SWP HOUSE PAINT
lasts longer...saves money

• It pays to be "choosy" when you select house paint. Whether you employ a painting contractor or not, the price difference between famous SWP House Paint and ordinary house paint means less than $5.00 for the average house job. This slight difference pays for years of extra wear . . . one of the wisest economies you can make!

• Continuous research has insured constant improvement and top-quality performance of SWP. You'll be money ahead when you discover there is a difference in house paints!
