24 Local Students Enrolled At U. of K.

University of Kentucky's record winter term enrollment of 7,261 is composed of 4,530 veterans and includes students representing every Kentucky county, 40 other states, the District of Columbia, and 17 foreign countries, it was disclosed this week by UK officials.

A geographical breakdown of the current student body, released by the Public Relations Department, shows this county represented by 24 students.

Foreign countries account for 28 students at UK. Represented are Africa, Australia, China, Costa Rica, Cuba, Egypt, England, Finland, Germany, Guam, India, Mexico, Palestine, Peru, Puerto Rico, The Netherlands, and Turkey.

The University Personnel Office said veterans comprise 62 per cent of the over-all enrollment. The College of Pharmacy is included in all registration figures.

Public Sale
of
Desirable 71-Acre Farm
on
Friday, February 13
10:30 A. M.

As agents for William Floyd Gaunce, we will offer for sale on the premises his farm located 8 miles west of Carlisle and about midway between Headquarters and Saltwell.

This farm is well located in a good agricultural region and produces both quantity and quality products. The tobacco grown on this farm has, for many years, commanded prices in the top markets. It is convenient to churches, leading farm markets and is 1.5 miles from the Nicholas County High School. It is on school bus route and also grocery and milk truck routes.

A good place to live and a real opportunity to increase the bank account. The farm will be offered in two tracts and then as a whole.

TRACT NO. 1: Contains 20 acres of strong blue grass limestone soil, all in grass and ready for cultivation. Good fence and adequate water supply. Improvements consist of a comfortable two-story, six-room home, supplied with electricity. Combined tobacco and stock barn and other necessary outbuildings.

TRACT NO. 2: Contains 51 acres of strong blue grass limestone soil, practically all in grass and ready to produce. Ample water supply and good fencing. Improvements consist of tobacco barn, garage and poultry houses.

Tobacco base for entire farm 3.7 acres.

Prospective buyers will be shown the farm by Mr. Gaunce or the agents. Possession by March 1, 1948.

Sale Conducted By
Scott-Kendall Sales Co.
"It Makes A Difference" Carlisle, Ky.

Public Sale
of
47-Acre Bourbon County Farm
on
Saturday, Feb. 14
at 10:30 a. m.

As agents for Verna Stone, we will sell on the premises, his farm located 1.5 miles North of Millersburg at the intersection of the Cane Ridge and Skillman Roads. In the event of rain or sleet or extremely cold weather the sale will be held at the Deposit Bank in North Middletown. This farm is located in one of the better agricultural regions of the Bluegrass belt. The farm contains 47 acres of deep, rich blue grass soil, all in grass and ready for cultivation. All tractor land; good fencing and ample water supply. Tobacco base 2.3 acres.

This farm is a part of the farm formerly known as the J. W. Young, Sr. farm.

Prospective buyers will be shown the farm by Mr. Stone, Carlisle, or by the agents.

Sale Conducted by
Scott-Kendall Sales Co.
"It Makes A Difference" Carlisle, Ky.

Public Sale
Residence and Personal Property
on
Saturday, February 14
at 1:30 p. m.
on the premises

located just out of town on the East Union road in the Village of Mungerville.

As administrators of the estate of Mrs. Bell Stone, deceased, we will sell the following real estate and personal property. Improvements consist of a 4-room home on a large lot. This would make some one a nice home as it is close to schools, churches and leading farm markets, or it would make a good investment.

Personal Property consists of the following:

ANTIQUES

1 antique spool bed, 2 antique bureaus, vases, preserve stand, glasses and antique dishes.

MODERN FURNITURE

Chest of drawers, stand tables, rockers, straight chairs, settee, two-cap laundry stove, cook stove, kitchen safe, linoleum, rugs, throw rugs, dining furniture, all kinds of kitchen utensils, linens, beds and bedding, lamps, pictures, books, curtains, clocks, all kinds of tools, jars, coal, potatoes, onions, preserves, jellies, and many other things too numerous to mention.

George D. Scott, Administrator

Sale Conducted By

Absolute Auction
of
5-Room House, Barn And 4 Acres
Nicholas County Land

As agents for Mr. Gay Shrout, we will sell the following described property on the following date:

Saturday, February 7 --- 10 A. M.

This place is located 4 miles west of Sharpsburg on Convict Pike or Lower East Union Road. The house has five rooms in good repair with a good front porch, extra good well and good garden. This is strong limestone land.

There is a good 5-bent tobacco barn on the opposite side of road from the house with about 3-4 acre of land. This is a good barn with good galvanized roof.

The house and four acres will be sold and then the barn and lot, reserving the right to group the two together and the best bid or bids will be accepted. This place will be sold on easy terms.

Factory Location In Carlisle Studied By Louisville Concern; $6,000 Pledged To Association

Nicholas county's industrial outlook grows brighter daily.

The Louisville Community Business Association, which has reached its goal of $6,000 in pledges necessary to bring a garment factory to Carlisle, Saturday conferred with representatives of the Enro Shirt Company, Louisville, in regard to the possibility of locating a plant within Carlisle

The Louisville manufacturing representatives, meeting with the officers and board of directors of the newly organized local business association, said they would require a building the cost of which to erect would be approximately $60,000. Plans call for the costs to be amortized over a 20 or 30 years period rent-free basis. The shirt company said that maximum employment would ultimately be 350 persons of which approximately 94 percent would be women and the remaining six percent men.

No action has been taken upon the proposal of the Louisville concern, according the association planned to take the matter under consideration within the near future.

Meanwhile, the association reports that its plans to renovate and furnish a building in which Lonnie Giffen of Fort Worth proposes to manufacture shorts are progressing "on schedule." Mr. Giffen, who formerly was connected with Hinsley Mills as general manager, has conferred with local officers of the business association and has expressed himself as pleased with the results thus far accomplished.

The association reported that Giffen was in Chicago over the weekend securing orders for local manufacture and presently he is in New York on the same mission.

Giffen's proposal, which officers of the association believe is the best they have received to date, provides that his concern will pay all taxes, utility bills, and manufacturing expenses. Plans call for the initial employment of at least 50 persons with an increase in personnel to be made as soon as the expansion of facilities is necessary.

The money pledged by the business association is to be used to remodel the building and equip it with lavatories and presses, tables, toilets, lounge, lights and ventilating fans.

CUB SCOUT NOTES

The Carlisle Cub Scouts will play host to the Paris Cub Scouts in a two-game basketball series which will be played beginning at 7 p. m. Friday night at the Carlisle High school gym. Proceeds from the games will be used to buy recreational equipment for the Carlisle dens.

The Carlisle Cub Scouts and Den Mothers will attend a Pack meeting Thursday night in Paris.

GRAND JURY TO RESUME WORK FRIDAY MORNING

The grand jury serving during the February term of Nicholas county's circuit court will reconvene at 9 a. m. Friday to consider evidence for indictments which will be returned.

Members of the petit jury will meet at 9 a. m. Tuesday when the present session of the court is resumed with Judge J. C. Dedman presiding.

Realty Transfers

The Fightmaster Real Estate Company reports the following sales:

A farm of 28 acres for C. C. James, located on the Myers road, to C. W. Shrout. Possession will be given March 1.

A house and lot for Mrs. Bertha Roberson, located at Headquarters to L. B. Hollar. Possession March 1.

A farm of 16 acres for George Hallow to Leroy Scott of Bourbon county. Possession March 1.

Bascom Jacobs has purchased the two-story frame residence of Mrs. L. B. Holmes at Moorefield and will move to that community in the near future.

Billy Frey and Emery Clark have purchased the old Farmers Warehouse lot from W. P. Clark and S. T. Cameron.

Mrs. Bertie D. Mathers to Marion T. Mathers and M. C. Shearer lot on Locust street. Stamps $13.20.

Estill and Mary Eliza and Clayton Osborne to Mrs. Ada Pumphrey Knox, house and lot on Elm street. Stamps $5.50.

Robert E. and Barbara Mosshold to W. O. and Gladys Smith lot on East Main street. Stamps $6.60.

Walter and Ada Lene Shepherd to William Snapp lot in Dorseyville. Stamps $1.65.

Mrs. Eva M. Asbury to James and Elizabeth McClure lot on Maple street. Stamps $5.50.

Mrs. Laura Shrout and Thomas Clark Shrout to Lewis and Nancy Willoughby 14 acres near Moorefield. Stamps $6.60.

FFA PROJECT WINNERS TO BE ANNOUNCED FEB. 20

Winners in the farm project contest of the Carlisle High school chapter, Future Farmers of America will be announced at chapel exercises at 10 a. m., Friday, February 20, G. B. Leonard, chapter adviser, said today.

Each winner will receive a $50 War Bond donated by a Carlisle business man.

Donors of the bonds and the projects in which they will be given follow:

Tobacco, Milton Cole; corn, Lewis L. James; capons, M. T. Ruddell; dairying, Powell and Eugene Neal; beef cattle, J. F. Bradshaw; gardening, H. T. Kirkland; hogs, Paul Garrett. The winner of the hog project also will receive 100 pounds of feed from W. R. Knight.

FATHER-IN-LAW DIES

Ernest A. Bender, 61, father-in-law of Harold Shrout, formerly of Carlisle, superintendent of buildings and grounds at Union College, Barbourville, for 16 years before illness forced his retirement, died at his home in Berea Tuesday after an illness of five years duration.

Mr. Bender held a degree in civil engineering from Ohio Northern University. He was a native of Kansas.

Troop 15 Scribe Submits Report

By Jimmy Shepherd, Scribe
Troop 15, BSA

Carlisle's Troop 15, Boy Scouts of America has increased its membership by 26 during the past year. Some of the members have advanced to the Senior Scout. During the past year we accomplished several things.

The highlight of our Scouting year was the attendance of a camp at Camp Offutt. We also aided the Senior Patrol raise the cabin. Our members are as follows:

Billy Joe Morrison and Jimmie Shepherd, Star Scouts, Brooks Pitman and Dudley Hardin, First Class Scouts; Ralph Kirk, Frank Cavanaugh, R. S. Cavanaugh, Joe S. Stephenson, Kimball Booth and Billy Ray Taul, Second Class Scouts; Billy Blake, Billy Tolliver, M. H. Ruddell, Billy Hill, Oliver Owings, Kenneth Harper, Harold Bussell, J. C. Bussell, Franklin Cassell, Hermon Hretz, Billy Smith, Paul Pryor, Vernon Hartsborn, J. C. Davis, Fred Hammonds and John Allison, Tenderfeet.

COUNTY FALLS $1,100 SHORT OF DIMES QUOTA

Collections totaling $900 left Nicholas county $1,100 short of its quota of $2,000 in the annual March of Dimes campaign which ended Saturday, Mrs. M. C. Shearer, Nicholas county chairman, announced today.

Although no quota was set for the county last year a total of $1,400 was collected to combat infantile paralysis.

However, Mrs. Shearer said that returns had not been made by the county schools and returns by mail had been "slow". She said that donations for the campaign would be accepted for the remainder of the month although the concerted drive already was ended.

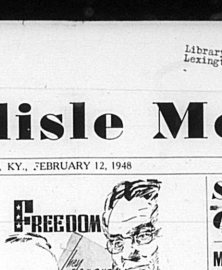
The largest individual collectors were:

Lyric Theatre, $131; Tyrer's pool room, $16.18; Hopkins, $12.67; and Clark & Frye, $6.50.

The overall average of the March of Dimes boxes was $2.00.

LOCAL BANKS CLOSE

Carlisle banks will be closed today (Thursday) in observance of Lincoln's birthday anniversary which is a state holiday.



TWO GREAT AMERICANS . . . ONE GREAT CAUSE
George Washington and Abraham Lincoln whose days we celebrate this month were perhaps two of the greatest leaders our country has ever known. Their unfaltering belief in absolute freedom was the guiding force behind the great country in the world. The things they fought for . . . the things they knew were right, have given us freedom to live as we enjoy today. They have instilled in every true American the courage to fight, if necessary, for the ideals and principles that have always made our great United States a leader in peace . . . . a benefactor in war. Others die . . . . but democracy will always live!

Nicholas Soldier Burial Set Friday

The body of Pvt. Robert George will be returned to Carlisle this morning (Thursday) and committal services will be held at 2:30 p. m. Friday in the Carlisle cemetery on the plot reserved in front of the War Memorial for the soldier dead of World War II.

Services at the grave will be in charge of Nicholas Post No. 17, American Legion, and the Lloyd George Post, Veterans of Foreign Wars.

Preceding the graveside ceremonies, a funeral service will be conducted at 2 p. m. Friday at the Mathers-Potts-Shearer funeral home by the Rev. Ira McMillen, pastor of the Carlisle Baptist church.

Pvt. George was killed in action July 27, 1944, in France. He had been on the battle front for two months.

He entered service in October, 1942, went overseas in March, 1942; had been stationed in Iceland for more than a year, and later was in Ireland and England before going to France.

He is survived by his father, Ed George of the Pleasant Springs road; three sisters, Mrs. Earl Frymire, Mrs. Elva Davis and Mrs. Henry Herndon, and three brothers, Everett, Edgar and Marion George.

Pvt. George was the 10th Nicholas county casualty of World War II and is the second fallen soldier to be returned to his native soil.

EAST UNION HOMEMAKERS

The East Union Homemakers club met with Mrs. John Barnett Wednesday, Mrs. Barnett gave the lesson on foods. Seven members were present. Mrs. Howe couldn't meet with us because of the road condition. We are to meet with Mrs. S. T. Terrell in March. Mrs. Roland Boyd and Mrs. Albert Henry are to be the project leaders.

Movie Will Depict Artificial Breeding

A moving picture entitled "Artificial Breeding of Dairy Cattle" will be shown at 1:30 p. m., Monday, February 16, at the Nicholas county courthouse, William T. Straw, county agent, has announced.

This picture, which was filmed in Kentucky where this breeding project is in practice, will be shown by the Dairy Committee to help get a program for artificial breeding service launched here, Straw said.

About two years ago, a similar picture was borrowed from New York for presentation here. The new picture, Straw said, will illustrate the latest developed techniques for administration of this phenomenal breeding service.

First generation calves, the committee has been informed, will possess milk production qualities exceeding that of their dams by about 40 or 50 percent. This increase in milk production is made possible by the use of superior sires, which ordinarily would be used only by wealthy dairy herd owners, Straw said.

Following the Monday meeting, members of the dairy committee will endeavor to enlist 1,200 cows for artificial breeding service, this being the number required to inaugurate such a program within the local area.

BRADLEY GETS PROMOTION

F. Edward Bradley Scottsville, has been promoted from State Bank examiner's job to State banking Commissioner by Governor Earle C. Clements.

MONOXIDE POISON FATAL

Marjorie Lillian Wilcher, 24, Lebanon factory worker, was found dead of carbon-monoxide poisoning, according to Marion County Coroner Charles J. Browning, in a parked car in City Park at Lebanon.

Sheep Committee's Good Quality Lambs and Wool

Mobile Unit Plans Free Chest X-rays For Residents

A tuberculosis mobile unit will be in Nicholas county on Thursday and Friday, February 19 and 20 for the purpose of making free x-ray examinations on persons 15 years old and over, the Nicholas County Health Department has announced.

The mobile unit is one of three fully-equipped trailers that have been presented to the State Health Department by the Elks Lodge of Kentucky, at a cost of $30,000 each.

In commencing visit of the mobile unit here is a part of a statewide tuberculosis case finding program. The attendants can operate the equipment at the rate of 100 x-rays an hour and only a few minutes is required to x-ray each person. The only cost to the individual is the time and trouble necessary to take advantage of this service, the local health department pointed out.

Parents and teachers of children under 15 years old, who may show any indication or symptom of tuberculosis are asked to send or bring the child to the county health department in order that a tuberculin test may be made. If the test indicates TB symptoms, the child may be x-rayed by the mobile unit.

The State Health Department reports that much tuberculosis is known to exist in this section of the state. It is credible to found early. X-ray can show tuberculosis in the lungs long before a person notices the symptoms the department said. The public is urged to take this forthcoming opportunity to help fight tuberculosis by having an x-ray made during the time the mobile unit will be in the county.

The mobile unit will be parked near the courthouse and its services will be available from 9 a. m. to 12 noon and from 1 to 4 p. m. on the days of its scheduled appearance.

ROTARIANS WILL HEAR LECTURE ON LINCOLN

"The Unknown American", a lecture concerning the life of Abraham Lincoln, which the Rev. J. J. Whitehouse gave Wednesday night at the regular prayer service of the Carlisle Christian church, will be the topic presented at a meeting of the Carlisle Rotary Club which begins at 6:30 p. m. Friday (Tomorrow) at the Masonic hall.

Mr. Whitehouse, who is a third cousin of Lincoln, will lecture on this lecture in many cities.

"Hoy Boot Week" was the theme of the program presented last week at the Rotary meeting. M. C. Shearer was in charge of the program.

BOOST CLIPPING CONST

Members of the barbers' union in Ashland announce that the price of haircuts has been raised from 75 cents to $1.

There are about 75 ancient pyramids in Egypt.

Fatter lambs of good type and higher quality wool in the grade of the Nicholas County Sheep Improvement Committee, which has elected G. C. Grover as its chairman.

The group, which met Friday at the office of William T. Straw, county agent, and also elected James G. Allison, vice chairman, is composed of the following members:

J. T. Miller, Glenn Booth, H. T. Letton, H. C. Heilman, Joe Holland, Charles Wagoner, Walter Huddleston, Harwood Auxier, C. S. Whaley, Sam Smith and E. D. Allison.

Sheep production methods advocated by the committee, which will aid in increasing farm incomes in Nicholas county follow:

1. Ewes—Replace culled ewes with other Northern-born crossbred ewes or if native ewes are preferred, keep only early-maturing, well-developed lambs for the breeding flock.

2. Use registered purebred rams. Eliminate scrub bucks.

3. Feed breeding flock a month before lambing with the best quality alfalfa hay and a grain mixture containing corn and molasses. The molasses aids in controlling pregnancy disease.

4. Use phenothiazine to control internal parasites of sheep. The flock should be individually treated with phenothiazine or bluestone and black leaf 40 in the spring after lambing and again about November. From April through October the entire flock should receive phenothiazine-salt mixture.

5. Enlist sheep in the Nicholas County Sheep Protective Association as a pooled protection against sheep losses by dogs.

6. Sponsor a portable sheep dipping machine to improve wool quality and control external diseases and parasites of sheep.

7. Sponsor pasture and livestock tour in late July.

8. Maintain good pastures.

Reorganization Of County's Red Cross Chapter Announced

Reorganization of the Nicholas County Chapter of the American Red Cross and a reduction of its budget for the forthcoming year was announced today by local officers.

Frank J. Hardesty, chairman of the local chapter, has appointed and national headquarters has appointed County Judge Walter Shepherd acting chairman.

Mrs. Frank Henry, who has been executive secretary of the local organization, also tendered her resignation which has been accepted, Judge Shepherd said.

With the acceptance of the resignation of the executive secretary, Judge Shepherd announced that due to the reduction in personnel of the staff the local budget also was being slashed.

Miss Stella Booth, who has been production clerk for the local chapter, a volunteer position which provides no pay, will also perform the duties of executive secretary. The salary of this position which has been $900 was reduced to $600.

The Fund Campaign will begin in March. The goal for Nicholas county will be $1,575 of which $990 will be sent to national headquarters of the American Red Cross.

The chapter board, which has felt for some time that the administrative expenses were too high for peace time, said they believed that this reduction of 30 percent of the total salaries would meet with the approval of all local members of the Red Cross.

The estimated budget from July 1, 1948 to June 30, 1949, outlined by Judge Shepherd, follows:

Home services, salaries, $450; other service expenditures (included telephone and telegraph tolls, transportation of workers and postage), $175; net financial assistance (including unemployable loans and grants) $325; first aid, $25; junior Red Cross, $50; production, $50; disaster preparedness and relief, (for examining fires-national headquarters assists if over five are burned out in fire), $50; fund campaign expenses, $50; general chapter administration, $115. These items make a total of $1,285 to which the $990 asked by national headquarters is added making a total of $2,275.

However, the local chapter has a surplus of $700 which, Judge Shepherd said, will be applied, reducing the amount required to $1,575 which is the chapter's goal in the forthcoming campaign.

District Basketball Tilts Open In Paris March 2nd

Drawings in the district tournament which will open in Paris on Tuesday, March 2, pairs the Blue Jackets of Nicholas County high with the Paris Greyhounds and pits the Carlisle High school Musketeers against the Clintonville quintet.

Not a single one of the eight participating teams drew a bye in first round game.

Bourbon County High meets North Middletown at 7:30 p. m. Tuesday, March 2, and Center Hill and Millersburg Military Institute battle in the nightcap which is set for 8:45 p. m. The Carlisle and Nicholas county quintets go into action on Wednesday night.

The winner of the MMI-Center Hill game will play the victor of NCHS-Paris tilt and winners of the Carlisle-Clintonville clash will compete against the Bourbon County High-North Middletown game victor on Thursday night, March 4.

The consolation game will be played Friday afternoon, March 5, and the district championship is set for the night of the same date.

The complete tournament bracket is carried below:

Thursday	Friday
Center Hill Tuesday, 8:45 p. m. M. M. I	
Nicholas County High Wednesday, 7:30 p. m. Paris	7:30 p. m., March 4
Clintonville Wednesday, 8:45 p. m. Carlisle	8:45 p. m., March 4
Bourbon County High Tuesday, 7:30 p. m. North Middletown	Consolation Game 7:30 p. m., March 5
	Finals 8:45 p. m., March 5

Basketball Dope

GAME FRIDAY
North Middletown at NCHS

GAME TUESDAY
Carlisle at NCHS

GAME WEDNESDAY
Connersville at NCHS

SCORES FRIDAY
Carlisle 43, Versailles 42
Connersville at NCHS
(Postponed to Feb. 18)

SCORE TUESDAY
Carlisle 78, Bethel 46

Nicholas County High's quintet, which was forced to postpone its game last weekend with Connersville, due to the invading team's inability to make the trip to Nicholas county, faces a heavy schedule next week which will mark the end of its home season.

County High tangles with the Musketeers of Carlisle, on Tuesday, entertains Connersville Wednesday and plays host to a North Middletown five on Friday. The remainder of its schedule will be played on foreign floors.

The Musketeers, who won their just two games, will be idle for a week before they match shots with their intra-county rivals, NCHS. Carlisle won its first encounter with County High and the team is hoping to also come out victor in its return tussle.

However, the illness of the current week may result in the tables being turned if the youngsters "go stale."

ARRESTED AFTER ILLEGAL FLIGHT

CHARGED WITH VIOLATING the Neutrality Act, Kenneth J. Newcomer (left), Charles B. Pavlicek (center) of New York and Henry K. Baker of Augusta, Ga., are shown after their arrest in New Orleans. A fourth man was also taken into custody in New Orleans and one was arrested by the FBI in Miami. The airmen were held for flying two B-24 bombers to Nicaragua, allegedly to aid in a revolution. Plan Roadside Planting Of Kentucky 31 Fescue

Kentucky 31 fescue, a native Kentucky grass first developed in Menifee county, is being tested for possible use in roadside planting along state highways, Highway Commissioner Garrett L. Withers said today.

"The use of Kentucky 31 fescue for roadside planting is attracting considerable attention throughout the Southern states and other states," the commissioner said.

"Those who have had experience with the grass claim that its use for roadside planting will not only beautify the highways of the state but will actually reduce the cost of right-of-way maintenance.

"The grass has proved to be a vigorous grower and widely adapted to areas where Kentucky bluegrass is difficult to establish and maintain. Advantages of Kentucky 31 fescue for roadside planting are its toughness and rapidity with which it gets established. It holds erosion; it holds up under heavy loads and is able to stay green practically throughout the year."

Seed production has already been in crease last year produced over 1,000,000 pounds of seed. William Suiter, Menifee county farmer found the plant on his farm near the turn of the century. It has been under test at the state Experiment Station, Lexington, since 1931.

Nicholas County High's Quintet Tops Musketeers

Nicholas County High's quintet, which was forced to postpone its game last weekend with Connersville, due to the invading team's inability to make the trip to Nicholas county, faces a heavy schedule next week which will mark the end of its home season.

County High tangles with the Musketeers of Carlisle, on Tuesday, entertains Connersville Wednesday and plays host to a North Middletown five on Friday. The remainder of its schedule will be played on foreign floors.
