of estate of William Owings, deceased. 3-11-3t

A WORD OF APPRECIATION

We are unable to find words to express our gratitude and appreciation to our dear friends and neighbors for their kind acts of sympathy during the serious illness in our family. True to the scripture, "When one member suffers the whole body suffers" so it is this community, the whole community suffered with us. As though unable to repay we truly thank each kind heart and hand that had a part in our sorrow. Especially do we thank you for your prayers; we feel that your prayers had a great part in our recovery. G. H. Neal and family.

BANKRUPTS PETITION FOR DISCHARGE AND ORDER OF NOTICE THEREON

In the District Court of
the United States
For the Lexington Division,
Eastern District of Kentucky.
In the matter of Henry Holland, Bankrupt. No. 1061 In Bankruptcy.

ORDER OF NOTICE

Eastern District of Kentucky, ss
On this 6th day of March, A. D. 1937, on reading the foregoing Petition for Discharge of the above-named Bankrupt, it is—

Ordered by the Court, that a hearing be had upon the same on the 13th day of April A. D. 1937, before the said court, at Lexington in said district, at 10 o'clock in the forenoon; and it is further ordered by the court, that notice thereof be published in Carlisle Mercury a newspaper printed in said district, and that all known creditors and other persons in interest may appear at the said time and place and show cause, if any they have, why the prayer of the said petitioner should not be granted.

And it is further ordered by the court, that the clerk shall send, by mail, to all known creditors, notice of this order, addressed to them at their place of residence as stated.

H. Claude Ford, Judge

Pre-Easter Service

Beginning on Sunday evening March 21 and continuing through Tuesday evening Rev. J. W. Gerber, D. D., of Paris, Ky., will bring three appropriate messages in line with the Easter season. Do not miss these worthwhile services.

State Purchases Land For Asylum In Boyle, Mercer

The state has purchased 1,250 acres of land in Boyle and Mercer counties, on the Burgin-Danville road, and will build in this tract of land a hospital to replace the present Eastern State Hospital for the Insane now located at Lexington, according to a report from Danville Friday.

The land, of which 725 acres is in Mercer and 525 acres in Boyle, brought a reported price of $150, 750, or an average of $135 per acre.

As a part of the state's $10,000,000 program to rehabilitate and modernize the penal, correctional and charitable institutions, it is understood that the $2,225,000 has been allotted to the new institution.

State Will Retain Old Prison Site At Capital

Since abandonment of the old reformatory at Frankfort would mean the property would revert to the heirs of the donor accommodations will be maintained for a small group of convicts. Convict crews began tearing down Monday the old buildings that will not be used and some of the material will go into construction of the new prison in Oldham county.

Supervised Loans Offered To Farmers

C. E. Ayres, rural rehabilitation supervisor of the Resettlement Administration in Nicholas county, has announced that supplemental loans are now being made to families farming under the supervised loan plan and that new applications are being received from farmers in need of such assistance.

Applications may be made at the supervisor's office, located in the W. P. A. office in Carlisle, at with county welfare officers who will refer such applications to the County Rehabilitation Committee.

"The Resettlement Administration provides rehabilitation loans and practical farm guidance to deserving farm families unable to secure needed credit elsewhere," the supervisor explained. "Loans will be made only to those who can be depended upon to put forth an honest effort to repay them and to carry out their farming operations in accordance with agreement with the Resettlement Administration.

"To get a supervised loan, the family must be deserving and must be willing to follow a farm plan. After the applicant has received other assistance and is good farm, we help him to plan a balanced crop program to suit the needs of the farm and his family. "The farm plan includes food and feed as first essentials, and the money crops sufficient to pay off the loan with helpful guidance."

Applications Being Taken For Emergency Crop Loans

Applications for emergency crop and feed loans for 1937 are now being received by R. O. Wilson, county chairman of the Emergency Crop and Feed Loan Section of the Farm Credit Administration on Friday and Saturday of each week.

These loans will be made only to farmers who cannot obtain credit from any other source as provided by regulations issued by the Governor of the Farm Credit Administration. The money loaned will be limited to the farmer's immediate and actual cash needs for growing his 1937 crops or for the purchase of feed for livestock and in no instance may exceed $400.

Farmers are not eligible for these loans if they can borrow from the regular production credit association, bank, or other recognized lending agency. Crop and feed loans will not be made by the Farm Credit Administration while the Farmers Rehabilitation Loans of the Resettlement Administration whose current needs are provided for by Resettlement.

In the matter of security for these loans will consist of a first lien on the crop financed if the loan is for the purchase of seed for livestock, then a first lien on the livestock to be fed. Landlords, or others having an interest in the crops or the livestock to be fed, will be required to waive their claims in favor of the lien to the Governor, of the Farm Credit Administration until the loan is repaid.

Checks in payment of the approved loans will be issued by the Regional Emergency Crop and Feed Loan Office at St. Louis, Mo.

WILSON

Miss Ruth Dawson Banta is recovering nicely from an appendicitis operation performed in the memorial hospital at Paris.

Mrs. Ed Wilson and son spent the week end with Mr. and Mrs. A. B. Steen near Paris.

Walter M. House, 56, grandfather of 13 children, was killed at Louisville Tuesday on a charge of slaying his grandson, Jesse C. Peacock, 25.

GREAT BOOM IN STUDENT DRINKING

(Contributed)

Leading article in Literary Digest March 6, 1937. "What is the truth about college drinking?"

Ever since there have been conflicting reports from wet and dryes, from educators and student leaders, have painted a picture by turns rosesie and drab. Such facts and figures as were given were by no a flash ban last fall at Princeton and other universities.

While roaddings grew into thundering demands for reform from educators offices, drawing out the high pitched defense of students themselves, the Literary Digest set out to find the truth.

It sent questionaire letters to 1,000 colleges, 175 student editors and leaders. In 645 replies from repts. 58 American colleges representing a cross section of sectarian and non-sectarian school life the truth was presented, objectively.

Here is what their answers show.

1. Student drinking is on the increase, but is still in most cases relatively less drunkenness.

2. Students drink often and prolonge the man who can drink.

3. Drinking is confined to a. 1. One-third of the colleges replying see a great increase in cocktail parties, and students are even greater increase in cocktail parties, and students are even greater increase in cocktail parties.

4. A vast majority of colleges report no drinking by girls in their institutions but not in their outside.

5. Everywhere, neutral enforcement in colleges appears to be the rule.

6. The average undergraduate is proud of his tippling off the campus.

7. Co-eds and women students have been the most vociferous against drinking.

8. Most student editors agree that Repeal has aided temperance. The majority favor education for drinking, not against it as a solution of the liquor problem.

9. No matter whether the state is wet or dry, students have little trouble in buying what they want.

"President H. L. Donovan, Eastern Kentucky State Teachers—Drinking in colleges has increased from 2 to 300 per cent since Repeal." Student Editor George Payne, Morehead State Teachers —"Repeal has made drinking more gentlemanly."

"Student Editor George M. Spence, University of Kentucky —"Young Collegians are learning to drink like gentlemen and ladies."

Student Editor John Johnson, South Western Louisiana Institute—"There is no harm in drinking if it is done properly."

Student Editor Sidney Tabors, Penn College, Iowa—"The whole body has considered Repeal as benefited that what has happened elsewhere."

$100 FINE FOR SLAYING

Dan Gross, charged with shooting and killing his wife last October, was given a fine of $100 and costs by a jury in circuit court at Pikeville Tuesday. Gross testified that he did the deed accidentally when she intervened during a fight between Gross and another man.

Strong-Arm Methods Make Tough Biscuits

How much the cook kneads the dough may determine the character of baking-powder biscuits. The least possible handling—just enough stirring to moisten the ingredients and then dropping the dough on a baking sheet—produces light, fluffy biscuits, uneven in shape. The same dough spread on a board, cut and baked, produced even, crusty, flat biscuits. Dough which received 15 to 18 strokes of kneading gave tall, light, flaky, tender biscuits. Dough that had been produced tough, flat, close-grained biscuits because the plates in the flour was developed to the point of toughness and some of the leavening was lost.

These four different types of biscuits were made from the standard recipe which calls for 3 cups of sifted flour, 4 teaspoons baking powder, 1 teaspoon salt, 6 tablespoons fat, and 1 cup of milk, or enough to make a soft dough, and baking in an oven registering 450 degrees F.

These are some of the findings reported by the Bureau of Home Economics as a result of recent tests in making quick breads. Biscuits made with the same ingredients and baked in the same oven may vary widely if the dough has different handling.

This study also showed that folding and rolling the dough seven times produced flakier biscuits than kneading it on the board, and that the less flour added to the dough on the rolling board, the better.

THE CARLISLE MERCURY

VOLUME LXXI. ESTABLISHED 1867 CARLISLE, NICHOLAS COUNTY, KY., THURSDAY, MARCH 18, 1937 PUBLISHED WEEKLY NUMBER 11

TVA PHOSPHATE IS MADE AVAILABLE TO NICHOLAS FARMERS

Low Cost Fertilizer May Be Obtained Through Office Of County Agent

MORE PAYMENTS MADE

Nicholas county farmers who participated in the Soil Conservation Program will receive a total of approximately $12,000, County Agent R. J. Matson has announced. These payments will be made in 1,833 checks.

Up until the end of the week a total of $96,717.00 had been received by the County Agent and distributed among 1,353 payees. These payments represented compliance on 782 farms. Checks are being received daily almost by the County Agent, and the distribution of the checks will be here within a short time.

Many Nicholas county farmers failed to comply with the program to the extent of receiving the maximum benefits the past year, County Agent Matson said. Payments are made on soil conservation practices. More farmers are planning to take full advantage of the program this year and total payments will be much higher.

The Nicholas County Agricultural Conservation Committee has placed an order for 30 1-4 tons of TVA phosphate for farmers in the Nicholas County Association.

They report that farmers interested in using phosphate on conserving and improving pastures to earn their soil building allowance during the 1937 Agricultural Conservation Program.

According to County Agent R. J. Matson applications are on file for a total of 65 tons and an order for the second ton load will go out immediately.

Under the program, farmers will receive $22.25 per ton credit on their soil building allowance. Last year Nicholas county farmers lost $18,000 in soil building payments because they did not carry out practices sufficient to earn the money. Since TVA phosphate has been made available, the Nicholas county agent will make every effort to assist farmers in earning their full allowance. The phosphate will cost farmers $32.25 per ton which will be deducted from their 1937 payment at Washington, and $5.75 for freight and local handling charge. Under this plan, the farmer will only have to invest $6.30 when he receives his phosphate from the car.

Nicholas county farmers will be able to get TVA superphosphate this year from the Tennessee Valley Authority by paying the freight and the handling charges, with the remainder deducted from their 1937 Agricultural Conservation payments, according to announcement made by County Agent R. J. Matson.

The fertilizer will be charged against the 1937 payments of the farmer at the rate of $15 per ton. The freight cost is $4.80 per ton, and the cost of handling will not exceed $1 per ton.

No Indictment Returned Against William Banta

The grand jury of the Bourbon circuit court, in session last week after consideration, failed to return an indictment against William Banta, farmer of near Little Rock, for the fatal shooting of William Darrell, of Nicholas county, last January 8.

Darrell was fatally wounded by Banta on the Banta farm after he had been ordered off the farm by Banta. Darrell his son and another man, had gone to the Banta farm to hunt coons.

Banta claimed self defense, declaring Darrell made a motion for a gun when he fired. Banta was shot by Darrell at the time and remains in a serious condition at the Mason Memorial hospital in Paris, where he was taken after the shooting.

VINCENT NOT RETAINED

Attorney General Hubert Meredith has dispensed with the services of Roscoe Vincent of Brownsville as assistant attorney general.

Vincent is a brother of Congressman Beverly M. Vincent who resigned as attorney general after being elected to congress to fill the vacancy caused by the death of Glover Cary.

Mr. Meredith wrote Mr. Vincent that "after discussing the matter with the administration we feel that it will not be necessary for you to present yourself for the oath of office as assistant attorney general. Some other obligations would interfere with keeping all of the present assistants."

SPELLING BEE SATURDAY

Champion Speller Of County To Be Selected Here

The annual Nicholas county spelling bee will be held in the grand court room at the court house Saturday afternoon, March 20, at 1:30 o'clock, Mrs. Eda S. Taylor, County Superintendent, has announced.

It is probable that every rural school in the county will be represented at the spelling bee. The winner will represent Nicholas county at the state spelling bee held in Louisville during the annual meeting of the Kentucky Educational Association in April. All expenses of the county representative will be paid.

The state spelling bee is sponsored by the Courier-Journal and Louisville Times. 196 counties will have contestants in the state contest and the champion will represent Kentucky at the National spelling bee to be held in Washington, D. C., this summer. In addition, the state champion will receive a liberal cash prize and a scholarship to any school in Kentucky.

Carlisle Loses To Maysville 26 To 14

Going into the semi-finals of the Tenth District basketball tournament at Maysville last Friday night Carlisle lost to Mount Vista in the first game Thursday night, the Carlisle Blue and Musketeers were eliminated by Maysville by a score of 26 to 14. Carlisle was unable to shake off the strong Buildogs had defeated the local team. Carlisle was heavily defeated from the opening whistle, but played a fine defensive game.

M. M. I. won the right to go to the finals with Maysville by defeating Cynthiana 31 to 28 in two overtime periods. The cadets won both of their games in close contests.

Six Thousand Farmers In State Get Rehabilitation Aid

More than 6,000 Kentucky farmers have received aid in recent months from the Rural Rehabilitation Resettlement Administration, Dr. Frank Peter Ward, state director of the National Emergency Council, announced Thursday in stressing the serious nature of the tenant farming situation.

Judge Wood said a survey made by Rural Service, state division of the rehabilitation body, revealed that 10 per cent of farmers in Kentucky and that 37 per cent of farmers in the state are tenant operated.

National figures show that less than half of all farms are owned by own land and tenants have been increasing at the rate of 4,000 a year. It is to check this trend that farmers need rehabilitation aid, Judge Wood said.

M. E. Conference Here In September

Carlisle To Be Host To Annual Conference, Plans Already Under Way

Rev. Warner P. Davis, Presiding Elder of the Carlisle district, Rev. C. A. Swasey and members of the local Methodist church have started plans for the entertainment of the Annual Kentucky Conference of the Methodist Episcopal Church, South, which will be held in Carlisle next September. This will be the second time in the past seven years that Carlisle has been honored with having the Conference.

Committees on housing of the delegates and other activities have been appointed, and everything will be in readiness for the opening of the four-days session.

The Conference brings together the largest number of ministers and church workers of any other meeting held. Approximately 300 ministers and lay delegates will be here for the meeting in addition to hundreds of visitors who will attend the daily sessions.

New Temporary Manager For Lerman Bros. Store

Mr. Paul Garrett, of Glasgow, has arrived in Carlisle to assume management of the Lerman Bros. department store during the illness of Mr. Simon Packman. Mr. Packman will rest for several weeks.

Maintaining the policy of the store to undersell, Mr. Garrett offers a wide selection of bargains in a large ad in this issue.

410 Head Stock Sold Tuesday

Special Buyer For Shoats Will Be On Market Next Tuesday, March 23

The best market held in several weeks featured sales of the Farmers Tobacco Pool Tuesday afternoon with a total of 410 head of livestock sold. Prices on all classes of livestock were strong.

Last week the market led all others in the state in the price of veal calves, with a top price of $10.80. The top receipts for Tuesday for veals was $10.40.

At the sale next Tuesday a special buyer for shoats will be on the market. This will be a good opportunity for farmers to sell their shoats, as they are guaranteed the highest market price.

Quotations on Tuesday's sale, were as follows:

Hogs—packer sows $9.90; sows $8.65 to $8.65; stock hogs $7.80 to $8.00; sows and pigs $34.50.

Cattle—steers medium to good $6.35 to $7.70; cows $5.20 to $6.30; canners and cutters $4.00 to $67.00; stock cattle $23. to $32.

Sheep and Lambs — medium $10.20; stock ewes $10.

Calves—top veals $10.40; med. lum $8.50 to $9.50.

Will Of Oscar R. Rankin Probated

Estate Of Bourbon County Man Left To Wife, Farm In Nicholas To Be Sold

The will of the late Oscar R. Rankin, prominent Bourbon county farmer, was probated in Bourbon county court last Thursday. The Peoples Deposit Bank and Trust Company, Paris, named as executor of the estate under bond of $25,000.

Mr. Rankin left all lands in Bourbon and Nicholas counties and all personal property to his wife, Mrs. Alice O. Rankin. To his daughter, Mrs. Kate Hurst, he left a house and lot, containing about seven acres, in Carlisle, adjoining Anna Grimes, another daughter, Mrs. Sequatchie Rankin, and the Millersburg Under the terms of the will, a 300-acre tract of land near Morning Glory in Nicholas county is to be sold and the proceeds given to Mrs. Rankin. Sale of the other property of Mr. Rankin was forbidden by the will. Mr. Rankin named the bank as executor.

After the death of Mrs. Rankin, two tracts of land and a house and lot in Carlisle will go to his daughter, H. Mrs. McKinney dies with no living heirs the two tracts of land will go to two grandsons, Rankin and Jesse Hurst, and the residence in Carlisle to two grandsons, Oscar Rankin Griffin and Oscar Grimes. After the death of Mrs. Rankin, 100 acres of land, known as the Bedford land, will go to the Millersburg Home. After the death of Mrs. Rankin, the Hamilton farm of 200 acres will go to Mrs. Kate Hurst.

The will was dated April 22, 1933, and was witnessed by Emmett Dickson and William Plamond.

1,542 Acres Purchased For National Forest

Approval by the National Forest Reservation Commission has been given for the purchase of several tracts of land aggregating 1,542 acres in the Cumberland National Forest in Kentucky for $6,343. These tracts are located in the Cumberland Mountains of Kentucky. Most of the tracts carry valuable growth timber and young growth. These small purchases will bring the total acreage acquired or in process of purchase in the Cumberland National Forest to 411,300 acres.

The additions are situated in Whitley and Laurel counties. The trees are chiefly mixed pines, hemlock, yellow poplar and oak. The Forest Service is constructing fire lines for the purpose of fire protection and to facilitate the handling of timber and the management of growing stands of trees.

MONTGOMERY MAN KILLED

J. L. Barry, 64, died at the hospital in Mt. Sterling Tuesday from injuries sustained Monday night when he was struck by an automobile driven by Haywood McClothen, 1, of Owingsburg, who was held under $500 bond. Mr. Barry was walking along Virginia avenue in Mt. Sterling when he was struck.

YOUNGEST WAR VET

Melvin Garrison, thirty-three, of Springfield, Ohio, who is said to be the youngest World war veteran in the United States. At the age of thirteen, he ran away from the Ohio Masonic home and enlisted in the United States army. At fourteen he was corporal of a machine gun squad at the front. He was wounded four times.

Masons To Send Cakes For Easter

Annual Remembrance To Various Homes To Be Continued This Year

At a meeting of Dougherty Lodge No. 65, F. & A. M., Friday night, final plans were completed for collecting home baked cakes and sending them to the various Masonic and church orphanages of the state for the Eastern dinner of the residents of the homes.

The cakes will be delivered to the Masonic hall on Wednesday, March 24, and will be taken to the various homes the next day. The institutions to which they will be delivered are Shrine Hospital for Crippled Children, Lexington; Old Masons Home, Shelbyville; Masonic Widows and Orphans Home, St. Matthews; Methodist Home, Versailles; Cleveland Home for Girls, Versailles; Presbyterian Home, Versailles; Christian and Baptist Homes, Louisville; Kentucky Children's Home, Lyndon, and Cromer Aliyer Foundling Home, Louisville.

The plan of furnishing home baked cakes to the various homes was inaugurated fifteen years ago and each year the more than 1600 residents of the various institutions are remembered by the citizens of Nicholas county.

County 4H Clubs To Hold Banquet

More Than 120 Boys And Girls Expected To Attend Event Here April 2

Approximately 120 4H Club members in addition to club leaders and former club members are expected to attend a banquet of members of 4H clubs in the county to be held at the Masonic hall on Thursday night, April 2, at 7 o'clock.

It is planned to make the banquet an annual affair. A meeting of club members from throughout the county was held at the court house Saturday at which time plans were completed for the banquet. William Dudley Lodge is president of the county organization and Dorris Clay is secretary.

J. W. Whitehouse, State 4H Club Leader of the University of Kentucky, and Bart N. Peak, of Lexington, will be the principal speakers. Miss Sarah Moore, state champion in canning, and Miss Frances Margraves, winner the outstanding 4H Club girl in the state last year, will be present, as well as other club leaders and champions of the state.

The Nicholas County Farm Bureau will present medals to the outstanding boy or girl in each project.

There are six 4H clubs in the county, with a membership totaling ship of approximately 200.

Tickets for the banquet will be 50 cents and they have been placed on sale.

LOCAL GIRL MAY QUEEN

Miss Jeanette Mitchell Given Honor At Midway School

Miss Jeanette Mitchell, of Moorefield, was elected May Queen at a recent meeting of the Senior class and faculty members of the Midway Orphan School. Miss Mitchell, who is a Senior, has been a student in the school for four years and has been prominent in school affairs.

Miss Mitchell's Maid of Honor will be Miss Nancy VanArsdale, of Winchester, and Miss Helen Eckel, of Piqua, Ohio, will be the Prince Charming.

The May Queen will be crowned and will hold her court on Saturday evening, May 22, in connection with graduation exercises. For the benefit of the May Queen and her court and the many visitors who will be on the campus that evening, the lovely operetta, "The Wishing Well," will be presented by the glee club and student body. The entire evening's program will be held at the Fannie H. Graves Memorial Amphitheater.

Winchester Man Slays Wife And Ends His Life

Mrs. Willis Hale Martin, 26, was found shot to death and her husband, James W. Martin, 32, was found shot to death early Friday night in the bedroom of their home on South Main street in Winchester. Martin died later at the Winchester hospital without making a statement.

Coroner Ben S. Bartlett, after a preliminary investigation, said he would return a verdict that Martin killed his wife and then committed suicide.

Incessant ringing of a telephone in the Martin home led to the gruesome discovery. The ten year-old son of the Martins called the home and Mrs. George Martin, who occupies an apartment in the same house, went to the Martin rooms. Mrs. Martin, with a bullet through her head, was propped up in bed and her husband was found a few feet nearby with a revolver by his side.

Benefits To Farmers In State $27,495,563

Agricultural Adjustment Administration officials said Monday benefit payments to farmers since the agency was created in 1933 have passed the $2,000,000,000 mark.

AAA records showed corn-hog farmers had received $520,000,000 more than one-fourth of the total two billions.

Cotton ranked second with $490,000,000 of AAA funds, and wheat third with $300,000,000.

The program for tobacco accounted for $62,000,000.

Kentucky received $27,495,563 of the total payments and Indiana $48,272,851.

Big Burley Crop For 1937 Looms

Department Of Agriculture Says Growers Determined On Wide Acreage

Agriculture department officials said last week burley tobacco growers were busy planting a record acreage, with no prospect of state compacts or new federal legislation to control production this year.

Tentative estimates placed the 1937 planting at 500,000 acres, compared with 368,000 in 1936 and five year average, 1926-30, of 426,000.

The only control in sight, officials said, is the soil conservation program. They predicted congress would not try to extend federal control at this session, and tobacco growing states have failed to adopt compacts as authorized by federal legislation last year.

Preliminary figures showed burley prices in 1936 set a new record. The average will be around 36 cents a pound, officials said, or double the 1928-32 average of 18 cents and more than above the previous high record of 33.2 cents in 1919.

These preliminary figures indicated burley growers received approximately $88,000,000 for their 1936 crop.

The visible supply of burley estimated last October 1, was 898,000,000 pounds, including the 1936 crop. In view of increasing consumption of cigarettes, this was considered about normal after a period of excessive carry-over. The average supply in October 1, 1928-32, was placed at 825,000,000 pounds.

Land In County Leased For Oil

Approximately 5,000 Acres Leased And Drilling To Be Started Within Month

Mineral leases are being taken on a large area of land between Blue Lick Springs and Paris Ferry. The Mercury has been informed, for the purpose of drilling for oil. Already approximately five thousand acres have been leased, according to our information.

The leases are being taken in the name of Dr. Layman, of Midway, who is head of an oil syndicate, it is said.

The contracts guarantee that drilling operations will be started within one year from the date of the lease, and it is said that some of the landowners who have signed the leases have been assured that first drilling operations will be started within thirty days.

The territory leased includes a narrow strip, extending from a point near Blue Lick Springs to a point near Parks Ferry.

An engineer who has made an extensive survey of the territory is enthusiastic over the prospect of discovering oil or gas.

Baptist Women To Meet Here

Woman's Missionary Union Of Bracken Association At Carlisle March 25

The Woman's Missionary Union of the Bracken Association of Baptists will be held at the Carlisle Baptist church next Thursday, March 25, beginning at 9 o'clock.
