THERE SHOULD BE GOOD FISHING HERE—This is just one tub full of the many that were emptied into the Mackinaw lake at Jackson Sunday afternoon when Izzie Bess Gyngell 1,760 pounds of good eating catfish, Marblehead and Chunk. According to Mack Richie owner of the lake, fishing can begin at once. Opening day will be in March. A charge of $1 per person will be made and this allows each angler three pounds of fish, all over three pounds will be charged for at the rate of forty cents per pound. As an added attraction a bounty of $5 each was offered for them that they must be caught by legal means. Several hundred people were on hand to witness the stocking of the lake which is 18 feet deep, 800 feet long and 175 feet wide. A lake adjoining the fishing lake has been set aside for bathing and no admission will be charged for its use. Average depth in it is 8½ feet. Mr. Richie stated that 338 hours of bulldozing were required to build the two lakes. The fish were purchased from the Old Mill Stream at Waynesville, Ohio. TCM photo

# County Tobacco Growers Meet Feb. 25; Also Nicholas Burley Improvement Group

CAN YOU IDENTIFY THIS FARM PHOTO?—The picture published last week was of the home of James Platt on the Moorefield road about three miles from Carlisle. The farm was acquired by his father, Frazier Platt in 1924 and consisted of 40 acres, later an additional 143 acres adjoing were purchased. The chief crop grown is tobacco on a 6.2acre base. Other farming interests are the raising of Angus cattle, sheep and dairy cows. At present Platt has 17 Angus, 42 sheep and 10 dairy cows. Those correctly naming the farm were Clarence Price who called Wednesday night, Stewart Moore, Mrs. James F. Hardin, Mrs. G. T. Grover, Doris Jean Lemons, Mrs. Malcolm Wills, Louise Platt, Dottie Shaw, Shirley Shaw and Charles Vice. The owner of the farm pictured above may have the original 5x7 copy by calling at the office and giving information concerning the farm.

## To Discuss Low Nicotine Tobacco

A county-wide meeting of tobacco growers will be held at the county court house, Thursday, February 25, at 1:30 p. m., W. T. Straw, County Agricultural Agent announced Wednesday.

Russell A. Hunt, field agent in tobacco production, of the University of Kentucky will be present and will discuss cultural practices in tobacco production in 1954.

Methods of producing low nicotine tobacco will be explained by Mr. Hunt. Other topics to be explained will be plant bed management in the control of wildfire, insects and other diseases, the importance of testing soil to determine the fertilizer needed, controlling field insects, topping and time to cut in relation to its effect on nicotine content of tobacco.

One of the chief problems to confront tobacco growers is that each year less and less burley tobacco is used in the manufacturer of cigarettes. All who work with tobacco must face this problem and be interested in increasing the content of burley in cigarette brands. The Kentucky Agricultural Experiment Station has worked under way for developing new varieties with low nicotine content.

Experimental work along this line will be intensified in the next few years. In the meantime the best that can be done is to follow those practices that will come most nearly producing the kind of tobacco that is needed by the men who uses manufactured tobacco.

All tobacco growers of the county are invited to attend this meeting.

**County Tobacco Committee Will Meet**

Immediately following the meeting for county tobacco growers a meeting of the Nicholas County Tobacco Improvement Committee will be held at the courthouse. Purpose of this session will be to combine ideas in recommending those practices which will be best suited to the county in 1954. Russell Hunt has said of the Nicholas County Tobacco program in recent years that it is one of the more effective ones in the state. Perhaps the main reason is that a very active committee has planned a careful tobacco program for Nicholas County for several years.

John T. Sayre, Jr. was chairman of the tobacco committee last year.

## Day Of Prayer For Citizens

Plans for the Day of Prayer proclaimed by the Ministerial Association are going forward.

The Day will coincide with the World Day of Prayer which is March 5.

The Rev. Mr. Townsend has announced that the County-Wide Day of Prayer will be held in the Carlisle Baptist Church beginning at 9 o'clock in the morning and lasting until 5 o'clock in the afternoon.

Church doors will be open for all to enter and pray — for world peace — for a world re-dedication to God — for a reawakening of the spiritual life of our local community — and for local needs such as rain.

The ministers of the city and county churches will be present in the church during the day to give advice and direction for those who wish it for their prayers. The organists of the churches will take turns in playing prayerful music to aid you in your prayers.

You are urged to enter the church during that day to join your prayers with your fellow citizens.

The World Day of Prayer program will be held during the hour set aside for it from 3-4 and will be a part of our own Day of prayer.

## It Happened Here

Mr. and Mrs. Consumer get an eyeful of advertising values this week in The Carlisle Mercury as the Carlisle Variety & Tailor Department store makes its grand opening Friday. The store formerly Hoffstocks was purchased several weeks ago by Kehrt Bros. Inc. of Louisville, who own and operate a series of stores in Kentucky. Plenty of values are offered the public according to Mr. Ken Houser, local manager.

Paul Garrett's Modern Furniture Co. is putting the emphasis on a February furniture sale with all the latest in home furnishings of nationally advertised brands.

Henry's Department store has some kind of a down and carry it out, with you values in a variety of merchandise.

Lerman Bros. of Carlisle is offering suits and toppers at prices you can't afford to miss. Plus yard goods, etc.

The C. C. Cole Co. started remodeling plans Monday along with Dorsey Bros. & Fisher and Kerns Restaurant.

A number of good steady advertisers weren't plugged this time —their pay off in in goods sold with the aid of advertising.

There's plenty of other merchants advertising their wares in this 12 page issue. The fact is this article could go on for ever.

## Muskies Top N. Middletown

By Jewell Farris

The Musketeers played a very hard game against North Middletown here Tuesday night. Clark led the Muskies with the first two baskets which was followed by more from his team mates.

Carlisle was in the lead 12-8 in the first quarter and continued to lead throughout the entire game.

FARRIS

The score stood 25-17 at the half. It was a close battle during the two remaining quarters but the big Green team was found not lacking. Middletown trailed 28-35 as the bell ended the third frame.

The Musketeers kept up the team work to finish the game without with the final score 55-47.

Clark led with 19, Gilley 17, B. Feeback 8, Cameron 7, D. Feeback 2, B. Smith 2.

Coach Holmes announced Tuesday that Carlisle drew M. M. I. in the District Tournament.

## Commendation Ribbon Given

A commendation ribbon for service overseas was presented to Lieutenant Richard I. Snelling a member of the 762nd AC and W squadron,North Truro Air Force installations, North Truro,Mass.

Lt. Snelling's ribbon was accompanied by a citation which read in part, that he "distinguished himself by performing meritorious service as squadron ground electronics officer at the 60th AC and W. squadron during the period of Jan. 1, 1953, to July 27, 1953."

The citation said that in spite of the heavy operational commitment of the Korean unit, Lieutenant Snelling's outstanding leadership of job knowledge maintained the equipment at the highest possible level of efficiency.

The officer was recently assigned to the 762nd AC and W squadron after his return from overseas. He first entered the Service in 1942 and saw duty in France and Germany as a member of the Signal Corps. After discharge in 1946, he returned to the University of Kentucky to complete the schooling he had started in 1939.

He was graduated in 1948 with a degree in soil conservation. He also received at that time his commission in the Air Force. He was recalled in 1951.

Lieutenant Snelling, son of Mr. and Mrs. Hayden Snelling of Lexington, married the former Roberta Ross, daughter of Mr. and Mrs. Charles Ross of Carlisle.

## Farm Withdrawn

A 90-acre farm owned jointly by W. D. and George B. Bell, located on the Concord-Taylor's Creek roads, offered at auction Saturday by the Scott-Kendall Sales Company, was withdrawn when bid to $90 an acre. The sale was planned to dissolve a partnership.

## Ninety-Year-Old Church Is Destroyed By Fire Thursday Night At Blue Licks

The Old Blue Licks church, located on the Mayville-Lexington road (U. S. 68) Blue Licks State park, was destroyed by fire Thursday night.

The fire was discovered by passing motorists about 5:30 p. m. Origin of the fire is unknown, but it is believed that a prowler had climbed through a window and was planning to spend the night there.

The church was built in 1864 and was first used by a Methodist congregation and for many years was used as a union church. For some 40 years it has been used as a Christian church. It is situated almost on the line dividing Nicholas and Robertson counties.

The church has a large Sunday school enrollment and sermons are given twice a month by a student at Kentucky Christian College, Grayson. The church membership is about one hundred.

The Carlisle fire department was called, but could not respond to a county call. Local organizations have tried to obtain a county fire department.

The Mt. Olivet department answered the call, but the fire had gained such headway that the building could not be saved. It was feared that large trees nearby would start a forest fire and possibly spread to the wooded state park.

The loss, estimated at $8,000, was not covered by insurance.

Plans are being made to rebuild the church and for a time regular services will be held in the Masonic Hall on the Mayville road near the home of W. J. Kenton.

Sunday contributions amounting to $1700 were made to rebuild and a piano given for the use in the new temple.

## Dog Pound Group Names Fryman Deputy Sheriff

Saturday afternoon Nicholas county's recently appointed Dog Pound Committee, met in the courthouse and appointed Clifton Fryman as deputy sheriff for two months.

All citizens in reporting dogs without tags on their premises are asked to call the office of Sheriff J. Milton Frytnik, and he will notify the new deputy. A dog pound recently has been setup at the county farm, about one and a half miles west of Carlisle on Highway 36.

Committee members are Harold R. Letton, Harve Wagoner, Hamer Miller, Leonard Alexander, Howard Allison, Glenn Booth.

Dogs picked up will be taken to the pound and kept 10 days, before being humanely destroyed.

**GILLEY HOME SOLD**

Mrs. William Gilley sold her twostory brick home at Chestnut and Sycamore streets today to Robert W. Neal of Carlisle. Possession will be given in 30 days. The sale was made by the Cleary Fightmaster Sales Company.

**HOUSE AND LOT SOLD**

W. S. Atkinson, executor of the estate of Mrs. Lizzie Gorham, sold at public auction Saturday afternoon a house and lot on East Main street to Alten Kerns for $3,750. The sale was handled by Earl Hamm, local auctioneer and realtor.

## Don Fair Escapes Serious Injury In Auto Mishap

Donald Fair, the principal of the Paris High school, was in a badly bruised condition and "hurt all over," but he left himself more lucky to be alive.

Fair suffered minor cuts, bruises and abrasions Saturday night in an automobile accident about nine miles from Flemingsburg as he was returning to Paris from Morehead. His most serious injury was a bad cut on his right ear.

The principal said he had just round a curve when he suddenly came upon a tractor pulling a trailer going down the road without any tail lights or other such signals.

Fair was thrown from his car when it plowed into the rear of the trailer, landing in the path of oncoming traffic where he was struck by a truck.

He was knocked unconscious and on regaining consciousness found himself with no serious injuries despite his hectic experience.

Monday he was unable to be at school because of his painfully bruised condition.

His car was demolished in the accident.

Fair is the son-in-law of Mr. and Mrs. Howard K. Veach of Carlisle.
