Mrs. Orat Hollar

Forrest Morris, wife and two daughters and Woodrow Richey were the only ones that were able to go through the snow to Sunday school at Rose Hill on the fourth Sunday, but 50 were out this past Sunday.

Rev. Kermit Phillips and family and Vella Hollar left North Carolina last Monday morning and without chains were able to get as far as the hill that leads up to Bartersville from the Maysville pike. The snowdrifts were so bad that they had to walk on to Bartersville. Clyde Miller brought them to Mr. Tilton Snapp's. From there Thurman Snapp brought them on a sled to Oral Hollar's at midnight. The next morning Oral was finally able to get them to Mr. Elbridge Hollar's, on a sled by going through fields and Mr. Elva Phillips' front yard.

Children in our community are glad to get back to school after almost two weeks vacation.

Edward Small came home for Thanksgiving and was unable to get back to school until this week end.

Rev. Kermit Phillips and family left last Thursday by sled and car for their home in Detroit, Michigan.

If there has been any visiting in our community it has been by sled or on foot.

Men went on sleds and tractors to the nearest store for groceries.

Cecil Alexander broke the ice snow drifts Friday and the warm temperature and rain finished the job of clearing our roads.

Dear Santa Claus,

I am a little girl of five. I have been good part of the time but sometimes I get a little bad. But I'm trying to be as good as I can. I would like to have a curly head doll, nurse kit, doll house, a telephone and lots of fruit and nuts.

Santa please don't forget my little cousin Ruth Ann Hollar who is in the Good Samaritan hospital. Don't forget my cousins and my two smallest cousins and also don't forget my sister. Bring her some real nice things too. Don't forget the little boys and girls across the waters Because I know that they'll want some toys also. I'll leave the door unlocked for you and some coffee and cake. Don't forget my Mamaw Hollar, Grandie McKenzie and Granddaddy McKenzie.

AN HOUR'S TELEPHONE SERVICE

Before you decide bargains no longer exist, take a close look at your telephone service. The telephone in your home is on duty day and night at an average charge in Kentucky of less than one-half cent an hour.

Regardless of the time, if somebody needs to get in touch with you—from across the street, across town or across the nation—your telephone can be ringing in a matter of seconds.

Then there are the calls you make—to the drug store, the doctor, the hairdresser, to relatives and friends across town—calls that save you tiresome and expensive errands, calls that bring joy and good times, that help keep family ties and friendships alive.

To those every-day calls you make and receive, add the constant protection of your telephone in the event of serious emergency—and we believe you will agree telephone service is one of today's biggest bargains.

C. Hunter Greene
Kentucky Manager

Growing Bargain

The price of telephone service has gone up far less than most things you buy. At the same time the number of telephones you can call at your local exc has more than doubled in the past ten years.
