CARD FROM R. T. BAKER
Mt. Olivet, Ky.
May 24, 1937
To the Voters of Robertson and Nicholas Counties:
Having been solicited by a number of citizens of the above counties to become a candidate for Representative I have decided to do so, subject to the action of the Democratic primary, Saturday, August 7th.
I do it as I never asked to be honored with an office before, but I think the time is drawing as with a sincere desire to serve my friends and neighbors.
As a life long farmer and by life, a dirt farmer, hence I know the needs of the farmer and feel that I am qualified to represent his interests in the State Legislature.
I am in favor of Old Age Assistance and such other social legislation as modern conditions demand. I shall give earnest study and attention to all matters coming before the Legislature, and shall devote myself to the best interests of the people, giving special attention to all matters affecting Robertson and Nicholas counties.
It will be my pleasure to see personally as many voters as possible; and I choose this means of saying to all, investigate my character and ability and if you feel worthy of your confidence, I shall greatly appreciate your vote.
Your neighbor,
R. T. Baker

Valuable Work Is Done By P. T. A.

Yearly Report of Carlisle Parent-Teacher Association Is Issued

With the welfare of the child as its main objective, the Carlisle Parent-Teacher Association has undertaken many worthwhile projects which contribute directly or indirectly to his physical, intellectual, and spiritual growth.

The Parent-Teacher Association has maintained a most successful penny lunch, where wholesome, well balanced meals are served at a minimum cost. The penny lunch with the aid of private individuals and other organizations, has been able to meet the needs of many undernourished children.

The welfare committee serves as a distributing agency for clothing which has been outgrown but is still in good condition. A good supply of clothing came from which new clothing and other necessities have been made to meet needs. Many pairs of shoes have been bought and one pair of glasses has been purchased to aid in correcting defective eyesight.

The Parent-Teacher Association conducted the sale of Christmas Seals in Nicholas county, netting a goodly sum for the campaign against tuberculosis.

Members of the Parent Teacher Association donated and shipped magazines and magazines to the mountain districts to be distributed by the Pack Horse Librarians.

The association purchased a radio for use in the school in order that all the school children might receive the educational and entertainment of outstanding radio programs.

In order that the people of our community may become better acquainted with the work of our public hand and to encourage a general music appreciation, the Parent-Teacher Association sponsored a spring band concert. The proceeds will be used to create a fund for future expenses and for necessities of the band, thus making the facilities of the band available to a larger group of capable and talented people.

The Parent Teacher Association serves the annual Alumni Banquet which year is usually realizes a sum which finances many of its activities throughout the year. This year it netted the Association $85.

Work is furnished the N. Y. A. members in the penny lunch each day. The N. Y. A. members have helped in various ways at social teas given by the association, and the N. Y.
