community in Washington county believes every farmer should know what his soil needs before he buys fertilizer, or else he might be throwing money away. He told Farm Agent Troil Young that before he had his soil tested three years ago he thought his soil needed phosphate, and so he bought fertilizer that was high in it. However, soil tests showed he needed none. I was spending a lot of money that should have been put in potash," he said.

S. R. Barlow Re-Elected As President Of NCHS Soil Testing Association

S. R. Barlow was elected to succeed himself as president of the Nicholas County Soil Testing Association, at the annual meeting of the organization held recently. B. C. Clark was elected vice-president and George Rankin Carter, secretary.

Other directors elected for two year terms were: Hanson Judge, Moorefield, Alton Rose, Myers, Howard Allison Jr., Headquarters, and S. R. Barlow, Parks. Hold over directors are: Sam Smith, Carlisle, Howard Sidle, Bartlerville, B. C. Clark, East Union, and George Rankin Carter, Ellisville.

Two hundred and thirty-eight samples of soil were tested during the past year. Tests included lime, phosphate and potash. Many tests are being made at the present time, but directors of the association point put that farmers should take their soil samples in the fall months. At that time of year, the soil is in better condition for sampling.

Farmers who get their tests made early are much more pleased, because they have more time to order the right fertilizers that are needed for a particular field. Directors urge that all farmers of our counts adopt this slogan, "Don't guess about what your soil needs, have it tested."

Fund-Raising Campaign By Carlisle Scouts To Continue 3 Weeks

The Carlisle Boy Scout troop fund-raising campaign in Carlisle, which has been in progress the past several weeks will continue for one for another two or three weeks.

The chief object of the campaign is to make the local scout troop as self-sustaining as possible, according to Scout Master Everett M. Smith. The scouts have been going around on Saturday morning and collecting paper from various houses, and Mr. Smith again asks Carlisle citizens to put their old papers and magazines in boxes or tie it up leave it on the front porch where it can be readily be seen by the scout members.

The local armory is being used for storing the paper until it can be sold and several local merchants have loaned their trucks to aid the fund-raising campaign.

The collection of old papers and magazines will take place between the hours of 9 to 12 on Saturday morning for the next three weeks.

"Citizens Of Tomorrow" Pictures To Be Taken Wednesday, March 14

Your Child's Picture May Be Published In This Newspaper Without Charge.

Wednesday March 14 is the big day—for the picture taking of your youngsters! The Mercury is offering pictures taken of all children who are brought by their parents or other guardian to the Bourbon Laundry between 10 a. m. and 6 p. m. absolutely free of charge.

The Woltz Studios of Des Moines, Iowa, nationally known children's photographers, will be in charge of the photography. The Mercury wants a picture of your child to print in its forthcoming feature "Citizens of Tomorrow," a series of photographic studies of local children. The more we get the better the feature will be, so the cooperation of mothers and fathers is urged.

It often seems to parents that children are little one minute and are grown up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at this present stage for the pleasure you will enjoy in seeing it in print. You will want to clip it from this, your home town newspaper, and preserve it for the youngster when he or she grows up.

There is absolutely no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the Mercury, nor even a reader. You do not have to purchase pictures either, though you may obtain a limited number of additional prints by arranging direct with the Studio if you want them. That is entirely up to you! There is no age limit.

Musketeers, Blue Jackets, Both Lose In 40th District Tournament Play

Inability to hit at the free-throw line caused the Carlisle Musketeers to be ousted from the 40th District tournament by the Bourbon Vocational Colonels last Wednesday night in the Paris high gym in Paris. The score was 44-39.

The Musketeers outscored the Colonels from the field by making up 18 field goals to their opponents 17. However, Carlisle was able to cash only three out of 18 free throws while the Colonels hit for 10 of their grants losses.

Bourbon Vocational grabbed an early lead and were on top at the first rest stop by a 14-7 margin. The Musketeers began to find their shooting eyes in the second quarter and whittled the Vocational lead down to a two-point margin at half time, 21-19.

In the third quarter Vocational's Ronnie Chanslor began cashing in on his jump shot and the Bourbon lads pulled away to a comparatively safe ten point margin at the end of the third quarter, leading 35-25.

The Musketeers fought back tenaciously in the closing minutes to narrow the gap to five points, but the earlier lead built up by the Colonels proved too much for the local lads to overcome.

Manager Frank Cavanaugh led all scorers with 12 points, while Chanslor and Flynn each garnered 10 for the winners. The statistics:

CHS		BVHS	
Cavanaugh	12	Booth	6
Beatty	6	Shepherd	2
Clark	4	Clark	4
Hardin	8	Berryley	10
Flora	7	Chanslor	10
Pitman	0	Buchanan	4
		J. Jones	2

Falling behind in the third quarter, the Nicholas County Blue Jackets dropped a 54-42 decision to the MMI Cadets last Thursday night, to be eliminated from the 40th District basketball tournament held in Paris.

The Blue Jackets jumped into an early lead with Donnie Gaunce paving the way and had the Cadets 14-10 going into the second quarter. MMI began to narrow the gap at the outset of the second canto and pulled to within one point of the Blue Jackets at 19-18 about midway of this period. The Jackets responded to this threat, however, and pulled away to a 28-23 halftime lead.

The Cadets roared back in the third quarter and the Jackets seemed to go to pieces. At the end of the third quarter the MMI quintet had gone into a commanding 41-36 lead which they never relinquished. They went on in the last canto to make the final margin of victory 54-42.

Gaunce, Jacket guard, led all scorers with ten field goals and five free throws for a total of 25 points. Cadet forward Hall led the winners with 21 points.

Individual scoring:

NCHS		MMI	
Shannon	0	Pogue	15
Hill	2	Hall	21
Boyd	4	Howard	6
Gaunce	25	Marcum	10
J. Fryman	9	Cornell	0
H. Fryman	3	Sullivan	0
Wilson	0	Slater	0
M. Fryman	0		
Grimes	0		

Donnie Gaunce, Blue Jacket cager, led scoring for a single game in the 40th District tournament in Paris last week when he tallied 25 points against MMI, Thursday night.

East Union 4-H Club Wins Awards In Kentucky Utilities Farm Contests

Two prizes totaling $20 were won by the East Union 4-H club in the annual Kentucky Utilities Company 4-H achievement contest and were presented to the club at a banquet held Monday night at the Bath County high school cafeteria in Owingsville.

The East Union club placed second in district competition for all-around activities to win the highestcash prize awarded at the banquet, according to Mrs. Ruth J. Straw, county agent. There were 14 other districts competing in the achievement contest.

William Johnson, KU farm service adviser, presented the award to Miss Bettye Faye Stephenson, secretary of the East Union club, and Miss Stephenson gave a short acceptance speech on behalf of the club.

Mrs. J. E. Soper, who teaches at the East Union school is the sponsor of the 4-H club and Billy Tincher is president. Mrs. Dorothy Neal, home demonstration agent, and Mr. William T. Straw, county agent, also attended the dinner.

Activities which helped the East Union club win the Nicholas county championship included completion of 23 projects. The club members won 34 ribbons at spring rally day, and used its prize and premium money to buy athletic equipment. A total of 29 members make up the East Union club.

Other 4-H clubs receiving awards were the Bethel Junior High Club of Bath county; Farmers Club, Rowan, and Grassy Creek Club, Montgomery.

A total of $905 in cash prizes is being awarded by the utility company this year in the contest it sponsors in the counties where it supplies electric service. This year, the fifth in which the contest was conducted, saw a total of 52,000 4-H members in Kentucky clubs competing.

Judging in the contest was done by the county agents' offices and the 4-H club department of the University of Kentucky agricultural extension service. Awards were made on the basis of the clubs' year 'round program with special emphasis on outstanding community activities, farm and home projects and participation in agricultural fairs and shows.

J. W. Whitehouse, state 4-H club leader, and several KU managers as well as many home demonstration and county agents were present at the banquet.
