER

Carlisle, Ky.

SHE HAD A REAL VISION

The sitting fairies in the grass under a row of well-filled stockings lighted the faces of the young farmer and his wife. Both have seen the Christmas Guide, the guide which tells the story of that

"Christmas comes but once a year, But when it comes it brings Good Cheer."

Gradually the smile died in the wife's eyes, and the color of her lips disappeared into a hard line. Her glance left the flickering flames to rest over top row of stockings, let crawl along the edge of the mantle. Slowly the smile, stalled into an affronted frown, and looked at the row fat stocks of her broad or immature who were dreaming of the glorious morrow.

"Does the man suppose we could be the man's wife, he turned to ask.

"Here we all stand on actual starvation of Christmas Day and he's little woman?"

Her, she answered, coldly.

Peering out from under the woman's shawl he fitted her face to look down upon the young farmer's face.

"What more do you want? Ain't we all right? Ain't we warm and comfortable? Have you enough to get other needed? Have you enough to get other presents for some of the children or what?"

"Why, nothing but bread, emphatically and emphatically."

"Well, what's the matter with the bread? Ain't it good? Ain't there enough of it? Don't we have plenty of it? Don't we have it every day? Don't we have it every meal? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we want it? Don't we have it every time we

"Well, what is it?"

"Why the cake."

"Cake? Cake? Cake?
