Tobacco Stalk Fertilizer

The following suggestions on using tobacco stalks as fertilizer is made by the U.K. College of Agriculture and Home Economics:

Keep tobacco stalks under cover, use them for bedding or spread them immediately on a growing crop. Tobacco stalks contain approximately 60 pounds of nitrogen, 15 pounds of phosphoric acid, and 65 pounds of potash per ton. Most of these fertilizer elements are lost if the stalks are exposed to the rain.

To lessen the danger of spreading disease, stalks should be spread on land that is to go in tobacco.

'Stick Of Tobacco' Urgently Needed To Aid Hospital

"One stick of tobacco per farmer—landlord and tenant" was requested Wednesday afternoon in an urgent appeal by the Nicholas County Fiscal court and the Nicholas County hospital board of directors.

Spokesmen for the two organizations stated that the Nicholas County hospital had reached a financial crisis and was probably facing the most crucial moments in the existence of the two-year-old institution.

The board of directors of the hospital and local civic members said that all surplus expendable funds of the county have been spent in the past 12 months toward bolstering the financial structure of the hospital.

Now that the surplus is exhausted, the two organizations are asking all farmers to donate only "one stick of tobacco," to create an emergency fund. The fiscal court representative stated that the Nicholas County Road Department trucks would begin calling on each individual home in Nicholas county Monday morning to collect the tobacco sticks.

The trucks will continue their collection until each individual is reached. All farmers are urgently requested to help in this concentrated movement to aid the hospital.

More details will be announced later.

VFW Schedules Local Talent Show

Rehearsals are now under way for "Going Places," the local talent show being sponsored by the local VFW post.

The play will be held in the Headquarters gymnasium Thursday and Saturday nights, Dec. 6 and 8.

The play is under the personal direction of Mrs. Nelson Hall, drama director, who has had experience in radio, TV, and Little Theatre.

The play concerns itself with the lead characters who is going to retire as station master at a depot after forty years of service. The scenes and sequences are a review of the interesting situations he has come upon while pursuing his occupation.

Local talent will be used in the play, which is reported to have pleased audiences in other towns where it was staged.

INJURED IN FALL

Musketeers Cop Season Opener By Beating Georgetown, 49-46

In a hotly contested battle Tuesday night on the local court the Carlisle Musketeers opened their 1951-52 season with a 49-46 CKC win over the Georgetown Buffaloes.

Using a new type defense with a tough and rugged fast break offense the Muskies were able to pull away to win in the last half after the lead changed hands ten times in the first two quarters.

Gary Flora led the attack, for the Green and White with 13 points, while Cottrell with 14, and Traylor with 13 were high for the Buffaloes.

Mitchell opened the scoring with a field goal for the Buffaloes and Georgetown sparted ahead at 6-3 until Flora tied the game with a crip and free toss. With Clark, Booth, and Tolliver leading the way the first quarter ended in a 13-13 deadlock.

Lead At Half

In the second frame the game see-sawed back and forth until Booth put the locals' out in front 26-24 with a crip shot as the half ended.

Donovan and Flora moved the Muskies into a 34-29 lead midway in the third quarter but the Buffaloes moved back into the game at 39-37 as the quarter closed.

Buffaloes Narrow Margin

Flora and Clark pushed Carlisle into a 44-40 lead with three minutes left in the game, but the Buffaloes narrowed the margin to 45-44 with two minutes and five seconds left. Clark dropped in a crip and a free throw, and Booth hit a free toss, while holding Georgetown to two points, to win the contest.

Scoring: CHS—Clark 10; Booth 10; Donovan 9; Flora 13; Tolliver 5; Shepherd 2; McFarland, GHS—Eades 5; Mitchell 8; Traylor 13; Cottrell 14; Covington 2; Ferguson 2; Johnson 2.

The Musketeers will play Paris here Friday night and will meet Cynthiana here Tuesday night. Both are CKC games.

Community X-mas Trees Planted; Query? Who Will Be Decorators

The Nicholas County Homemakers Association, as part of their citizenship program and possibly as part of their Christmas spirit, have set two Christmas trees out on the court house lawn.

The idea behind the project, according to the homemakers, was to provide for two community Christmas trees. So, calling on a man with a strong back and an uncanny knowledge of the soil and outdoor life, they summoned Bill Straw to plant the trees.

Mr. Straw, in his usual quietly manner, agreed to set the Douglas firs, and did so last week.

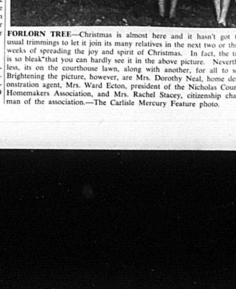
Now comes the problem. Who will decorate the trees? Mrs. Dorothy Neal, home demonstration agents, acting as a spokesman for Homemaker Association, reported this week that that was the mystery!

She stated that the association had not planned on decorating the trees, but would leave them in plain sight on the front lawn of the court house for all to see in hopes that some civic minded individual or organization would perform the ceremony.

Which individual or club has the most Christmas spirit?—Only time and two trees on the court house lawn will tell.

POST TO MEET

There will be a regular meeting of Nicholas Post No. 17, American Legion at the Legion Hall at 7:30 p. m. Saturday Dec. 1, according to a notice issued by John D. Power, commander.



FORLORN TREE—Christmas is almost here and it hasn't got the usual trimmings to let it join its many relatives in the next two or three weeks of spreading the joy and spirit of Christmas. In fact, the tree is so bleak"that you can hardly see it in the above picture. Nevertheless, its on the courthouse lawn, along with another, for all to see. Brightening the picture, however, are Mrs. Dorothy Neal, home demonstration agent, Mrs. Ward Ecton, president of the Nicholas County Homemakers Association, and Mrs. Rachel Stacey, citizenship chairman of the association.—The Carlisle Mercury Feature photo.

Carlisle High Band To Present Concert

The Carlisle high school band and glee club will present a combined concert in the high school auditorium, Monday evening, December 17, at 7:30.

A variety of selections will be presented by solos, quartets, trios and larger groups.

This will be the first public appearance of the newly organized CHS band under the direction of Carroll Gene Hall. Vocal numbers will be under the direction of Mrs. J. M. Pitman and Mrs. Cleary Fightmaster.

Circuit Court To Open Monday

The special December term of the Nicholas County Circuit Court will open Monday with four criminal cases and seven civil cases on the docket.

A case which should draw attention in this term of court is the trial of Brooks Bussell, charged with illegal possession of liquor and under his third indictment on the charge.

A case that resulted in a hung jury during the May term will be tried Monday. Earl Mastin, charged with arson, had his case held over last May when the original trial resulted in a hung jury.

Other trials on the criminal docket are the Commonwealth vs. Cecil Marshall, and the Commonwealth vs. Grover Selby.

The schedule of trials is as follows:

December 3 — Commonwealth vs. Cecil Marshall; Commonwealth vs. Earl Mastin; Commonwealth vs. Brooks Bussell.

December 4 — Commonwealth vs. Grover Selby.

Civil Suits

December 5—Rice Bros. vs William Ritchie; Eli Westfall vs. Spencer Gaunce.

December 7—James B. Hann vs. J. W. Woodall Sr.; Sam Smoot vs. Robert Planck.

December 10—R. S. George vs. Cleary Fightmaster; Hesco Corp vs. Joseph Gastright, D.B.A.

December 11—Anna D. Crockett vs. Fritz Time.

The same petit jurors that served during the October term will serve at this session. The special session was called in October by Judge A. H. Barker.

MRS. DORSEY ILL

Mrs. E. O. Dorsey is reported very ill at her home in Sarasota, Fla., following a second stroke of paralysis on Friday.

Chest Campaign Opens Monday; $2500 Goal Set

The Nicholas County Community Chest campaign will open Monday, with a kickoff meeting of the city solicitors and workers in the Methodist church annex at 8:30 a. m.

The goal set this year is $2500, to be used for funds for agencies in Carlisle and Nicholas county.

Solicitation in Carlisle will be made from door-to-door while letters have been sent out to Nicholas countains asking them to contribute.

The drive will last a week, according to Dr. G. T. Cowan, chairman of the local campaign.

Those agencies to receive a share of the funds are the county penny lunch, city penny lunch, crippled children, hospital, recreation fund, USO, Boy Scouts, Girl Scouts, Blue Grass Council, emergency relief and general expense.

One new agency, the USO has been added to this year's list of agencies and the hearing and fund has been dropped.

Burley Sales High On Opening Date

Burley tobacco sales opened Tuesday in Kentucky with a statewide average of $54.09 on 27 of the state's tobacco markets.

At Cynthiana, opening day sales averaged $57.44 for one of the highest averages in the state. A total of 536,466 pounds were sold on the Cynthiana markets.

At Paris the average was $55.39, a dollar and thirty cents above the statewide average. Mt. Sterling averaged $52.05 with 273,214 pounds being sold, and Winchester sold 297,086 pounds with an average of $54.07. Lexington's opening day average was $53.72.

Higher Prices Listed

Some of the higher prices received on the Paris market went to several Nicholas county tobacconists. They were J. T. Jolly and Franklin, 288 pounds at $64.72; Ray Scott, 2186 pounds at $59.79; J. Tedder and J. Hawkins, 930 pounds at $57.87; Billy Lawson, 1666 pounds at $58.43; Clifton Fryman, 2408 pounds at $57.04; T. E. Jackson and Mason Miller, 2696 pounds at $58.24; Albert Gray, 2298 at $65.16. All were sold in crop lots.

On the Cynthiana market, among the higher priced leaf were Clay brothers, of this county, with 3808 pounds at $64.05 and Everett Snapp, Nicholas, 2950 pounds at $65.52.

Marketing of the 1951 Burley Tobacco Crop began on Tuesday, Nov. 27, the earliest opening on record. Deliveries to the warehouses have been heavy with all expecting to be filled to capacity. Auctions began on Nov. 30 last year.

The current crop as of November 1 was estimated at 580,940,000 pound by the U. S. Crop Reporting Board. According to the Federal-State Market News Service, producers' sales last season totaled 495.4 million pounds. These sales averaged $49.05 per hundred, an all time high. This year's crop if harvested will be one the largest ever grown, surpassed only by those of 1944, 1946 and 1948. Average yield per acre was indicated as 1253 pounds compared with 1210 last year.

Price-Support Level 49.8

Commodity Credit Corporation average price-support levels for the 1951 crop are based on 49.8 cents per pound. This is 90 percent of the October 1 parity price. Last year the loan rate average was 45.7 cents per pound. Deliveries of the 1950 crop to the Association under the Government loan program were 44.2 million pounds. Loan rates by grades this year range from $16 per hundred pounds for best crude undercutter to $70 for choice buff logs. The rates on all grades were raised $1 to $8 over last year. Most were increased $2 to $5. No support will be made on grades carrying "W" (unsafe order), "U" (unsound), "Dam" (Damaged), "NK", and poorest nondescript.

Quality Varies

The quality of the crop varies over the area depending on local weather conditions. Some sections experienced extremely dry weather during the growing season. The curing season was excellent generally, however, the cold spell early in November caused some freezing in the barns.

1260 Baskets Daily

Regulations as adopted by the Burley Sales Committee again allow the markets the option of operating on a basket or poundage basis at the beginning of the season. Markets operating on a basket basis shall sell no more than 1260 baskets per day per set of buyers. Those operating on a poundage basis shall sell no more than 259,200 pounds a day per set of buyers. The rate of sales

Emery Clark Hurt In Cat-Vol Contest

Emery Clark Jr., senior halfback on the University of Kentucky football team, suffered a slight brain concussion during the Kentucky-Tennessee game in Lexington Saturday afternoon.

Young Clark received the injury in the opening minutes of the game, and although he continued playing until the first half ended, he was unable to remember what happened during that time.

He was taken to the University infirmary at half time, where he received treatment.

He was in Carlisle Sunday afternoon but felt bad, and was taken back to Lexington where he reentered the infirmary.

The condition was not reported as serious, although it was said to be very painful.

Young Clark turned in a very creditable performance both before and after he was injured.

John Henry Sundys Dies Wednesday Night

John Henry Sundys, 91, a well-known Nicholas county farmer, and lifelong resident of Nicholas county, died at 7:20 p. m. Wednesday night at the Nicholas County hospital.

Mr. Sundys suffered a stroke of paralysis Wednesday morning at his home on the Hickory Ridge road, north of Carlisle, and was taken to the hospital.

He is survived by two sons, Kendrick and David Sundys, both of Nicholas county.

Funeral arrangements have not been completed.
