ANNOUNCEMENT

We are authorized to announce Mrs. Walter Swartz as a candidate for re-election as a member of the Nicholas County Board of Education at the regular election to be held Tuesday, November 2, 1937.

TO THE VOTERS OF NICHOLAS COUNTY

As you may have read in last week's *Mercury*, I have entered the race for member of the County Board of Education. I taught nine years in Nicholas county and was one of the County Examiners and have always been interested in school work. I have two children in school which binds me closely to all school activities. As I have only a few days to canvass the county, it will be impossible to see everyone so I trust you will take that into consideration. Should you think I could serve in intelligently on the board and elect me, I will endeavor to the best of my ability to faithfully perform my duties.

Respectfully,
Leila Alexander

A CARD OF THANKS

For the many kindnesses and thoughtful consideration shown us during our bereavement, we thank all who assisted with the last expressions of appreciation for our beloved mother and friend, one of her life: to all who sent beautiful flowers, which by the love—in short, for all of you who made our mother's last days our burden of grief in the loss of our dearest friend and mother, Anna Wilhoite Fisher, we desire to express our heartfelt thanks. Words are inadequate to convey to you our sense of appreciation. God bless you all.

She is not here, she is just away,
With a cheery smile and a wave of the hand
She has wandered into an unseen land
And left us dreaming how very dear
It needs must be, since she lingers here.

The annual 4H Club Achievement Day will be observed at the court house in Carlisle on Saturday morning, November 6. The program will begin at the court house at 9:30 a. m. and will continue until 12:30 p. m.

Miss Thelma Lee Hutchcraft, 4H club agent, announces the program officially will be delivered by Judge Ernest Wilson, president of the city school. Mr. Wilson will speak on the subject, Education. The election of county officers for the coming year of 4H Club leaders will be conducted.

At 11:00 the National 4H Achievement Day program from Washington will be heard, and from 11:15 to 12:00 the program of the state organization will be heard. Dr. Frank L. McVey, president of the state program, speaks at 11:15 and at 11:30 the 4H Club Leaders Alumni Club, composed of the former officers and presidents of the Kentucky 4H Club Leaders, will hold its annual meeting and election of officers.

Achievement cards, medals and honors will be given out at the meeting.

Not Yet Ready To Accept Applications

County Farm Security Administration officer is receiving numerous applications from tenant farmers for loans to purchase family sized farms under title I of the Bankhead-Jones farm tenant act, but county offices are not yet ready to accept formal applications for this type of loan, says Edwin C. Finley, County Supervisor, in charge of the Rural Rehabilitation program of the Farm Security Administration in Bath, Menifee and Nicholas counties.

As allotments for tenant land purchase loans are to be made based on farm population and percentage of tenancy, are not $534,000 nor more than 100 or 125 families in the state can be brought under the land purchase program this year, said Mr. Finley. The act authorizes doubling of the allotment next year and further increasing it the third year if Congress approves. Funds set aside for the present fiscal year land purchase funds are sufficient only to establish patterns.

Applications by tenant purchase loans should not be made to the county office until machinery has been set up for administering the program and the counties selected where the program will be initiated this year. Not less than five or more than 10 loans will be made in any county selected.

"The county Supervisors have been advised that no county committee will be set up under title I of the Farm Security Administration Advisory Committee law to recommend counties where the tenant purchase loans will be made this year.

Meanwhile there are sufficient funds to meet all immediate needs in the county in the way of rehabilitation loans to adjustment farm families without a county committee to recommend. Applications for loans for livestock, feed, seed and farm equipment. Simple service loans to small groups are also available where group purchase of such items as pure bred sires or heavy equipment will economically serve as an aid to improved farm practices. The services of voluntary farm debt adjustment committees are available to all farmers in the county, Mr. Jesse said.

Carlisle office day each Tuesday afternoon at 2 p. m.

MORTON G. FRYMAN DIES AT LEXINGTON HOSPITAL MONDAY

The Democratic Nominee For Magistrate In First District Succumbs

WAS ILL FOR LONG TIME

Mr. Morton G. Fryman, 45, Democratic nominee for Magistrate in the first district of the widely known farmer of the Sunbeam section of the county died at 4 o'clock Monday morning at the Lexington hospital in Lexington following several weeks of complication of diseases.

Mr. Fryman had been a patient at the local hospital for several weeks and about ten days ago was removed to the Lexington hospital. Little hope had been held for his recovery for several weeks.

A life long resident of that section, Mr. Fryman was one of the best known and most beloved men of his community. Honest and upright in every respect, he was a Christian gentleman a prominent member of the church and one of the finer characteristics of his character.

Last summer at the insistence of his friends he was persuaded to consented to make his first race for public office, seeking the office of Magistrate in his district by a vote of his friends.

Mr. Fryman is survived by his wife, Mrs. Ardee Carlyle Fryman; one son, Otis Fryman, principal of the Headquarters consolidated school, four brothers, Coley, Tube, Bryan and Walker Fryman all of Robertson county, and two sisters, Mrs. Lizzie Wiggins and Miss Laura Fryman, both of Robertson county.

Funeral services were held at the Rose Hill church Wednesday afternoon at 2 o'clock, conducted by Rev. J. J. Whitlessner, of Carlisle, and Rev. S. R. Mann, of Mt. Olivet. Burial followed in the Carlisle cemetery.

FISCAL COURT HAS EXHAUSTED BUDGET FOR 1937-38 PERIOD

No New Obligations May Be Incurred For Next Eight Months Period Says

ALL ROAD WORK STOPS

Nicholas county's budget for the fiscal year which began July 1 of this year has been exhausted during the first four months of the year, County Attorney Lee Morford told The Mercury Tuesday night.

Mr. Morford issued a warning to persons who furnish labor, property or service to Nicholas county that no more bills can be contracted into prior to November 1, does so at his own risk and is hereby warned that he will not pay any bills so contracted hereafter." The budget for next year must take care of that particular year. Mr. Morford said no obligations cannot be incurred for the good out of a budget for next year.

Work for work or property goods by the fiscal court prior to November 1 must be paid for out of next year's budget. Any obligations of any kind can be made, either in the general fund or in the road fund, for the current year, and only up to July 1, 1938, when the new budget becomes available.

Both the general fund and the road and bridge fund are exhausted except for money already designated for specific purposes. No more road work will be done in the county until after July 1 of next year except the two small projects now being completed and placing rock on the new grade through the farms of Mrs. Bertha Throckmorton and John Barlow and on the Bang Hill. When these roads are completed, which will probably be this week, all road machinery will be stored in the county barn and kept there until next July. Mr. Morford said Mr. Marfield said that the fiscal court or any member will be without authority to issue any order for charity or pauper claims or for any other purpose.

All rural highway work in Nicholas county stopped six weeks ago, Mr. Morford said, when Nicholas county's allotment was exhausted, and no more work will be done until after next April.
