CORRESPONDENCE

"From Over The Line"

(By J. W. Rogers)

Special sorrow permeates our feelings as we read of the tragic deaths of two of our splendid young soldier boys—Cpl. Edgar L. Hamm, of Carlisle, and Lt. Hillard C. Mullen, of Cynthiana. Cpl. Hamm met death in an excavation accident in Italy, and Lt. Mullen met death while in action in a fighting bomber plane over Kyushu, in the Pacific Ocean. Both died instantly in discharge of duty.

We would correct an error in our last week's communications. We stated that Mr. Larry Tucker was the nominee for the office of Commonwealth's Attorney. The figures were meant to apply to Harrison county only. Complete returns from the entire district were not yet in. We are now informed by the candidates themselves, that the entire district count is complete and the majority is about 152 votes in favor of Mr. Albert Barker, the present incumbent attorney, Mr. Barker is the nominee.

Yes, Mr. Zern, I am one who distinctly remembers the total eclipse of the sun in August, 1869. Glad to tell you about it. My father had been looking at the sun through smoked glass until I became tired waiting, and went down into a sorghum cane patch in my father's young fruit orchard to gather some ripe fruit.

While slowly filling my basket, the total eclipse came on. I managed to work my way out, and back to father's front yard when I found him still looking at the sun. I looked too. Wonderful sight to me. The big shadow was beginning to go off and it was leaving a pretty sunshine ring on the left hand side where it first came on.

I am glad I saw it and I shall never forget it.

"One day while walking through the wheat. I picked up some dried good to eat. Twas leather fish for flesh nor bone. I kept it till it stood alone.

What was it?

"A few weeks later, by rateful rare. I had fried chicken on my bill of fare."
