Louisville Woman Asserts Tanlac Benefitted Her Wonderfully

Louisville, Oct. 20—Mrs. Minnie Joseph, wife of Louis Joseph, the well known employe of Fontaine Ferry Park, is among the hundreds of Louisville people who recently have indorsed Tanlac. Mrs. Joseph said:

"I have suffered from nervous debility several years. My system was all run down. I had nervous headaches and was generally depressed in spirits.

"I used a number of preparations in the hope of bettering my condition, but nothing seemed to accomplish the right results until I began taking Tanlac. Tanlac has proved a most excellent tonic in my case. It relieved me wonderfully. I am so much better and I willingly recommend this medicine."

Tanlac, the genuine preparation, can now be had in Carlisle at Tarleman's Drug Store.

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good.

I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for four months, and I do not know I haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and can be given to children.

Insist on being served with what has been used by young and old, and should be kept in every family cheat.

Alexander & Powell
Successors to McCann & Alexander.

Say, boys, we certainly have got a nice small farm, just listed at Saturday afternoon. 30 acres, all in grass, rich 5 room house, 2 good barns, everything nice and good, in sight of Graded School, church etc., and we have a number of our friends in mind for this nice little home. It will sell very quickly so come in a hurry.

Before I forget it, we have TWO extra bargains in city residence property:

First is a most complete residence on Main street, 8 rooms, stable, garage, cribs, chicken yard, everything good and nicer, says "SELL IT."

Second is a first class 2-story house on Main street, everything good, fine veranda, a GREAT BARGAIN at $2,500. RIGHT NOW, you understand.

If we don't sell today, we have the best farm bargain ever offered anybody in Nicholas County, or any other County. LISTEN! 300 acres, every inch good land, tobacco land, grass land, corn land, two complete sets of improvements also farm for 15 or 20 acres of tobacco, about 4 1-2 or 5 miles from Carlisle on good pike and 1-2 mile from Model Road; a place that will make money every day in the year, has done it and will always do it, and Sixty-Five Dollars An Acre Will Buy It. Now the man who buys this farm gets a bargain, sure.

Another good one is that splendid 231 acre farm on Somerset Creek; one of the very best farms in this or any other County; the house, tenant house and barns were built when the farm had more than 100 acres; 25 acres of tobacco can be housed and can also be raised for there always tobacco land in abundance on this place; pike 1-2 mile of graded school, church, and splendid village; no stronger producing farm anywhere; fine grass, more tobacco this year than you ever saw and never better, you can have better farms, but reasonable terms at the owner wants to quit farming and prefers to have interest on his money rather than the money itself. There is a great chance to make money by buying this good farm. Come in and let's talk about it. $90.00 will buy it.

Another splendid bargain is that 190 acres of land 2 miles from Carlisle, nearly all grass, good 7 room residence, extra good tenant house, new barn, stable, cribs, etc., good orchard, pretty home and dog cheap at $90.00 an acre.

A fine place 3-1-2 miles from Carlisle, all good, 6 room house, good barn, all tobacco land, in a stone's throw of the fine new Model Road, and the price is strictly low. Come in and let's talk.

And here's the "Bully-boy with a glass eye;" two good farms that should be one; 113 1-2 acres in one and a good one too, 96 acres of it good grass, 6 room house, tenant house, 2 barns, Hinkston land, lots of bottom land and $75.00 will buy it. The other is 122 1-4 acres, joins the first one, has 7 room house, barn for 15 acres tobacco, fine orchard, splendid land, also from right into Hinkston Creek, and $65.00 will buy it; these two farms would sure make a cracker jack if combined into one farm. Let's go over this matter, or buy one either one. Both are good and each is a bargain.

Another Hinkston farm lies right across the creek from the two above mentioned. I'll give a promo to anybody that will find 120 acres of better land or that comes any nearer being all good. 125 acres, 2 barns, house, some fine timber, 1-2 mile from graded school, live church, fine village, and the owner is very, frankly, he is willing to take $85.00 for it, but he says he will. He's quitting the farm. I think he wants to go into politics. I'm sorry for him.

Another good one is 112 1-2 a. 6 1-2 miles from Carlisle, good pike and will be better, graded school church, big store in sight, this farm is always a good producer and $75.00 will buy it. Ain't it about your size?

Let's talk about a smaller farm? 22 acres, not on pike, but not far, good little place, good 4 room house, barn pattern on ground, and $2,000.00 will buy it.

Here it is: 59 a., 5 room house, new barn, fencing good, 1-2 mile of church and school, good pike, $3,600.00 will buy it.

100 others, can't tell you about 'em all; come in and let's go over the list. We know we can suit you. Now is the time and we have what you want. Come and get it.

Non Conformist.

Trout, according to the common law of angling, are addicted to dark days. What is there to be said, therefore, for the judgment the common sense of the strength of a three-ounce pound fish who lies in a foot and a half of crystal water and actually upon a large "white miller," the little bedal black hook and tail dangling in the sky?

Chronic Constipation.

"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Fairport, N. Y. "Stanley's Election Will Constitute A Triumph"--Woodrow Willson.

COMMENT

That Ossley Stanley will be elected Governor of Kentucky next Tuesday is assured if every Democrat goes to the polls and votes. We will venture to make it even stronger than that. Ossley Stanley will be elected by a majority that will pass the forty-thousand mark, if the overconfidence of the Democrats in which the Republicans are basing their hopes, fails to materialize on election day. There is every reason for confidence in the result of the race; there is no reason for over-confidence. There is every reason, if you are of legal age, why you should vote; there is no reason why you should, from indifference, or lack of interest, or laziness, stay away from the polls and let some other man select your State officers for you. You would make a mighty howl if you thought the right of suffrage was about to be taken from you.

. . .

Democrats at the polls will never help Ed Morrow; it's the stay-at-home Democrat upon whom the gentleman from Paintsville pins his hope. Some of our Republican friends argued early in the campaign that there would be a deal of Democratic scratching this fall. THE MERCURY is not so partisan as to be unable to see both sides of a question, but we can see but one side of this one. The Democratic scratching next Tuesday will be so slight as to be negligible. Democrats have a way of scratching when candidates don't suit them. We admit that; in fact, we think that it shows them to be a thinking party—with minds of their own; don't you know—but in the case they like the candidate and like him highly manly. No one has ever questioned Owsley Stanley's democracy, his ability or his integrity. President Wilson himself vouches for the qualities in Mr. Stanley. True, there was a difference of opinion among Democrats as to the liquor question last August, Mr. Stanley's first position upon the question being the same as the position held today by Mr. Morrow. The Democrats settled this question in a Primary; the Republicans in a convention. The opinions of Mr. Stanley were voted into the Democratic platform; the opinion of Mr. Morrow were rolled into the Republican platform, and "his said there was plenty of moisture there to lay the screenings." In any event, we believe that the men who voted for Harry McChesney and Governor McDermott will, with mighty few exceptions, cast their votes for Ossley Stanley. McChesney and McDermott are stumping the State for him, as is Senator Beckham. Editors like Richard W. Knott and Hiram Duley and scores of others who opposed Mr. Stanley are supporting him. No Ike's Morrow, you'll have to hitch your wagon to the only star of hope left shining above the horizon—videlicet, as the lawyer guys say—the Democrat, who stays at home and lets some one else run the country for him. And we've a feeling that he'll fail you next Tuesday, Ike's Morrow.

. . .

Don't forget to vote on the two constitutional amendments appearing on the ballot this year. The first amendment is a decide whether convict labor may be be used on the public roads of the Commonwealth. The second amendment will extend the powers of the General Assembly to enact laws to divide property into classes for the purpose of taxation. Both of these amendments should carry. Don't forget to vote YES on both amendments next Tuesday.

. . .

Democrats who have been fair-dealing with the people and freedom from corruption will feel sure that all is well with the world.

. . .

With Woodrow Wilson in Washington and Owsley Stanley in Frankfort, those Kentuckians who love honest government, fair-dealing with the people and freedom from corruption will feel sure that all is well with the world.

. . .

Vote for Stanley is a vote to sustain the policies of Woodrow Wilson.

. . .

Democrats who have been fair-dealing with the people and freedom from corruption will feel sure that all is well with the world
