**THE HEN THAT LAID THIS EGG** must have heard about the mobilization program. This picture is a life-size picture of an egg laid by a normal hen, brought into The Mercury office last week by Stonegather Fry, Sharpsburg farmer. The egg weighed five and one-half ounces and measured a little over seven inches in diameter. After getting the picture, we broke the egg and discovered another normal size egg inside this one. He said the same hen laid another one just a little larger, but that he broke it on the way over.—The Carlisle Mercury photo.

**BASKETBALL SPONSOR**—Mrs. Ella Mae Lewis, daughter of Mr. and Mrs. Harry Walker, Carlisle, was elected recently as basketball sponsor for the past season. She is a senior at Carlisle high school and a member of the Little Theatre Club, the Journalism Club, the choir, Girls glee club, and a historian on the annual staff.

## Two Local Youths To Be Honored

Two youths from Nicholas county will be commended by Governor Wetherby's Kentucky Committee on May 1, 1951. One boy or girl will be recognized for an outstanding feat of courage and another for outstanding service to his community during the year 1950.

Several persons in this county are being requested by Governor Wetherby and the Kentucky Committee on Children and Youth to form a committee for selection of the outstanding youths. The Nicholas county committee is being asked to forward these names with their accomplishments to the Kentucky Committee by April 15.

The youths from each county will receive a certificate from the Committee on May 1. From the 240 names submitted from each county, four finalists will be selected by the Kentucky Committee and commended by Governor Wetherby. The finalists will represent Kentucky in the national award according to Public Law 635. Four, two from each group will be accorded national honors.

The Kentucky Committee is a statewide group of lay and professional persons interested in better facilities and services for Kentucky's children and youth. This group was appointed in January of last year by Governor Clements to participate in the Midcentury White House Conference on Children and Youth at Washington, D. C., December 3-7.

### To Attend Conference

Two Carlisle high school girls, Miss Betty Caywood and Miss Lucy Nell Terrell will represent Carlisle high school at the Annual High School Press Conference to be held March 30 and 31 in the Journalism department at the University of Kentucky.

The conference is to instruct high school students throughout the state in various fields of journalism.

**NOTICE TO MASONS**

**All Masons having Easter cakes going to the Masonic Home and other orphanages, please deliver them to Dougherty Lodge No. 65 by 6 p. m. THURSDAY, MARCH 23. A committee will pack them at the hall.**

## Civic Organizations To Sponsor Dance

A benefit old-fashioned box supper and square dance will be held Friday, March 30, beginning at 6:30 p. m. in the National Guard armory.

The dance is being sponsored by the various civic organizations of Carlisle, and the entire proceeds will go to the Nicholas County hospital.

Ernie Lee, radio and television star of the Midwestern jamboree program over station WLW, Cincinnati, will furnish special entertainment, and music for dancing will be provided for by a Lexington square-dance orchestra.

The program is endorsed by Dr. Elsie Asbury, Mr. Lewis Conley, the Rotary club, the Younger Woman's club, the Woman's club, and several other civic organizations. A complete list of these organizations were not available Wednesday.

An admission price will be announced later, and other details of the program will also be announced as they are formulated.

## County Clerk's Office Reports Busy Week

A total of $4,051 was taken in by the county clerk's office in the week ending March 3. This sum came largely from the sale of license plates to car and truck owners, and from the transfers of motor vehicles, according to Mr. John Sugg, county clerk.

During that week, 411 passenger car licenses were purchased, 144 truck licenses were purchased, and 71 motor vehicles were transferred. It was one of the biggest weeks ever recorded by the county clerk's office.

The money is sent to the Department of Motor Vehicle Registration in Frankfort, and once a year this department, from the state truck licenses fund, returns to Nicholas county $10,000, which is deposited to the Nicholas county road and bridge fund, and is used for the upkeep of roads and bridges in this county.

## Green Pastures Committee Stresses Improvements Of Pasture Programs

Nicholas county's participation in the Kentucky Green Pastures Program was announced by the Nicholas County Green Pastures committee following their meeting last Wednesday night at the court house.

Dorsey Watkins is chairman of the committee, Merton Williams is vice-chairman and James Lowe is secretary.

The Green Pastures committee points out that it is primarily interested in promoting vastly improved pasture and hay production in the county. The committee believes that the pasture and hay program of the county can be doubled and perhaps tripled when they receive their proper rate of fertility.

April 2 has been set as a closing date for entries in the contest. Any farmer in the county is eligible to enter the contest, and may do so by applying to any member of the committee or at local offices of any farm agency.

The committee will meet the night of April 2 and make further plans for the development of the program. A special selection committee will be appointed to select the outstanding pastures program in Nicholas county.

**Steps For Better Pastures**

In evaluating the pasture programs of contestants, the entire farm will be considered. Practices to receive emphasis will be a well-balanced pasture program throughout the year. The committee lists five steps to better pasture production.

1. Use land wisely. This means that row crops should be confined to land that can be controlled from erosion. Each acre should produce.

2. Use lime, fertilizer, manure, and crop residues efficiently. Test the soils to determine the needs and apply the needed materials.

3. Select suitable grasses and clovers.

4. Adopt good pasture management practices. Avoid over grazing, provide shade and good water, and control undesirable pasture weeds.

5. The full utilization of pastures and their by-products (hay and silage) are important economic phases of a good pasture program.

**Could Become Major Crop**

The committee states that pasture, hay, and livestock could become a major cash crop in Nicholas county, if the pasture program is carried out efficiently, and point out that Nicholas county land is especially adapted to this type of farming.

Other members of the Green Pastures committee attending Wednesday night's meeting were Bill Straw, Charles Scheffler, James Stephens, Glenn Hardin, Frank Henry, Logan Wills, Hampton Faulkner, Ewell Clinkenbeard, Eugene Letcher, Alton Rose, Charles Whaley, Ed Sanders, Harvey Wagoner, and Hobart Hamilton. Advisory members of this committee are representatives of the Civil Farm Agencies in the county and representatives of the Business Mens organization.

The Kentucky Green Pasture Program has the firm backing of farming agencies, farm organizations, and other groups interested in farm improvements.

## Old Booth Bridge To Be Rebuilt

Reconstruction of the old Booth bridge on Colvin road over Hinkston creek, will probably take place some time late this summer, according to County Judge Spencer Taylor.

This covered bridge is one of the oldest in the state, and has been in need of repairs for several years. The State Highway Department announced its intention to completely reconstruct the bridge, probably making it a concrete structure.

The bridge is 114 feet long. The Highway department stated that the contract for rebuilding the bridge will probably be let around July 1. Estimated cost of the reconstruction will be between $32,000 and $40,000.

Judge Taylor and Judge Leer were in Frankfort Friday conferring with officials regarding this project. Judge Taylor stated that the building of the bridge will not interfere with other county road projects that were undertaken prior to this project.

The state 2-cent gasoline tax pays for this type of rural construction.

## Pat Conley Appointed As Probation Officer

J. Patrick Conley, Carlisle attorney, has been appointed as probation and parole officer for the 18th and 19th Judicial Districts, comprising the counties of Nicholas, Pendleton, Harrison, Robertson, Fleming, Mason and Bracken.

His appointment was announced last Friday in Frankfort.

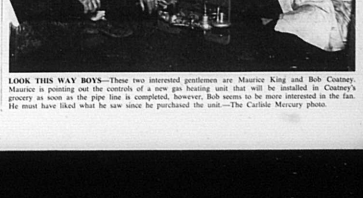
Conley succeeds J. Harold Ewing of Falmouth who resigned to accept appointment as Pendleton county attorney.

He is a graduate of the University of Kentucky Colleges of Commerce and Law.

State Auditor Harry N. Jones was in Carlisle Monday morning, in the interest of his candidacy for state treasurer.

**SCOUT REGISTRATION**

**All boys between the ages of 11 and 14 desiring to become scouts, with the Carlisle Boy Scout Troop 15, must register Monday night, March 19 at 7 o'clok at the Boy Scout cabin, according to Rev. W. R. Raborn, director. There will be a registration fee of 50 cents.**



**LOOK THIS WAY BOYS**—These two interested gentlemen are Maurice King and Bob Coatney. Maurice is pointing out the controls of a new gas heating unit that will be installed in Coatney's grocery as soon as the pipe line is completed, however, Bob seems to be more interested in the fan. He must have liked what he saw since he purchased the unit.—The Carlisle Mercury photo.
