THE case of Green vs. Hargis is set for trial in the Jefferson Court of Common Pleas for the 15th day of next December.

THE Court of Appeals met Friday, and the Special Court in the Buford case will meet on the second Monday in December, when they will render a decision.

JUDGE LYNCH, with headquarters in Elliott County, has issued his ukase to all evil-doers. They claim that 2,000 men have risen in their might to stamp out lawlessness.

IN New York all the candidates on the Democratic ticket, including POTTER, are defeated, except HORATIO SEYMOUR, Jr., who is elected by about 8,000. In the next race we hope to see more of his kind of Democratic candidates.

GOV. CROSWELL has appointed FERNANDO C. BEAMAN, of Adrian, Michigan, United States Senator in place of CHANDLER. BEAMAN, who is sixty-five years old and feeble, was one of the original founders of the Republican party, being a delegate to the Jackson Convention when that party was organized.

THE Republicans of Maine are about to taste some of the sweets of a Returning Board. The Governor and Council, it is thought, will throw out the false returns of some of the Republican towns, and thereby secure a Democratic Legislature and Governor. Give us a fair count.
