February Grand Jury Submits Report

5 Indictments Made; Commend Jailer, Other County Units

The Grand Jury of the February Term, 1954 of the Nicholas Circuit Court respectfully reports that it met in regular session on February 1 and February 15, 1954.

"During the meeting of the aforesaid Grand Jury, the following indictments were returned:

"1) Commonwealth of Kentucky vs Howard Evans—Charged with obtaining money under false pretenses necessitating the examination of two witnesses.

"2) Commonwealth of Kentucky vs Estill Purcell—Charged with obtaining money under false pretenses necessitating the examination of two witnesses.

"3) Commonwealth of Kentucky vs Charles Burgette—Charged with Grand Larceny by taking an automobile and converting to his own use necessitating the examination of two witnesses.

"4) Commonwealth of Kentucky vs Charles Burgette—Charged with Grand Larceny by taking and converting corn of the value of more than Twenty Dollars ($20.00) to his own use necessitating the examination of two witnesses.

"5) Commonwealth of Kentucky vs Calvin Denton—Charged with leaving, deserting and abandoning his wife and children in indigent circumstances necessitating the examination of one witness.

"In addition to the foregoing indictments the Grand Jury subpoenaed two witnesses to see if they could be of any assistance in determing who was contributing to the delinquency of Teddy Junior Stump and the Foreman was instructed to contact various county and city officials to be on the alert to obtain any information of this matter so that the next Grand Jury might again make an investigation if they believed it advisable.

"The Grand Jury was permitted the pleasure of having four (4) ladies serve and they did an excellent job of reviewing and inspecting several county properties. The various members of the Grand Jury visited and inspected the following property and submits their report concerning them:

"1) Nicholas County Quarry and Road Department was found to be in excellent condition and the county was commended thereon.

"2) Nicholas County Jail was inspected and at least one member of the Grand Jury reports that it is the best condition he has ever seen as long as he can remember and county and the incumbent jailer are to be commended for their efforts in regard to the jail.

"3) The Nicholas County Hospital was found to be in very good condition with the exception of certain plasterer defects located principally along the windows and one place in the hall next to the operating room. It was recommended that action be taken to waterproof and caulk the windows and territory surrounding them so as to stop any possible leaking.

"4) The Nicholas Memorial Convalescent Hospital has recently changed hands and it was found to be in very good condition with the exception of the kitchen and it is reported by Mrs. Jane Teal, Trustee that the County has already made arrangements to make certain repairs therein.

"5) Nicholas County Nurses Home which has been completely remodeled is considered as an excellent addition to Nicholas County and this opinion is considered as in as good condition as any home in Carlisle, Kentucky.

"6) Nicholas County Infirmary was believed to be in as good condition as might be expected considering the age and infirmatives of the inmates; however, the Grand Jury would like to recommend that additional sanitary facilities be provided for the inmates and also for the caretaker who is doing as good a job as possible under the circumstances.

"7) Nicholas County Court House—The Grand Jury would like to go on record as commending the excellent condition of repair to which the court house has been recently restored and every citizen of the County is urged to visit and see for themselves the many improvements that have been added in making the court house the place it occupies in community affairs.

"The Grand Jury would like to make one recommendation to the Purgation Board which is that this Board should meet for the purpose of purging the voting list as soon as possible. Several of the members of the Grand Jury have served as election officers in local precincts and believe that the list should be reviewed for the purpose of clarifying them.

"The above facts represent the work of the present Grand Jury and this report is respectfully submitted with the request that it be accepted and the said Grand Jury be formally discharged, this 20th day of Feb., 1954.

Thomas Gaunce, foreman.

World Day Of Prayer Set For Friday; Proclamation Asks Businesses To Close

THREE CARLISLIANS MEET IN TOKYO—Jim Williams, Son of Mr. and Mrs. James Williams, Billy Hardin, son of Stanley Hardin, of Lexington and Mrs. Robert Chamber, Carlisle, and Charles Harper, son of Mr. and Mrs. William Harper are shown together in Tokyo where they spent short leaves. Williams and Hardin are stationed near Tokyo, and Harper was on leave from Korea.

Every church in Nicholas County has received information concerning the World Day of Prayer Program which will be March 5 from 9 a.m. to 5 p.m. at the Carlisle Baptist Church.

Each church has been urged to form a transportation committee which will make it possible for all who desire to join in this day of county-wide prayer. An organist will be playing at each hour and a minister will be available. A printed program of scripture and prayer thoughts will direct our thinking to meet God's conditions for seeking and receiving His divine aid.

This day asks the question of the communities of our county along with other communities of the world, do we still believe in prayer? By that is meant belief in earnest prayer raised to the ever listening ear of an Almighty God.

The Ministerial Association feels that if we really believe, the churches of Carlisle, Henryville, and of every other area of our county, will "assemble" themselves together, "agree" on our need of God's help, "humble" ourselves, and "pray" to Him — as asked us to "seek," "knock" and "ask."

Proclamation

To all in our community:

Whereas, World Day of Prayer is to be observed on Friday, March 5, 1954, and

Whereas, the Ministerial Association has arranged for a day of prayer to coincide with this day, and

Whereas, the county wide day of prayer will be held in the Carlisle Baptist church from 9 a.m. to 5 p. m. and

Whereas, all citizens are urged to enter and pray for peace, a world re-dedicated to God, for more spiritual life in our community and community needs, be it therefore resolved,

That I, William Power, Mayor of the city of Carlisle, Kentucky, do hereby issue a proclamation urging all business houses to close and join in the services to be held from 3 to 4 p.m. on Friday, March 5, 1954, so that all may join together in prayer.

C-NCDA To Enter KCC Contest; Younger Woman's Club Prepares Entry

Five Kentucky business, educational, and civic leaders have been named by the Kentucky Chamber of Commerce as judges for its 1953-54 Community Development Contest, according to R. M. Watt, Lexington, Chairman of the KCC Industrial Development Committee.

The contest began March 1, 1953, and closes February 28, 1954.

Prize money, Watt said, is to be used for civic improvements by the winning communities.

The Carlisle-Nicholas County Development Association won second prize last year amounting to $700. The entry was prepared by the Carlisle Younger Woman's Club, who is again gathering data for this years entry.

"The response from Kentucky communities has been most gratifying and has attracted nationwide attention," Watt said, pointing out that 105 communities throughout the State are participating. Eighty committees were entered in the previous year's contest.

The judges will meet at the Kentucky Chamber of Commerce offices on March 24 and 25 to evaluate scrapbooks submitted by the 105 contest entrants. The scrapbooks must be mailed to the Kentucky Chamber no later than March 17, Watt said.
