REVIVAL
MT. ZION CHURCH

A revival will be held at the Mt. Zion church, beginning July 22 and continuing through August 3 according to Guy Neal. The evangelistic team of O. George Stansberry and Mr. and Mrs. Lloyd Cameron will be in charge of the meeting.

According to Mr. Neal the Mt. Zion church was brought into being by a deed for two acres of ground from Samuel Tucker in 1836 to the trustees of the Mt. Zion Meeting House to be used for a church, school and burying ground. "So now we are still at work for the Lord at the same old stand, and for the appreciation to the Lord and to the many who have labored in His work and have slipped away for awhile we have this year 1956 called to be with us one of the outstanding evangelistic teams of our time—to honor the past and help us to do the Lord's work now and prepare for the future of the Lord's work in Nicholas County."

Services will begin at 7:30 p.m. CST.

K. H. McCORKLE, of Glasgow, Ky., will be the preacher for the Annual Meeting at the Old Concord church, July 29-Aug. 3. Brother McCorkle is well known here, having held two revival meetings at the Carlisle Christian church. Betty Campbell will be in charge of the music.

Mr. and Mrs. Lloyd Cameron of Lexington, Ky.

O. George Stansberry of Johnson City, Tenn.

NEEDMORE CHURCH

A service is planned for the Needmore Methodist church Sunday afternoon at 2:00 p.m. Rev. Ben N. Cain will be the preacher and asks that everyone and anyone of the community be there. All are welcome. See you at the church on the 15th.

Evening Worship, 7:30 p.m.
Prayer Meeting, 8:00 p.m. Wednesday.
W.S.C.S., Thursday at Mrs. J. R. Kenney's.

CHRISTIAN SCIENCE

How spiritual understanding of God as divine Life brings increased strength and usefulness will be brought out at Christian Science services this Sunday.

Scriptural readings in the Lesson-Sermon on "Life" will include the following from Psalms (66:8,9): "O bless our God, ye people, and make the voice of his praise to be heard. Which holdeth our soul in life, and suffereth not our feet to be moved."

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (487:27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from John (5:26): "As the Father hath life in himself; so hath he given to the Son to have life in himself."

CHRISTIAN CHURCH
J. J. Whitehouse, Minister

Bible School, 10 a.m.

Communion and sermon, 10:50 a.m. Sermon subject to be announced.

C. E. Junior, 7 p.m. Senior, 6:45 p.m.

Evening service, 8 o'clock. Sermon subject: "The Land Where We Never Grow Old."

Prayer and Bible Study, Wednesday, 8 p.m.

Dr. Rhodes Thompson, of Paris, will be the guest preacher, July 22, 10:50 a.m.

Ellisville Homemakers

By Mrs. Harold McClanahan

The Ellisville Homemakers met at the home of Mrs. June Hildreth Monday, July 2. Mrs. Rex Jones served as co-hostess at one of our best meetings of the year.

We opened our meeting with 16 members, three visitors and 9 children repeating The Lords Prayer.

The July meeting is mostly one of leisure with just a few reports to make. However at this meeting there were a few straw bags to finish and spray with clear plastic. Three members modeled hats and bags to match.

Our Home agent, Mrs. Wilson, absent at our last meeting while attending 4-H week at Lexington, was with us and helped plan our part in our county meeting held at the Carlisle Christian church, Thursday, July 12. Our club is co-hostess this year.

Four of our members volunteered to work at the lunch trailers during the Cynthiana B. C. C. meeting—July 8.

In the afternoon we held our annual auction. Spirited bidding was enjoyed as we vied for novel and useful articles (potholders and aprons to preserves and candies, etc).

Everyone was urged to get their fryers in for the Nicholas County Hospital Benefit at Forest Retreat, July 20.

The Benefit chairman has stated, The Homemakers could always be depended on—So girls keep up our reputation!

Our next meeting will be another one of leisure as we will have our family night picnic at 7:30 p.m., August 1, at the Blue Lick State Park.

Kentucky hens laid 109 million eggs in May, 1956, and 117 million in April. Production is down from 111 million in May 1955.

Twelve percent of all potatoes marketed for food in 1955 was used as potato chips.

New GE Automatic SKILLET

check these features

- AUTOMATIC TEMPERATURE SELECTOR — lets you dial correct temperature for all foods and keeps temperature constant. Settings from 150° to 400°.
- INDICATOR LIGHT — goes off when Skillet is pre-heated and ready to use. Located on the end of the handle.
- VERSATILE — you can fry, bake, stew or steam—all with the new Skillet.
- RIB-O-LATOR — wonderful for use right at the table, in the living room or out of doors as well as in the kitchen.

GIVE YOUR CAR THAT Polished LOOK!

Never before have you seen a car washed in this magic manner.
Buntin's Garage

It's a Great Time to Buy a Buick

(And at the Best Buy Yet!)

What's it for you—if you step out and buy yourself a 1956 Buick right now?

Well, first of all—the *time* is right.

Right now, your present car is at its peak worth.

And, with the whole summer and almost half of '56 still ahead of you, you'll get more enjoyment out of a spirited new Buick this year—if you buy now.

Second, there's the matter of how much more automobile your money buys in the best Buick yet.

We tell you flatly that nowhere but in a '56 Buick can you get so much bounty for so little booty.

For example, take the beauteous big '56 Buick SPECIAL pictured here.

It's one big reason why Buick now ranks in the top three of America's best-selling cars. Yet, *you'll find it priced right close to the well-known smaller cars.*

That sure makes Buick a whale of a lot of car for the money. And look:

Nowhere but in a '56 Buick can you get the *absolute smoothness* and the electrifying performance of Buick's terrific new Variable Pitch Dynaflow.*

Nowhere else can you get the obedient responsiveness of Buick's big and mighty new 322-cubic-inch V8 engine. Or Buick's matchless new handling ease and ever-level ride buoyancy—or Buick's bold new sweep-ahead styling, and solidity of structure, and stretch-out roominess.

Add it all up and the answer comes out the same, any way you figure it: *Now's the time to buy your 1956 Buick.*

Will you come in—before another sun sets—and get set with your best buy yet?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE

Watch egg cooling during hot months

Watch egg quality when daytime temperatures get in the 90's, say poultry specialists from the University of Kentucky Agricultural Extension Service.

Eggs must be cooled to maintain high quality. Keep coolers at 55 degree F. optimum. Gather eggs more frequently in hot weather, generally three times. Market eggs twice or three times a week, to prevent quality loss.

Remember that egg quality lost by heat cannot be replaced. Get the animal heat out of the egg in the shortest possible time and at the lowest cost. Low quality eggs hurt the pocketbook.

Increased per capita consumption of meat by Canadians has caused that nation to become an importer of beeves.

Chicken Loaf

4 c cooked ground chicken
2 t salt
1 small can pimento
1 small minced onion
2 eggs
2 c dry bread crumbs
2 c chicken stock
1 c milk

Mix all ingredients, then bake in a greased loaf pan set in a pan of hot water. Bake in moderate oven, 325 degrees, for 45 minutes.

Menu: Chicken loaf, parsley-potatoes, new peas, tossed salad, biscuits, butter and watermelon.

Even in the hottest weather your family must eat. The trick is to find foods that are healthful and appealing, and that don't require too much of your time.

Beforehand cooking is one answer. The food might be all ready in the home freezer, or it might have been prepared the night before, early in the morning when the dishes were washed, or two or three days before.

The higher the temperature, the more important is an attractively served plate. It can be made so at the last minute if you have ready-to-serve parsley, carrot sticks, radishes, celery curls, water cress and fresh mint—each refrigerator stored with its clinging moisture in a glass jar with a screw top.

Recipe of the week

One of the tastiest dishes for hot summer days is an old fashioned chicken loaf. Served hot, or kept in the refrigerator or home freezer, it is convenient to serve for dinner or supper. Mrs. Pearl Haak, specialist in foods at the University of Kentucky, suggests this recipe.

Chicken Loaf

4 c cooked ground chicken
2 t salt
1 small can pimento
1 small minced onion
2 eggs
2 c dry bread crumbs
2 c chicken stock
1 c milk

Mix all ingredients, then bake in a greased loaf pan set in a pan of hot water. Bake in moderate oven, 325 degrees, for 45 minutes.

Menu: Chicken loaf, parsley-potatoes, new peas, tossed salad, biscuits, butter and watermelon.

Ready-to-slice roast lamb, beef, pork, ham or canned meats are easy to arrange on a platter surrounding a mound of potato salad and decorated with some of the garnishes mentioned above. With a dish of buttered, frozen vegetable, and a ready to serve gelatin salad, the menu is one the family will enjoy. Chilled watermelon is a welcome dessert.

Pineapple-Carrot Salad

1 pkg. apple or lemon flavored gelatin
1 c hot water
1 c pineapple juice
1 & 1 salt
1 c crushed pineapple
1 c shredded carrots
1/3 c cut-up celery

Dissolve gelatin in hot water. Add pineapple juice and salt. Cool until the consistency of thick syrup. Add pineapple, carrots and celery. Turn into individual molds or pan greased with soft fat. Chill until firm. Serve on fresh, crisp lettuce with boiled dressing to which whipped cream or mayonnaise has been added. 6 to 8 servings.

Menu: Sliced roast leg of lamb, potato salad, green peas with mint, pineapple-carrot salad, rolls, butter, and watermelon.
