STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die.

I tried different treatments, but they did not seem to do me any good.

I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently yet surely. It can be hurry used by young and old, and should be kept in every family chest.

FINDS NO REMEDY EQUAL TO TANLAC

William H. Howard Says He Tried Everything He Without Help.

Louisville, Ky., July 21 1915. William H. Howard, who lives at 225 West Jefferson street, here, and is widely known as an advertising man, is one of those who declares he has been greatly benefited by Tanlac, the proprietary preparation.

"For a long time," he said recently, "I suffered from a rheumatic affection of the stomach, and I never have found anything which did me so much good as Tanlac. I had used pretty nearly everything before my friends recommended Tanlac to me. It helped me almost at once, and I am glad to offer public testimony to its merits."

Chronic catarrah, which affects the bronchial membranes is one of the most prevalent and distressing maladies known. The trouble is almost universal. Offensive breath, roaring, throbbing, headaches, poor digestion, loss of appetite, unsound sleep and nervousness are some of the results from the malady.

Tanlac has proved of special value in the treatment of catarrhal troubles. Hundreds have testified to the good it has done them. It is now being sold in Carlisle at Turneman & Son's drug store.
