Concord Homemakers

The home of Mrs. Walter Hudgeons was the meeting place of the Concord homemakers this month. The lesson of setting up the pattern for hooked rugs was given by Mrs. Eugene Neal, and assistance in setting up the patterns of the rugs for two members was started.

The devotional was given by Mrs. J. A. Alexander and the recreation was in charge of Mrs. Nora Hamilton. Mrs. Cecil Rogers, reading chairman, conducted a quiz on National Homemaker Club personalities.

There were nine members present and five guests. A collection of "Pennies for Freedom" was taken up at the meeting. Members and guests were served a delicious salad course by Mrs. Hudgeons.

The next meeting of the club will be announced later.

kick for the extra point was blocked.

Final Tally

Georgetown's final touchdown came on a 47-yard end run by halfback Covington. The kick for the extra point was no good.

The game ended with Georgetown having possession of the ball on the Musketeer 10-yard-line.

Starting for Carlisle were Gilley and Hughes, ends; Shepherd and Kelly, tackles; Carter and Bussell, guards; and Flora, center. Billy Clark started at quarterback, Benny Donovan and Bobby McFarland at the halfbacks, and Kimball Booth at fullback. Substitutes were Cameron, Hunt, Kash and Dayton.

Mrs. Harry Burgess has returned from a visit with her son, Frankie Burgess, and family, in Frankfort.

Approximately 600 People Attend Annual PTA Hallowe'en Carnival

The annual Carlisle city school PTA Hallowe'en Carnival was held Tuesday night at the Carlisle Armory and was a huge success, according to local PTA officers.

Five hundred and seventy-five people paid admission to the carnival which began with a chili supper. The annual costume parade was held following the supper and prizes were awarded to the various winners.

Those who were named as winners and their classes were: seven years old and under—Suzy Duncan, the funniest dressed; Martha Margan Anderson, most original; Linda Power, ugliest dressed.

In the eight-year-old through the sixth grade level, Maxine Dotson won the funniest dressed; Wanda Alexander won the most original, and J. Bassett Barton won the ugliest dressed.

In the seventh grade and up class, including adults, Mary Catherine Allison and Wanda Lawrence were the funniest dressed; Mr. and Mrs. Clyde Mann and daughter, Janis, won the most original and Mrs. Mary Lizzie Clay, Mrs. Revel Vice and Harmon Ritchie won the ugliest dressed.

The PTA reported that they raised about $270 on the carnival.

The "surprise" box auction that followed the costume parade was well attended and brought several laughs from the crowd when people opened their boxes to find their surprises.

Mrs. Dan Wells bought a shoeshine and haircut at Matthew Campbell's barber shop, and Mr. H. C. Galbraith, local service station owner, and automobile dealer, bought an engine gear with from Turnk Stone's service station.

Charles Cox, local attorney, acted as auctioneer.

The PTA said that they wished to thank all those who donated boxes or helped in any way to make the occasion a success.

INJURES EYE

Mr. Eddie Barber, Carlisle, suffered an injury Saturday when a piece of the head of a nail he was driving flew off and struck him in the eye, breaking his glasses. The broken glass entered his right eye and caused him some pain. The glass was extracted by Dr. T. P. Scott and Mr. Barber was sent to Paris to get the advice of an eye specialist about the injury.

Joe T. Gastright Files $50,000 Suit

Joe T. Gastright, unsuccessful Democratic candidate for secretary of state and former Carlisle heating contractor, filed a $50,000 damage suit against three doctors and his brother, Frank A. Gastright, last Saturday in Covington for having him put in a mental institution July 26.

Gastright, who lost a total of 36,000 votes in the primary was released from the Eastern State hospital September 6.

Gastright reported that the doctors whom he accused of judging him of unsound mind, talked to him for only two minutes before reporting that it was not safe to bring him into a court room.

He said that his brother falsely and maliciously persuaded his wife to accuse him of unsound mind in a petition filed in Campbell Circuit Court.

He charged that he was committed to the institute without benefit of a jury and that he was greatly humiliated and held in scorn and that his business as a heating contractor had been destroyed.

He was adjudged sane by a Campbell circuit jury Friday.

MOVING TO MT. STERLING

Muskies Upset Versailles To Close '51 Grid Season

The Carlisle Musketeers hit on all eight cylinders Friday night to juggernaut their way to a 20-19 victory over the Versailles Yellow Jackets. The game was played before a large attendance crowd at the local athletic field.

The Muskies grabbed a quick lead and then traded punch for punch with the brawny Yellow Jackets the remainder of the night to come out with the victory.

For the Muskies it was a team victory. Everyone who performed for the Green and White Friday night played an excellent game. The running of Kimball Booth was a great impressive feature and he was ably supplemented by Benny Donovan, Jim Hughes and Bob McFarland.

The Musketeers, playing without the services of their first-string quarterback, Brooks Pitman, found a new field general in sophomore Billy Clark. Clark mixed his plays well and kept the Yellow Jacket defenders off balance throughout the contest.

Kelly Sparkles On Defense

Outstanding on defense was Eugene Kelly, who broke through the Versailles defense twice to stop extra point trys and insure the victory for the locals. Also playing a bang-up game on defense were co-captains Gary Flora and Jim Hughes, Billy Gilley, Estill Hunt and linebackers Kimball Booth and Benny Donovan.

On offense in the line it was Bussell, Shepherd, Carter and Hughes who opened gaping holes in the Versailles forward wall to let the fleet Muskie backs rip off nice gains.

Clark To Donovan—TD

Carlisle scored before the crowd had settled to their seats. Bob McFarland returned the Versailles opening kickoff to the Carlisle 40. From here, Billy Clark dropped back and shot a 10-yard pass to Benny Donovan who raced past the bewildered Yellow Jackets for the touchdown. Jim Hughes, running temporarily at fullback, cracked the line for the extra point putting the Muskies ahead 7-0.

The Yellow Jackets bounced right back. Returning the kickoff to their 30, they racked up a first down on the Musketeer 43, from where Joe Gormley went around end 14 yards for the touchdown. Kelly dropped Versailles star Zane Jenkins before he could add the PAT.

Carlisle, returning the kickoff to the 28, were pushed back for their 13 by a 15-yard penalty. Kimball Booth went 3 yards around left end to register a first down on the Muskie 44 but here Versailles intercepted a Muskie pass to stop the drive.

Booth And Flora Block Kick

The Green and White held for downs and on an attempted kick, Kimball Booth and Flora rushed through to block it and then fell on the ball, giving it to the Muskieteers on the Versailles 25.

The Muskies drove to the Versailles 6 but here the Yellow Jackets held and took over the ball on downs.

After Donovan and Flora stopped Jenkins for a loss yard the Jackets kicked out to their 45.

In five plays the Muskies went 45 yards for their second touchdown to the game. Booth picked up 14 yards, then nine and then four, to place the ball on the Versailles 18. Donovan made 12 yards and a first down on the Versailles six. Here the Jackets were penalized to the two, and Donovan went over left guard for the touchdown. Booth added the extra point on a line plunge, giving the Musketeers a 14-6 lead.

The Muskies were stopped on one more scoring threat before the half ended. Versailles returned the kickoff to their 25 where they fumbled and Kimball Booth recovered for the locals.

Carlisle drove to the Versailles 10-yard-line, but here time ran out and the half ended before they could score.

Versailles scored almost immediately after the second half opened. They returned the kick off to the 40 and then picked up a first down on the Carlisle 40. From here Zane Jenkins went around end for 40 yards and the TD. A pass from Newton to Richards cut the Muskie lead to 14-13.

Booth Scores

Booth took things in his own hands for the Musketeers after this as the Musketeers swept 60 yards for their final touchdown of the night.

The ball was placed on the Carlisle 40 after the kickoff went out-of-bounds and here the Muskies put it into play. On the first try, Booth went 35 yards to the Jackets 25 and a first down. Arlington Clark made two on a quarterback sneak, Booth on three running plays moved the ball to the Versailles 13 for another first down.

Donovan gained two over right tackle and then Booth scored on an end run. Donovan was stopped on a line plunge to bring the score to 20-13.

Kelley Saves Victory

Versailles quickly retaliated and scored on a 30-yard pass from Newton to Lemly. On the all-important try for the extra point, big Gene Kelly crashed through to stop the line play for the extra point and insure the Muskies their final margin of victory.

The ball exchanged hands after the kickoff with Versailles finally putting the Muskies in a hole on a kick that rolled dead on the Carlisle four-yard-line. From here, Booth moved the Muskies out of danger as he raced the ball out to the Carlisle 36. The game ended a couple of plays later.

The season record for the Muskies is as follows.

Carlisle 19, Cynthiana 18.
Carlisle 13, Paris 6.
Carlisle 7, Stanford 6.
Carlisle 7, Hazard 26.
Carlisle 22, Lancaster 0.
Carlisle 7, Nicholasville 13.
Carlisle 0, Georgetown 32.
Carlisle 20, Versailles 19.

Season Scoring Record

	TD	PAT	T
Booth	8	2	50
Donovan	4	5	29
Pitman	1	0	6
Kelly	1	0	6
Gilley	0	1	1
Hughes	0	1	1

*Hughes tackled a Lancaster back in the end zone for safety (2 points) in Lancaster game. Points scored in season, Carlisle 95, Opponents, 110.

Stolen Car Wrecked Late Saturday Night

A stolen car was wrecked at the intersection of highways 36 and 68 Saturday night about 10 o'clock and Sheriff John Clinkenbeard arrested Claude Godby on the charge of stealing a car.

Godby suffered a broken collarbone in the mishap and was taken to the Nicholas County hospital where he was released after treatment

Godby was lodged in the county jail awaiting the arrival of agents of the Federal Bureau of Investigation. He gave his address as Columbus, Ohio.

The Bill of Sale found in the car listed it as belonging to Mrs. Sella Hillard of Columbus.

Godby's preliminary trial was arranged for Wednesday afternoon.

Large Crowd Attends Closing Revival Service

The largest crowd in many years attended the Christian Church Rally Day Sunday, when an estimated 500 people attended.

Following the closing of a two week's revival. Thirty-four members were added to the church by confession and membership.

The minister, Rev. J. J. Whitehouse, was the evangelist and he was assisted by Rev. and Mrs. J. Scott Smith of Newman, Ill., who were in charge of the music, and acted as Bible instructors.

Mrs. Smith gave several religious dramas.

Groups from Lexington, Paris, North Middletown, Grayson, Little Rock, Georgetown, Elizaville, and surrounding areas and in Nicholas county, were in evidence many nights.

Clothing Recovered In Sunday Robbery

Clothing valued around $200 which was stolen from the home of Mr. and Mrs. Jesse T. Earlywine of the Lower Jacktown road Sunday was recovered the same afternoon apparently dumped alongside the Concord road.

Mrs. Walter Crawford discovered the clothes and notified officers.

The Earlywine home was burglarized for the second time in six months last Sunday when thieves broke the front door lock and walked in in broad daylight. Mr. and Mrs. Earlywine and family were away at the time.

The robbery, which took place some time between 10 and 2 o'clock Sunday, was discovered by Mr. Earlywine upon his arrival home.

The stolen items consisted of nine dresses, a blue pin stripe suit and two or three pairs of pants.

The Earlywine farm was robbed in April when over $500 worth of meats, household appliances, clothes and other items were taken. They have not yet been recovered.

Sheriff John Clinkenbeard, Deputy Sheriff Milton Fryman and State Trooper Frances Taylor are investigating the incident.

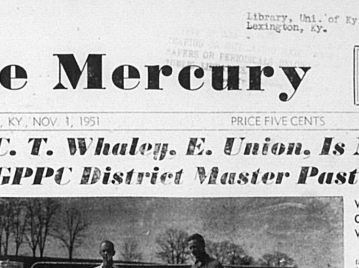
AUXILIARY TO MEET

The American Legion Auxiliary Post 17, Carlisle, met at 7:30 o'clock in the local clubrooms Thursday night. All members are urged to attend as there will be a guest speaker from Flemingsburg. Refreshments will be served.

BARN BURNS

A barn, located in the Walnut Grove section, was reported to have burned with all its contents—hay, tobacco, and machinery, Sunday night about nine o'clock.

C. T. Whaley, E. Union, Is Named GPPC District Master Pastureman



THREE MEN WHO FIGURED PROMINENTLY —in Mr. Charles Whaley's being named District Master Pastureman are, in the usual order, Ed Sandifer, SCS technician for Nicholas county, Fred, son of Mr. Whaley, and the District Master Pasture [illegible] himself. Mr. Charles Whaley, [illegible] in what was his tobacco field this past season. You can't tell it's a pasture before long!—ICM Photos.

Mr. Whaley, E. Union farmer, was named the District Master Pastureman by the Kentucky Green Pastures Program Committee, last week.

Mr. Whaley won the award for having the outstanding pasture program in this district which includes Bracken, Robertson, Mason, Fleming, Bath, Montgomery, and Nicholas counties.

Mr. Whaley, a former vice president of the Nicholas County Farm Bureau and at present a supervisor of the Nicholas County Soil Conservation Service, began improving his farm of 148-acres soon after its purchase in 1940.

Last year he was awarded a Master Conservation's award for good soil conservation practices on his farm.

Mr. Whaley is making his pastures pay by grazing one unit or better per acre. He has about 18 Hereford steers and about 50 head of sheep.

He has seeded his pastures with ladino clover, red clover, korean clover, and fescue in order to get a good mixture of grasses and legumes.

Watering for the stock comes from four stock water ponds, some of which were built by Mr. Whaley, one creek and a concrete watering trough.

Good soil conservation practices on his farm probably helped Mr. Whaley immensely in winning the award. Being a supervisor of the soil conservation district, Mr. Whaley is up on all conservation practices and doesn't hesitate to put them in use.

Last year by contour cultivation of tobacco, Mr. Whaley's tobacco weighed almost 2000 pounds and brought about $60 per hundred.

In putting most of his land in pasture and not corn, Mr. Whaley says that he saves money, time and labor. Practically all of the work on the farm is done by Mr. Whaley and his son, Fred.

Mr. Whaley will receive the District Master Pastureman's plaque at the Kentucky Farm-Home Week at the University of Kentucky in January or it may be presented to him when the Rotary Club holds its Farm Night. The plaque is bronze on dark mahogany, pear-shaped, and carries a five-inch casting of the Kentucky Green Pastures Program emblem, plus an engraved name plate.

Whaley Wins Award Over Seven Counties; Will Receive Plaque

Charles T. Whaley, East Union farmer, was named the District Master Pastureman by the Kentucky Green Pastures Program Committee, last week.

William T. Straw Gets Agent Award At Convention

William T. Straw, County Agricultural Agent for Nicholas County, was awarded the Distinguished Service Award by the National Association—County—Agricultural Agents at its 36th annual convention held in Memphis, October 27-November 1.

The awarding of the Distinguished Service certificates was a feature of the banquet program Tuesday evening, October 31.

Nominations for the Distinguished Service Award are made by State or Regional County Agent Associations which are affiliated with the National Association. Final approval on all nominations is given by the National Association Committee. State Associations are limited in their nominations to 3% of their membership in any one year.

To be eligible the nominee should have served a total of ten years as a county agent or assistant county agent. Mr. Straw has served 16 years as a county agricultural agent. He shall have worked out and put into effect a county agricultural program which includes carrying to completion some constructive and outstanding work.

County agents who are nominated must be actively interested in the improvement of the profession of county agricultural agents. He should participate in the affairs of his local association and constructively support its program. Another qualification is that the nominee shall have pursued some definite means to improve his ability to do the job as County Agent.

Eleven Awarded Green Hand Degree

The Nicholas County F.F.A. held chapter farmer initiation ceremonies Wednesday, October 24, in the Agriculture room at Headquarters.

President Joe Blount presided. Twenty nine members were present.

The following Green Hands were raised to the Chapter Farmer Degree: Kenneth Baker, Bobby Bowles, Kenneth Hardwick, B. F. Howard, William Earl Hubbard, Donald Porter, Charles Rose, Wayne Spegal, Garner Ritchie, Billy Scott and Norman Sivers.

This is the highest grade of membership that can be conferred by a local chapter. To qualify for it a Green Hand must have satisfactorily completed at least one year of instruction in vocational agriculture, have in operation an improved supervised farming program, and be regularly enrolled in a vocational agriculture class.

He must be familiar with parliamentary procedure and be able to lead a group discussion for fifteen minutes. He must receive a majority vote of the members present at a regular local chapter meeting.

Plans are being made for a Green Hand initiation Wednesday, November 7. There are 36 candidates for this degree which will raise the membership of the Nicholas County FFA to 65 members.
