An accepted definition of a gentleman, "A man who is as gentle as a lady and as manly as a mn," leads us to think that all men are not gentlemen. Wish they were.

Somebody said an old man failed to get an old age pension allowance, because same could not remember who was present at the time of his birth. So much, for the effect of memory lapses.

It now appears to us that the money powers will back Willkie for President of the U. S. next four years, and the masses of the great American people will back Pres. Roosevelt. If so, it will prove beyond all true convictions the great masses will overwhelmingly defeat the moneyed classes in November.

Good and orderly habits have always been encouraged, as well worth while. Once, a little boy of Joshua Russell, was in general, had a bad habit of putting his pants on, hind part before, every morning. His nurse imposed a penalty on him of saying "hind part before" in every expression of words until he got his pants habit. Trying to obey orders next morning, he explained, I slept all night with my "hind part before" and at night, on saying the usual prayer, I ran as fast I dove "Now I lay me down to sleep, 'hind part before.' I pray the Lord my soul to keep 'hind part before.' If I should die before I wake, hurt be-fore." I pray the Lord my soul to take, 'hind part before.'

Hubbard Endicott, Sr., local carpenter, suffered a sprained ankle and crushed heel Friday morning when he fell 12 feet while working on a barn on the farm of Miss Lucie H. Norvell in the county. Marshall Vice and his son, Albert, who were working with Mr. Endicott, also fell when the plank on which they were standing broke, but they were only slightly bruised.

Because of the fact that one magisterial district in the county is without a county school, the Nicholas county school districts may not be divided in the same manner as the magisterial districts, it is said. The county must be divided into five districts for the election of members of the board of education and it is said the board originally had planned to use the same boundary lines as the magisterial districts.

State Highway Patrolmen have received instructions to cite to court all drivers found operating motor vehicles without license. Heretofore the patrolmen have given operators without license courtesy cards which merely required the driver to obtain license. Orders have been issued to discontinue this practice, The Mercury was informed by one of the patrolmen Wednesday. The minimum fine for operating a car without license is $25 and costs.

SOCIAL and SOCIETY

WHAT A BOOK CAN DO

(The Kalends)

This is what a book can do:
Take you where the skies are blue,
Take you where the laughter's ringing,
And the eyes with love aglow.
Take you out of care and trouble
And the griefs which seem to double
Take you far from wintry weather
And the fields of drifted snow

This is what a book can do:
Build and strengthen you anew,
Give you fortitude and courage
When above a storm appears;
It can fashion and re-make you
So that fate can never break you
It can comfort and console
When your eyes are wet with tears.

HELPFUL HINTS

Summer squashes often pass much more quickly than they would if the squashes were kept picked. They ought to keep bearing until frost, but will not do so if constant picking is not maintained. They are not good for the table when they get so hard that thumbnail cannot be readily pressed into the skin so as to leave a mark. Even though they reach this stage, however, they should be taken off and if necessary thrown away.

Late cauliflower is easier to grow than the earlier varieties. You can succeed in the fall where you failed in the summer. Keep the ground around the plant well hoed and apply water if you can. Did you ever serve the ribs of the head raw? When cut into small cubes and slightly salted they have a flavor which is very pleasing.

If the top of the ground in which rose bushes are grown is just moistened, the roots will be coaxed to the surface where they should be kept down in the earth. It is important that they should be thoroughly watered
