Muskies Open Basketball Practice; Only Three Lettermen Returning

Coach Tebay Rose's Carlisle Musketeers opened practice for the 1951-52 basketball campaign Monday with about 30 aspirants reporting.

Rose cut his squad immediately to 16 members in order to concentrate on his opening game three weeks away.

Three lettermen return from last year's squad and all appear headed for a starting berth. Jimmy Shepherd, tall pivotman, will most likely take over the center duties, while the other two lettermen, Kimball Booth and Billy Clark, will probably supply speed.

Rose is trying a new defense which he says he plans to use all year. Something new, it might be classified as an all-court zone. Three teams were trying the new defense Tuesday afternoon.

Those on the squad besides the three lettermen are Gary Elder, Billy Storey, Eugene Kelly, Benny Donovan, Larry Cornett, Bob McFarland, Billy Gillen, Billy Tolliver, Gilbert Logan, Charles Carter, Jim Hughes, Bobby Anderson and "Red" Dayton.

Blue Jacket Coach Shows Optimism Over Opening Game

Coach Charles Finnell was optimistic Wednesday over the Nicholas County Blue Jackets opening game with Sharpsburg Tuesday.

Coach Finnell said that his boys had been showing a "good attitude in practice, appeared to be in good shape," and that he was "well satisfied" with the way the team seemed to be coming along.

He refused to single out any individual player as looking better than others during practice and stated that the team as a whole was looking good.

Ten men will dress for the Sharpsburg game Tuesday. Finnell was undecided on the starting five for the contest and stated that probably he would use several combinations Tuesday night.

Those who will form the Blue and White into Tuesday night's game are Donnie Gaunce, Phil Hillock, Marvin Fryman, and Joe Blount, guards; Harvey Wilson, Johnny Fryman, Ward Shannon and Bill Hubbard, forwards; and Edgar Boyd and Tommy Grimes, centers.

The game will be preceded by a B-team contest to start at 7 p. m. The headliner should start around eight o'clock. The game will be played at Headquarters.

Local Girl Hurt In Sunday Wreck

Norma Ann Harris, 14, is still in critical condition Wednesday at the Nicholas County hospital as the result of injuries received in an automobile accident Sunday night.

The accident occurred north of Cowan on Ky. 32 when the car in which she and three other youths were riding left the road and hurtled down a steep embankment.

Miss Harris received a fracture of the shoulder and wrist and a deep head cut. She regained consciousness and was somewhat improved Wednesday.

Cold Weather, Heavy Rain, Keep Many Voters Away From Polls; Only 1657 Ballots Cast

Governor Lawrence Wetherby appeared Wednesday to have retained the governor's chair for the next four years, and his Democratic slate also appeared to be in office by a large majority.

Early returns gave Wetherby a commanding lead and the lead grew as the day progressed with Republican gubernatorial candidate Eugene Siler putting up a strong fight in the ninth district only.

In Nicholas county, voters gave Wetherby a 610-vote majority over Siler as cold weather and a heavy rain played a large part in a light vote of only 1657 total ballots.

Wetherby's total in this county was 1112, while Siler polled 502. Wetherby carried all but one precinct of the 18 in this county. Surprisingly, usually a Republican stronghold, gave Siler a margin of 65 to 24.

The proposed amendment to the constitution suffered a decisive defeat in Nicholas county as it did elsewhere in the state. There were 618 votes against the amendment and only 397 approved it.

In the city ticket, which ran without opposition, all councilmen were re-elected with only a few votes to spare. Mr. William Harper received a total of 152 votes, Tommy Johnson received 146, Jim Gaunce received 139, Joe Scott received 136, W. R. Buntin Sr. received 140, and George Gaffin received 144.

Write-in ballots included the names of W. T. Straw, Bob Coutney, H. C. Galbraith, Rolla Cavanaugh, Frank Simons, W. R. Buntin Jr., Ralph Shearer and Maurice King.

In the city building precinct in the race for city councilmen, not a single vote was cast for the city ticket. There were 100 votes cast for the gubernatorial race in that precinct.
