VOLUME 89 ESTABLISHED 1867 CARLISLE, KY., THURSDAY, OCTOBER 4, 1956 PRICE TEN CENTS NUMBER 40

Lancaster downs Muskie squad 42-0

By Bill Woodall

Smothered beneath a 42-0 score, the Carlisle Musketeers suffered their second defeat of the gridiron season Friday night at Lancaster. The game was the first conference defeat in three C.K.C. starts for the Muskies.

At Lancaster Friday night the Devils, shooting for their fourth straight victory and a place among the top teams of the conference, had the situation well in hand from the starting whistle.

High McCulley, who terrorized the Musketeers last year as the Devils rolled to a 49-0 victory, repeated his preformance again as he pushed across three of six touchdowns and added two extra points for Cay Dyehouse's Garrard County squad. Friday afternoon the Muskies will face the M.M.I. Cadets at Millersburg.

Friday final wheat Soil Bank sign-up date

The final date for farm operators to sign up for the 1957 wheat crop Acreage Reserve part of the Soil Bank is October 5, according to Mr. H. S. Vice chairman of the local ASC office.

Any farmer who is interested in this program and has not yet signed up should call at our office, continued Mr. Vice. We are doing our best to keep a full office force available to discuss each individual situation and to extend the greatest possible service to all farmers.

The office is located in the basement of the Courthouse.

Signatures of other interested producers must be obtained by November 6.

Baptist revival services continue

Revival services continue through Oct. 10 at 8 o'clock fast time each evening at the Carlisle Baptist church with Evangelist Bob Brown of Louisville preaching and Pastor Gerald McNeely leading the singing. The largest opening night crowd for any revival in recent years welcomed the visiting minister, Rev. McNeely said.

Open letter to the citizens of Nicholas County

Dear Fellow Citizens of Nicholas County:

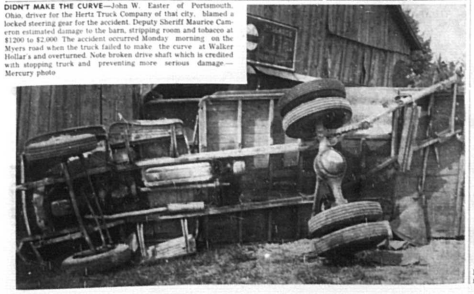
We know that you are interested in keeping our community healthy. Now is your opportunity to do something about it. On November 6, 1956 the citizens of Nicholas County will vote on a tax to adequately finance our county health department. The tax cannot exceed twelve cents ($ .12) per $100 assessed property valuation and in all probability will only amount to approximately six cents ($ .06) on the $100 assessed property valuation.

As you know, our health department provides many services to the people of our county. Some of them are: Immunizations, physical examinations, services to expectant mothers, mass chest X-Ray surveys services to tuberculosis patients and their families, sanitary protection of water, milk and food supplies, school health services, vital statistics and other programs and activities too numberous to mention.

We, The members of the Advisory Health Committee of the Chamber of Commerce are asking that you use or call five of your friends to inform them of this tax and to gain their support. A majority vote on this issue is all it takes—WE NEED YOUR SUPPORT.

If you have any questions about the tax, please get in touch with any of this committee or your local health department.

Sincerely yours,
W. R. Buntin, Jr., Chairman
Advisory Health Committee Chamber of Commerce



DIDN'T MAKE THE CURVE—John W. Easter of Portsmouth, Ohio, driver for the Hertz Truck Company of that city, blamed a locked steering gear for the accident. Deputy Sheriff Maurice Cameron estimated damage to the barn, stripping room and tobacco at $1200 to $2,000. The accident occurred Monday morning on the Myers road when the truck failed to make the curve at Walker Hollar's and overturned. Note broken drive shaft which is credited with stopping truck and preventing more serious damage.—Mercury photo

Council re-sets meet date to first Monday

Meeting in regular session Tuesday night, the Carlisle city council voted to return the meeting night to the first Monday of each month.

A building permit was granted G. N. Maxey to erect a garage onto his residence.

Hamer Miller appeared before council asking about annexation of the section west of Carlisle. Action on the matter was deferred until a petition could be circulated.

Council also went on record in favoring approval of the road bond issue to be voted upon Nov. 6.

A report from the police department showed $349 collected in September with 30 arrests.

4 Sentenced but 3 terms are probated

Nicholas Circuit Court reconvened Monday morning. James Potts pleaded guilty to cutting Goebel Bean and was sentenced to three years in the State Reformatory. The sentence was probated.

Woodrow Good pleaded guilty to housebreaking and storehouse breaking, and was sentenced to three years for housebreaking and two years for storehouse breaking. The sentences were probated.

Earle Stanfield was sentenced to two years for storehouse breaking, but that sentence too was probated.

Wilburn Dalrell pleaded guilty to housebreaking and storehouse breaking, and was sentenced to three years for housebreaking and two years for storehouse breaking. The sentences were to be served concurrently.

Court adjourned to meet Thursday morning, Oct. 11.

Postoffice building to be repaired

The Construction and Repair Division of Public Buildings Service has informed Carlisle Postmaster Everett Planstiel that a contract has been awarded for interior and exterior painting, carpentry and electric and drainage repairs to the local Post Office building.

The repair includes replacement of rotted woodwork on the outside of the building; painting both exterior and interior; repair of basement damage caused by flood of some years ago, painting of basement offices, improvement of electric wiring and repair or replacement of clogged drainage pipes.

City school grades in fire prevention program

Carlisle city school children in the third through fifth grades will join nearly 2,000,000 Junior Fire Marshals throughout the country next week in a nationwide fire prevention and safety education program sponsored by the Hartford Fire Insurance Company.

Participation in the program was announced jointly today by Custer Blair of the M. C. Blair Insurance Agency, local Hartford Fire representative; School Superintendent R. E. Davis, and Fire Chief Paul Smoot.

This new, year-round Junior Fire Marshall program is an expanded version of the popular public service campaign which the Hartford Fire has sponsored through its 15,000 agents since 1947," Mr. Blair said.

Scheduled to open throughout the country in conjunction with National Fire Prevention Week, October 7-13, the new program gets under way locally on Monday.

Scout Troop 50 has high rating

Boy Scouts of Troop 50 and their Scoutmaster O. C. Rankin spent the weekend at Camp McKee and received excellent rating.

Campers were Bobby Green, senior patrol leader; Billy Caswell, Tiger patrol leader; Donnie Rawlings, assistant patrol leader, star scout.

Other members of the Tiger patrol were Buford Mathes, second class; John D. Faulconier and Wilson Mathes, eagle scouts.

The Fox patrol leader, Ronnie Gaunce, a star scout; Sammie Frederick, star scout; Shirley White, life scout.

The Panther patrol leader—Lyle Anderson, life scout; Joe Jennings and Tommy Taylor, first-class; Jimmie Small, second-class; Jay Peck, tender foot; Thornton Caswell, scribe.

Need clothing

The Nicholas County Red Cross issued a plea this week for used clothing for needy school children. Mrs. Marvin Shoupt, executive secretary said clothing will be greatly appreciated by those who are less fortunate. Last winter we helped to keep several children in school and would like to do the same this winter.

Those having outgrown and unused clothing are asked to send the articles to the local Red Cross office.

"Sam" Finch In Wreck In Lexington Thursday

Earl "Sam" Finch, 24, was admitted to St. Joseph's hospital in Lexington early last Thursday following an automobile crash at Broadway and Northern Belt Line, Lexington. He suffered cuts on his face and head. He was a passenger in a car driven by Earl Schultz of Appleton, Wis., who served with him in Korea and was here on a visit.

The car, owned by S. T. Minton, of Carlisle, collided with one driven by Everett Rogers, Big Hill, police reported. Minton, also a passenger in the car, and Schultz were uninjured.

Both Finch and Minton are employees of Wells Produce, Carlisle. Mr. Wells went to Lexington as soon as notified of the accident and brought Finch to his home in Carlisle where he is convalescing nicely.

The car was completely demolished, it was stated.

ROTARY CLUB TO MEET

The Rotary Club will meet October 4 at 6:30 at the Masonic hall.

The program will be Vocational Service.

John Adams will be in charge of the program.

HENRY IMPROVED

Geobel Henry who submitted to surgery last Friday at the St. Joseph's hospital, Lexington, is reported convalescing nicely, and hopes to be able to be moved home soon. Members of the family have been with him.

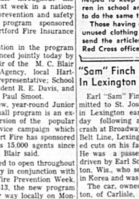
CARLISLE P.T.A. TO MEET

The P.T.A. of Carlisle high school will meet Wednesday, October 10 at 3 p.m. at the school. Coach Wells will be in charge of the program.

GOES TO OWENSBORO

Miss Betty Ellen Caywood, daughter of Mr. and Mrs. Grimes C. Caywood, went to Owensboro Saturday to become technician at the Owensboro Daviess County hospital, effective Oct. 1. She is a graduate of Carlisle high and the University of Kentucky.



LAWRENCE WETHERBY meeting with Nicholas County Democrats Tuesday afternoon at a coffee pointed out the fact that John Sherman Cooper was a great ambassador to India and that he would do all in his power to return him to India, where he is needed. Prior to the coffee break, the former Kentucky governor spoke to a crowd at the Nicholas County Stockyards in favor of full 90 per cent parity price supports for farm products. He also noted that there have been more bankruptcies of small businesses in the past three and one-half years, except during the darkest days of the depression.

Nicholas County has 112.7 miles of highways approved by the U. S. Bureau of Public Roads for possible federal aid, State Highway Commissioner Bert Kiser reports.

As such, he said, these roads, or part of them, could qualify for improvement under the proposed new highway construction program, as needs and priorities are determined, funds become available, and federal approval is obtained for specific projects.

The county's mileage of federal-aid highways includes 98.4 miles of secondary and 14.3 miles of primary roads. In all, there are approximately 18,800 miles of such roads in Kentucky.

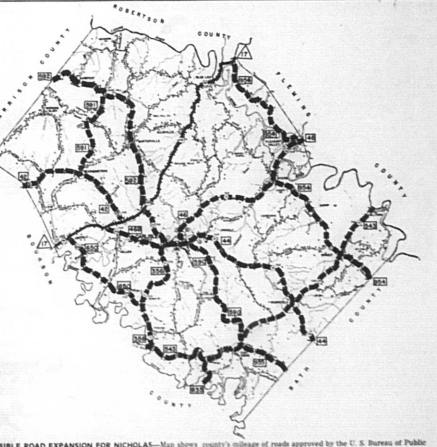
Kiser's explanation of the federal-aid mileage came after reports that some persons had the erroneous impression that only highways bearing U. S. route markings are entitled to federal aid.

Funds for federal-aid secondary and primary roads are allocated on a 50-50 basis for the next three years.

Public is invited to Woman's Club meeting Oct. 18

The recently re-organized Older Women's Club of Carlisle and Nicholas County are sponsoring a meeting October 18 on Thursday night in the basement of the Carlisle Christian church.

This meeting is for a discussion on the Public Health Tax which has been entered on the November ballot to be voted on by the citizens of Carlisle and Nicholas County. Films will be shown at this meeting and a representative from the State Department of Health will be present to answer questions pertaining to the Health Tax.

JURY FAILS TO AGREE


A jury in Nicholas Circuit Court failed to agree when Eugene Honaker was tried on a charge of cutting George Fisher.
