The importance of relying wholeheartedly on God, divine Mind, for guidance will be stressed at Christian Science services Sunday.

The Lesson-Sermon entitled "Mind" will include the following passage from the King James Version of the Bible (Proverbs 3:5, 6): "Trust in the Lord with all thine heart: and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

The practical availability of spiritual guidance will also be stressed in the following passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (254:10-12): "When we walk patiently on God and seek Truth righteously, He directs our path."

The Golden Text is from Daniel (2:20-21): "Blessed be the name of God for ever and ever for wisdom and might are his: 22 he giveth wisdom unto the wise, and knowledge to them that know understanding."

Methodist Church Notes

A capacity house attended services Sunday, both morning and evening in the Methodist church. The morning service was to greet a former Carlisle boy, the Rev. Joe Davis, son of Dr. and Mrs. Warner P. Davis, Superintendent of the Carlisle District.

Joe and his family, have recently returned from the Belgian Congo, where he has served a term of five years as a missionary under the Oriental Board of Missions of the Methodist church, and are in the states for a year's leave. At the close of his sermon Sunday, nine local young people dedicated themselves to fulfilme Christian service.

At the Sunday evening service, the last service closing the three-year term of the Rev. G. W. Townsend, before conference, was a Hymn-Sing. A unanamous vote of the church membership asked the conference to return Rev. Townsend to Carlisle for another year. He has built the church up spiritually, financially and numerically, during his stay.
