

A SILENT LIFE.
The following is a true story of a man who lived a life of quietude and peace. He was born in a small town in the West, and his life was a study in simplicity and contentment. He never sought the limelight, but his actions spoke for themselves. He was a man of few words, but his heart was full of love and compassion for all who crossed his path. His life was a testament to the power of a simple and virtuous existence.

CATARH
NEVER FAILING RELIEF
OFFERED BY
SARGENT'S RADICAL CURE.

10 YEARS A SUFFERER.
From New York to Europe, I have suffered from this disease for ten years. I have tried every remedy known to man, but nothing has done me any good. I was almost blind, and my life was a misery. Then I heard of Sargent's Radical Cure, and I bought a bottle. I used it as directed, and in a few days I was able to see again. I am now perfectly cured, and I can see that I have been cured for good. I can recommend this cure to all who suffer from this disease.
