Donnie Gaunce Leads Blue Jackets To Win Over Deming And Harrison

Donnie Gaunce scored on a driving layup shot in the last ten seconds Friday night to give the Nicholas County Blue Jackets a 52-51 edge over a strong Mt. Olivet Deming five.

In the nip-and-tuck affair played at Headquarters the outcome was in doubt until the final seconds. Nicholas County led most of the way but the Deming five tied the count at 45-45 with 6 minutes left in the ball game and then went ahead at 51-50 until Gaunce's two-pointer broke up the hotly contested battle.

Gaunce, who scored 25 points for the night, was matched in his scoring by diminutive Deming guard, McDowell, who also scored the hoop for 25.

Nicholas County gained an early lead with Hillock scoring 4 baskets. Hillock leading the way. Gaunce and Wilson netted seven points each in the first quarter while Hillock hit for four. Deming stayed on the heels of the Jackets to trail by two points, 18-16 at the end of the first quarter.

Donnie Gaunce increased the Blue Jacket lead to 30-24 at half-time as he netted ten points and Boyd added two, while holding Mt. Olivet to eight.

SCHEDULE CHANGE

The next game for the Blue Jackets will be with Bourbon Vocational in Paris on Friday, November 23. This game was originally scheduled to be played at home, but was changed after the schedule was printed. The second encounter with Bourbon Vocational, set for February 1, will be played here instead of in Paris.

Mt. Olivet began to back away at the intermission with the third frame. Led by McDowell, the Deming five moved to within two points of the Jackets at 41-39 as the game went into the final frantic minutes.

Deming tied the score at 45-all and then went ahead on a field goal by Gill. Fyman knotted the count with a two pointer then Fry gave the lead back to Deming with a field goal. Gaunce knotted the count at 49-49 with a crip and then McDowell plunked in two points to give the Mt. Olivet five a 51-49 lead.

Fryman cut the lead to one point as he hit a free toss, and Gaunce then put Wilson in the game with about two minutes left. They brought possession of the ball until the final ten seconds when Gaunce intercepted an out-of-bounds pass and went in for the winning score.

Scoring: NCHS—Wilson, 9, F; Fryman, 10, F; Boyd, 5, C; Gaunce, 25, G; Hillock, 5, G; Deming—Jett, 5, F; Gill, 6, F; Graves, 11, C; Henson, 4, G; McDowell, 25, G.

Substitutions: Deming — Case. The Nicholas County Blue Jackets stretched their winning streak to three games Tuesday night as they downed Harrison County 55-49 in the Harrison County gym in Cynthiana.

Led by pacemaker Donnie Gaunce the Blue Jackets dominated the play throughout to outscore the ranger Harrison Countians.

Jumping out to a 10-2 lead in the first quarter, the Jackets pulled away to a 14-point frame for lead at the half 35-26. Harrison County pulled to within three points at 41-40 as the third quarter ended, but the Jackets shook off this rally to pull away, 55-49.

The scoring: Nicholas County—Wilson 9, Fryman 9, Bond 7, Hillock 8, Gaunce 19, Blount 2, Grimes 2, Shannon 0. Harrison County—Pope 7, Hubbard 1, Curt 13, Harp 0, Williams 20, McNeece 2, Florence 1, Walker 0, Van Hook 1, Courtney 4

POW'S Urged To File Claims

The War Claims Commission announced this week that all ex prisoners of World War II who have not yet filed a claim for benefits under the War Claims Act of 1948, as amended, should do so immediately.

It was pointed out by the Commission that while Public Law 16, 82nd Congress, of last April extended the terminal date for filing claims with the Commission to March 31, 1952, the Commission hopes to have all American ex-POW claims settled by the end of this year.

This of course cannot be accomplished unless all claims in this category are filed in the immediate future.

Survivors May File Claims

The Chairman of the Commission, Daniel F. Cleary, expressed his opinion that in addition to some living ex-POWs, a number of survivors of the prisoners who are eligible for the benefits have not yet filed claims.

Widows, children, and parents of the deceased POWs, in that order, are eligible for benefits under the War Claims Act.

The benefits available to American POWs or their survivors under present law are $1 for each day the POW was interned by the enemy and were provided with the amount and quality of food required under the Geneva Convention of 1929 relating to the treatment of prisoners of war.

Claim forms may be obtained directly from the War Claims Commission, Washington 25, D. C., or through veterans organizations, Statue Directors of Veterans Affairs, and the American Red Cross.

House At Myers Destroyed By Fire

A house belonging to Mrs. Willie Swartz at Myers Station was completely destroyed by fire Tuesday morning about 10 p. m.

Mr. and Mrs. Wood Shrout, who were living in the home, were not in the house when the fire occurred, but it was believed that an overheated flue caused the conflagration.

Mrs. Shrout was across the road at the postoffice talking to Mrs. Ethel Mae Myers. Swart looked out the window and saw the blaze.

Friends and neighbors quickly arrived at the scene and saved a few of the household articles. The intense heat soon forced them to retire to a safe distance.

The city fire department arrived at the scene too late to be of any help in saving the frame house but did poor water on a smoke house nearby to prevent the flames from catching to it.

The house was partially covered by insurance.

TURNIP CHAMPION

Turnips grown in Nicholas county this past season would put "Dogpatch" turnips to shame, if the the ones we hold seen exhibited around town are any indication of the average size. We saw Mr. R. W. Neal with a turnip that weighed over four pounds several weeks ago. "Sodie" Shrout had one in his store that approached astronomical size. Allie Clinkenbeard brought one into the office last week that was rather heavy and we thought he had seen it all. However, Dallas Gaunce of the Saltwell section brought the "Granddaddy of 'em all" into this office Friday morning. It topped the ones we had seen previously by a wide margin and Mr. Gaunce told us that it weighed about six and one-quarter pounds. We'll adjudge Mr. Gaunce the turnip growing winner of Nicholas county until somebody comes along with a bigger one!
