Miss Botts was absent from school last week, due to illness. Mrs. Johnson and Mrs. Irvine substituted for her.

Rev. Townsend was the speaker at the Thanksgiving Program which was held Wednesday, November 24. After the program, we went to the cafeteria, where 268 students, practically the entire student body, were served with a delicious turkey dinner.

Special cabinets and shelves have been installed in the Music Room for storage of band instruments.

The Blue Jackets will be host to the Bourbon Vocational "Colonels" Friday night, December 3.

The Intramural League is still going on. The Seniors met their first defeat last week by the Sophomores, this gave both classes the same standing, 7-1.

Hospital Board Reviews Collection Methods At Meet

The regular meeting of the Nicholas County Hospital board was held last Thursday night at the hospital.

Discussion by board members centered on unpaid accounts totaling $15,083.32. This amount is roughly $4,000 a year that the institution has had to carry on its books. Methods of collection were studied also.

Repairs Underway

The board was informed by Miss Dora Lloyd, hospital superintendent, that repairs were underway on roof leaks and that all windows at the institution had been weatherized.

At the suggestion of Miss Lloyd, the board moved that fund, donated through the recent Thanksgiving offering and the balance of monies in the awning fund be used to purchase and install a 34-ton air conditioner in the hospital's delivery room. The unit was ordered purchased from Maurice King for $255.

Charles M. Cox, representing the Nicholas Fiscal Court, stated to the board that plans for the sanitary disposal system had been drawn by Grant Bell, Lexington engineer and submitted to the State health service for approval.

Board members present were Hanson Judge, Rev. J. J. Whitehouse, Dr. Stanley B. Hutchings, D. L. Morford and Roger Womack, chairman.

City Council Sets Tax Rate For 1955; Minors Must Have Signed Certificate From Parents In Order To Play Pool

Tuesday night—Time 7:30 p.m. Place—city council chambers. Present: Mayor William Power, City Attorney Roger Womack and City Clerk Will J. Greene and members. Official meeting hour of council 7:30.

At 7:38 Mayor arrises to hunt councilmen. 7:39½ Councilman Charles S. Shroat appears. 7:40 Council Eugene Neal. 7:44 Mayor returns. 7:45 Councilman Woodrow Mason. 7:52 Councilman William Harper enters and completes quorum. Roll call ordered at 7:53. Councilmen H. C. Galbraith 7:54.

Minutes of previous regular meeting read and approved.

The Rev. G. W. Townsend and the Rev. Paul Ebright representing the Nicholas County Ministerial Association requested council to enforce laws pertaining to the presence of miners in pool or billiard halls. Request granted. Councilman Wilson instructed to see that police enforce law.

Grant Bell, city's engineer, compliments construction firm on excellent job on highway. Bell stated, The contractors left the grotind along the highway in better shape than when they found it."

Council decides that Pogue request could be charged to right-of-way cost. Councilmen Shroat attemps to place blame for extra work on State highway, but has no success. City's engineer states, "it was no ones' fault."

Councilman Galbraith favors payment of Pogue because their estimate was so far below any other estimate received by council when bids were let for pipe line construction.

Blue Jackets Drop Thriller To Fleming County, 49-47

By W. E. Woodall

The Nicholas County high school basketball quintet was edged by two points here Tuesday night to drop a 49-47 decision to an aggressive Fleming County team. Throughout the game was one which kept the fans on their feet as there was never more than six points separating the two teams.

Score Tied

With two minutes and forty seconds remaining to play in the last quarter, Fryman, NCHS guard, dropped through a field goal to tie the contest at 41-41. Jennings, the Blue Jacket's lengthy center, made two attempts good at the foul line as the Nicholas team moved in front by as many. Evans, Fleming County's speedy little guard, narrowed the margin to one as he hit from the foul line then came back seconds later to net a field goal, and the visitors moved ahead 44-43 with a minute and forty seconds to play.

Panthers Lead

Jackson of the Panthers fouled Jennings who connected with one to tie the contest, then again Evans hit a field goal to make the score read 46-44, Flemming County. As the clock began to move within the last minute, Fryman hit one from the foul line drawing the score to 46-45, Jackson hit a field goal for the Panthers and Jennings matched the feat by dropping through a field goal for the Nicholas County team. The score read 48-47, Smyst received an opportunity at the foul line for the Fleming County crew and hit one to complete the scoring in the game.

Fouls Pay

The Fleming County outfit hit 25 out of 34 attempts at the free throw line while the local team was hitting for 50 per cent, 14 out of 28. Accuracy at the foul line paid dividends for the Panthers as they hit eight fouls in totaling their 12 points in the first period, six of 12 in the second period, five of 13 in the third period, and six of 12 in the last quarter.

Individual scoring honers went to Jennings of NCHS who collected 25 points of the Blue Jacket 47 and Smyt of FCHS who made 12 of the Panther 49.
