Citizens of Tomorrow

THIS NEWSPAPER

To Publish Pictures of

LOCAL CHILDREN

● Pictures of the children of this community are to be published in this newspaper as a special tribute to our Young Citizens of Tomorrow. Now the responsibility for world leading will rest heavily upon their shoulders. As Americans, they will meet those responsibilities without faltering. Among them, in the years to come will be many with fame and fortune. But, just as they are right now . . . with the dawn of a greater tomorrow in their fresh young faces . . . this newspaper wants a picture of these future professional men and women, and, who knows, perhaps a future president of our country. These pictures will be published in a forthcoming special feature. So, Mother and Dad your cooperation will be needed to help make this event a colorful and inspiring exhibit!

● Arrangements have been made with The Woltz Studios, nationally known children's photographers for newspapers, to take the pictures at the time and place given below. All you have to do is bring your children to the photographer. There is no charge or obligation. Children must be accompanied by one parent or other guardian.

● You do not have to be a subscriber to this newspaper and you do not need to purchase photographs, although you may do so if you wish. Just bring your children down and have the pictures taken. Later you will be shown proofs from which you select the pose you prefer having printed in the paper. It is as simple as that!

● You can clip those pictures from the paper, thus obtaining a treasure of childhood which will become a treasured keepsake and memory record for both you and your children.

Below is the time and place to have your pictures taken without cost!

Thirty-Three Nicholas Ponds Stocked With Blue Gill Friday

Around 600 adult blue gill fish were released into several of Nicholas county's stock-water ponds under the auspices of the State Division of Fish and Game and the local Fish-Game club Friday morning.

About 33 ponds throughout the county received the fish, averaging in size from four to five inches.

According to Harry Duncan, Nicholas county game warden who supervised the project locally, the same ponds will get seine bass in about five weeks.

In the above picture, Game Warden Harry Duncan tosses some fish into the pond, while Ed Sanders and Charles Lanhook on.

Duncan also stated that this summer the state division will release about 2000 bass in Nicholas streams.

Farmers whose ponds were stocked were John Reid, Marion Mathers, E. E. Plunkett, Emory Clark, Charles Law, Henry Livengood, R. W. Neal, Allen Rule, W. O'Neal, Raymond House, J. H. Campbell, Walter George, William Ritchie, Sparks Bros., Mary A. Bowe, Charles T. Whaley, Jake Earlywine, Roger Dunn, Elgin George, Curtis Sparks, John H. Brumagen, Newton Brothers, Amos Barr and Johnnie Moore.

Another part of the State Division of Fish and Game's program was carried out Monday afternoon when 1000 bicolor plants (quail food) were planted by the Headquarters Junior Conservation club. The plants were put on Malcolm Will's game refuge on the Gravel road.

Around 2000 multiflora rose plants were planted Wednesday afternoon by the Nicholas County Junior Conservation club on the farm of W. J. Clark near Moorefield. These plants will provide coverage for the quail, which will be released in this county this summer.

Eighteen Gridders Answer Call For CHS Spring Football Practice

Eighteen grid hopefuls turned out for spring football practice at Carlisle high school, called last week by Coach Tebay Rose.

Nine returning lettermen will form the nucleus of the 1952 Musketeer aggregation, although Coach Rose said Monday that they were going to miss such stalwarts as Center Gary Hart and Quarterback Brooks Pitman.

The backfield seems to be the bright spot in this year's lineup. Coach Rose has hard-running Kimball Booth and Benny Dunavan back to carry the punch and Billy Clark to fill the quarterback slot of the Triformation offense. All were first string men last year.

Bobby McFarland, Larry Cameron, and Reed Dayton, all lettermen last season, are battling it out for the other backfield position.

Two In Line

Returning Munkies in the line are End Billy Gilley and Tackle Eugene Kelley. Both boys played first string last year and look improved this season.

Filling in the rest of the line will be sophomores Donnie Dampier and junior David Hardin at guards, Kenneth Booth at center, Buddy Alexander at end or "Red" Dayton. The other tackle position will be between Billy Smith, a 155-pound junior first year man, or Jim McGinley, returning letterman.

Practice Through April

Coach Rose stated that he would continue spring practice through April, probably closing in early May. He said that his boys would scrimmage MMI a couple of times during this spring's practice.

Returning lettermen include Donovan, McGinley, Clark, Dayton, McFarland, Kelley, Kimball Booth, Gilley and Cameron.

Others out for practice are Jackie Wells, Archie Crawford, Ronnie King and Billy Frank Pugh.

1952 Schedule

The 1952 schedule, according to Coach Rose, is as follows: September 5, Cynthiana, away; Sept. 12, Paris, home; Sept. 19, Stanford, home; Sept. 26, open; October 3, Lancaster, away; October 10, Nicholasville, home; October 17, Georgetown, home; October 24, open.

Congressman Watts Visits In Carlisle

Congressman John Watts, representative from this district since the recent redistricting act was held valid by the Kentucky Court of Appeals, was a visitor in Carlisle Saturday afternoon.

Congressman Watts was here in the interest of his campaign for election as representative from this district in the August primary and the November general election.

He was accompanied by B. T. Moynahan Sr., acting Commissioner of Rural Highways.

Mr. Watts was appointed to the House of Representatives last year to fill the seat of Thomas Underwood who was appointed to the Senate vacancy caused by the death of Sen. Virgil Chapman.

HAWAII TRAINEES—from Carlisle are these six boys above. They are from left to right; Herbert Duncan, G. C. Myers, Alvin Roe, kneeling; Standing from left to right are Frankie Hughes, Earl Finch and Stanley Bussell. From all reports they seem to be enjoying themselves.

CANTATA POSTPONED

The annual Carlisle Easter cantata, originally scheduled for Easter Sunday afternoon has been reset for 7:30 p. m. Easter Sunday night. The postponement was made so that the members of the choir and those who wished to attend, could also attend the U. S. Navy Band concert in Lexington Easter Sunday afternoon. Tickets for the Navy Band concert are now on sale at The Mercury office. The price is $1.30 for adults and 50 cents for students.

Billy Jones To Head VFW

Billy Jones, district quartermaster of the Veterans of Foreign Wars, was elected to head the Lloyd George VFW Post 8666, for the coming year at their regular meeting Friday night.

Jones will be installed as commander at the post's annual installation banquet to be held Friday, April 11, at William's restaurant.

Mark Robinson, State Commander of the Veterans of Foreign Wars, will be the installing officer.

Other officers elected at Friday's meeting were Douglas Lowery, senior vice commander; Jim Roundtree, junior vice commander; Nathan Young Jr., quartermaster; J. Patrick Conley, post advocate; W. R. Buntin Jr., chaplain; Owens Wade, surgeon; John Hamilton, three year trustee.

Several Invited To Safety Confab

Thirty-nine persons from Nicholas county have been invited to attend the Third Annual Governor's Highway Safety Conference in Louisville April 9.

The conference, called by Governor Wetherby, will consider Kentucky's highway safety problems and make recommendations for their solution. Some 10,000 delegates have been invited.

Senator Tom Underwood and Jesse S. Lindsay will speak.

Persons invited from the county are: Mrs. Noble Gillispie, Mrs. Malcolm Wills, Myers; S. Russell Barlow, John W. Anderson, Mrs. A. V. Allison, Leonard Alexander, Cecil Alexander, Warren Fisher, Robert T. Fisher, James R. Crouch, Dr. G. T. Cowan, Lucy Clay, Paul Brannon, W. T. Straw, Ralph E. Shearer, Hamer Miller, Mrs. Ruth K. Cox, Mrs. Hazel Lincenbeard, John L. Clinkenbeard, Dan E. Wells, Spencer Taylor, Nicholasville, home; October 17, Georgetown, home; October 24, open.

Saturday Is Date For Kids' Photos

Next Saturday, April 5, is the big day for the picture taking of your youngsters. The Mercury is having pictures taken of all children who are brought by their parents or other guardian to the Bourbon Laundry between 10 a. m. and 6 p. m. absolutely free of charge.

The Woltz Studios of Des Moines, Ia., nationally known children's photographers who have taken these pictures for us in previous years will again be in charge of the photography. The Mercury wants a picture of your child to print in its forthcoming issue "Citizens of Tomorrow," a series of photographic studies of local children. The more we get the better the feature will be, so the cooperation of the mothers and fathers is urged.

It often seems to parents that children are little one minute and are grown up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at this present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it in print.

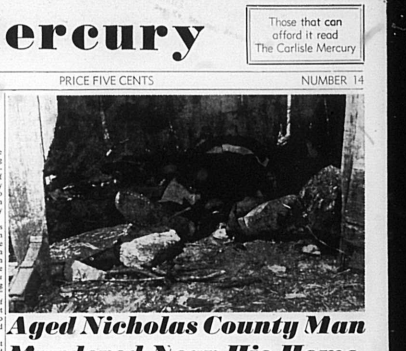
You will want to clip it from this, your home town newspaper, and preserve it for the youngster when he or she grows up.

There is absolutely no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to the Mercury, nor even a reader. You do not have to purchase pictures either, though you may obtain additional prints by arranging direct with the studio representative if you want them. That is entirely up to you!

Editor's Brother Joins Herald Staff

Mr. Lucien G. Fluty, 25, editor of the Big Sandy News in Louisa, Ky., since June 1950, has resigned his position with that newspaper and has accepted the position as assistant state editor for The Lexington Herald.

Mr. Fluty is a brother of Bill Fluty, editor of The Carlisle Mercury.



Aged Nicholas County Man Murdered Near His Home

'Robbie' Storey Booked On Suspicion Charge; Officers Searching Grounds For Murder Weapon

Bruce Crawford, 67, Stoney Creek road resident, was shot and killed late Tuesday night or early Wednesday morning, according to Acting Coroner Marion Mathers.

Crawford's body was discovered in his coal house, a few feet from his back door, about 8:30 Wednesday morning by Mrs. Glenn Booth, a neighbor.

Crawford had been shot in the neck at close range with a shotgun according to Mr. Mathers. Death was instantaneous.

Sheriff John Clinkenbeard booked Robert "Robbie" Storey, 67, on suspicion of murder at noon Wednesday. Sheriff Clinkenbeard and Deputy Sheriff Milton Fryman found the second floor bedroom and staircase of Mr. Storey's house spattered with blood.

The trail of blood ran from the room down the steps, through the house and out the back door. Officers traced the apparent path that the body had been dragged from the back door of Storey's house to the place where the body was discovered. The distance was several hundred feet.

Sheriff Clinkenbeard said that he believed the murder to have been committed in the second floor bedroom of the Storey house.

Mistaine Innocence

Storey maintained his innocence Wednesday afternoon and stated that he knew nothing of the murder. He stated that he spent the night with D. O. Sheehan, another neighbor, and Mr. Sheehan verified this statement.

Sheehan said that Storey came to his house about 10 o'clock Tuesday night. Sheehan said that Mr. Storey left soon thereafter to turn out a light in his home and then returned and spent the night. He left Mr. Sheehan's home about 4 a. m. Wednesday morning.

Motive for the incident was not known Wednesday although robbery was mentioned as a possible motive. Officers stated that Mr. Crawford had recently cashed a $28 pension check and may have had some of the money when murdered.

Shot At Close Range

Acting Coroner Marion Mathers said that Crawford was apparently shot from above at a very close range. The shot entered his neck at the neck and shoulder, split his clavicle, and part of the spray entered his heart, causing almost immediate death. Mathers also reported that some of the shot had entered Crawford's hand, stating that the victim had probably tried to shield himself from the blast.

Mr. Mathers said Wednesday afternoon that a coroner's inquest would probably be held within the next few days.

The murder weapon had not been found early Wednesday afternoon by Sheriff Clinkenbeard and Deputy Fryman were searching the grounds near the vicinity where the body was found.

Final Meeting

"Carlisle's Child—His Destiny" will be the forum subject of the Parent-Teacher meeting to be held April 8 at 7:30 p. m. in the city school auditorium.

Senator H. Stanley Blake, Rev. Paul C. Gillespie, and Superintendent Robert E. Davis will be panel participants with Rev. Robert Raborn as moderator.

Officers for the coming year will be installed in the business session prior to the program.

ONE-MAN DRAFT

James Albert Standiford Jr. is representing Nicholas county for its April draft call. In fact, Standiford is the only man from this county leaving for induction though the local draft office in April. Would you call that a one-man Army? Young Standiford will leave for induction April 16.

VFW Ladies Auxiliary To Install 1952 Officers

Installation of officers of the Ladies Auxiliary of the local VFW post will be held Tuesday night, April 8, in the Christian church dining room.

Mrs. Ida McGill, department president of the Kentucky VFW Auxiliary, will be the installing officer.

The ceremony will be preceded by the annual dinner which will begin at 6 p. m.

Mrs. Lida Mae Wade will take office as president of the organization at this meeting and Mrs. G. N. Maney, retiring president, will preside.

TEACHERS RE-ELECTED

All the teachers in the city school system were re-elected to their positions for next year at the regular meeting of the city school board last week, according to Dr. G. T. Cowan, school board member.

NOTICE

In an article in last week's Mercury concerning the sale of Caswell's Furniture the date for possession to be given to the new owners was said to be April 1. Mrs. Caswell stated this week that the date of possession should have been May 1.

Burley Tobacco Sales In Nicholas Tops Two Million Mark During 1950

Figures on the major crops raised in Nicholas county during 1950 were released last week by the Kentucky State Department of Agriculture, and "King Tobacco" still reigns in this county.

Tobacco grown here in 1950 sold for over two million dollars, a right tidy little sum. It was grown on 3,830 acres so you readily see that it was a right profitable enterprise.

Helping to bring in the money on tobacco was the fact that the 1950 crop sold for almost 51 cents average. It was 50.9 cents to be exact.

Second leading farm value in 1950 was cattle and calves, estimated to be worth some $1,343,000. Cows and heifers were next in line figured to be worth some $561,000 in Nicholas county.

Now that we're below the half million mark here are a few other statistics which the department disclosed.

Total number of sheep and lambs in Nicholas county farms in 1950 were worth $408,000. The corn crop was worth $407,000. Alfalfa hay was figured as being worth $356,000, while the clover-timothy hay crop totaled a mere $167,000. Winter wheat inched up as high as $68,000.

In the chicken industry the value of chickens alone was set at $72,000.

On the reproduction end the milk industry sets the pace, estimated in 1950 to be worth $435,000. Egg production was second with $249,500, while wool sold from sheep shears in this county for a cool $48,500.

Spegal Receives Excellent Rating In Speech Contest At Brooksville

Wayne Spegal represented the Nicholas County F.F.A. chapter in the public speaking contest held at Brooksville, Thursday, March 27. He was rated excellent in a field of nine entries.

A copy of his speech, "Conservation Farming For Abundant Living," follows:

"The soil is the foundation of life and of civilization. Trees and cattle, as well as farmers, are dependent upon it. The soil is the key to a productive condition! If it is not, the foundation of life will crumble and civilization will perish.

"Conservation farming will conserve our precious land and prevent wasteful erosion, which is just as serious a threat to our national security and well being as foreign armies in Russia and Korea.

"We future farmers know that our agriculture is our nation's basic industry. We know that our soil is our most priceless possession and also our greatest responsibility. Freedom has never flourished in a hungry and impoverished land. The abundance of America is looked to with yearning. Many half-starved foreign people expect us to share with them. Here in this favored land of plenty it is difficult to realize that hunger and want are still man's daily companions on vast areas of the globe. A world food survey just before the beginning of World War II revealed that five out of every ten persons, taking the world as a whole, were ill-fed—that more than a billion human beings never get enough food for health, growth, and vigor. About two out of every ten were found to be on borderline diets, leaving only three out of every ten people in the world being well fed, while here in America it is estimated that each agricultural worker produces enough food and fiber to support at least 15 people.

"Why should America be so well favored in this eternal struggle
