OUR SOIL ★ OUR STRENGTH

Russell P. Alexander says "Modern farming requires modern equipment and proper land use within its capability. All I have I owe to conservation farming. Utilizing bill land for pasture and hay and bottom land for cultivation, we conserve our soil and water not only for ourselves but for generations yet unborn. Using modern equipment on productive land costs no more, and usually less, than on unproductive land, and returns are incomparable."

ON DUTY—These three operators at the Carlisle telephone office will spend the coming Christmas Holiday trying families and friends together. They are expected to complete 460 long distance calls for people of Carlisle in a 48 hour period and are part of the 1756 long distance operator team that will be on the job Christmas Eve and Christmas Day, according to C. A. Harris, local manager for southern Bell. At the switchboard (on left) Miss Herndon Wilson and at right are pictured Miss Ethel Dwelly, Mrs. Mildred Clark and Miss Wilson. Mr. Harris pointed out several ways phone users can help operators put their calls through faster. These include calling by number, calling station to station and refiling your own call.

## Muskies nipped by Deming; Jackets lose

by "Butch" Saunders

The Carlisle Musketeers were nipped by Deming in the second half here last Friday, Dec. 13. The Deming quintet caught five in the third quarter while the Muskies couldn't seem to get the range until the damage was done. After that Carlisle just couldn't quite catch up.

Once again this year the Muskies ran into a team which was about their own height, give or take an inch. The game got off to a rousing start with the 1st quarter being almost nip and tuck, but Carlisle managed to emerge with a 3 point lead to start the 2nd quarter. The second quarter was about the same way. Both teams hit a large per cent of their shots however, Carlisle goaded into one more point to enjoy a half time margin of four points. The second half got under way and Deming proceeded to pick up to quick baskets to knot the score. The Muskies could still gain possession of the ball, but they couldn't seem to hit the basket after they got it. At the end of the 3rd quarter Deming had edged out in front by three points. Although the Muskies tried valiantly to "pull it out of the fire," a few long shots in the last two minutes by Deming clenched the victory for them.

The Musketeers were led by "Chuck" Vee in the scoring department as he tossed through 17 markers.

Bill Straw hit for 13. Oliver Smart obtained 12. Asbury McGuffy Sank 10, and Leroy Hawkins and Kelley Kennett both contributed 4 to round out the night's scoring for the Muskies.

King and Jett both hit for 15 to pace the Deming squad in the scoring department. The rest of the scoring was Orme 13, Rodgers 12, Graves 6, Henson 6, and Overbey failed to score.

The score at the end of each quarter was 1st Carlisle 14, Deming 11; 2nd Carlisle 32, Deming 28; 3rd Carlisle 46, Deming 49; 4th Carlisle 60, Deming 69.

**Carlisle 51-Mt. Sterling 68**

Carlisle lost to Mt Sterling by a score of 51-68, here last Tuesday, Dec. 10. The Mt. Sterling five were definitely taller than the Musketeers. As a result Carlisle had to fight for every rebound which they obtained. Mt Sterling grabbed an early lead and held on to it during the entire game. At the end of the 1st quarter the score stood at 18-23 in favor of Mt Sterling. By the half they had increased their lead to seven points as the score stood at 31-38 in favor of Mt. Sterling. At the end of the third quarter they had increased the lead. The final score was Carlisle 51-Mt Sterling 68. Throughout the game Carlisle seemed to try to catch up, but they were fighting a losing cause as the superior height of Mt. Sterling had its effect.

Oliver Smart gained high point honors for the Musketeers as he tallied 18 points. The rest of the team scored, as follows McGuffy 13, Straw 7, Kennett 6, Vice 5, and Wilson 2.

Pierratt took the honors for Mt. Sterling by throwing through 20 markers. The rest of their scoring was as follows: Johnson 16, Fuller 15, Goldy 8, Ishmael 5, and Scobee 4. Black, Reynolds, and Morrison all got into the game, but they didn't connect with the bucket.

Once again the scoring at the quarters 1st 18-23, 2nd, 31-38, 3rd, 41-54, 4th, 51-68 Mt. Sterling.

The Nicholas County Bluejackets were defeated Friday night, Dec. 13 by the Harrison County Thoroughbreds 54 to 41. For the first three quarters the Jackets were in the ball game but the zone defense of the Thoroughbreds proved too much for the County five.

Lynam with 17 points was high score man for Nicholas County while Walters with 18 points led Harrison county scorers. Nicholas County's defense stopped the high scoring of the Jenkins brothers who had been the leading scorers for Harrison.

On Friday night the Jackets play Madison-Central as part of a double-header at Richmond, and on Saturday night they meet Maysville on the local court in what appears to be the outstanding game of the season. One fan predicts that a victory over the Maysville team will do for the local team and fans, what the UK victory over Tennessee did to the UK team and fans.

Mrs. Moreland is the former Miss Carol Donovan, and they have an eleven months old daughter, Jean Ann. He is due to report Dec. 27 for further assignment at San Diego, California.

### Pfanstiel Assigned

Pfc. Everett E. Pfanstiel Jr., 23, whose parents live at 328 Sycamore, recently was assigned to Headquarters Battalion, Headquarters Army Support Command, in Korea. Pfanstiel, a clerk in the adjutant general division, entered the Army in October 1956 and arrived overseas last March. A 1952 graduate of Millersburg Military Institute, he was graduated from the University of Kentucky in 1956 and was a teacher at Millersburg Military Institute in civilian life.

### Truck hits side of ambulance enroute to hospital

An ambulance rushing a patient to a Lexington hospital from Carlisle was involved in an accident at the intersection of U. S. 68 and U. S. 460 on East Main street Monday night, but the driver Ralph E. Shearer, 34, Carlisle only stopped long enough to survey the damage and then sped on to Lexington.

He stopped on his return trip and reported the accident to Paris police.

Shearer said he was traveling behind a 1½-ton truck as the two vehicles approached the intersection. He added that the truck attempted to make a left turn onto U. S. 460 just as the ambulance drew abreast to pass, the truck pulling into the side of the ambulance.

Shearer told the officers the truck stopped, but by the time police arrived on the scene the truck had moved on.

Because of the emergency to get the patient in the ambulance to the Lexington hospital, Shearer didn't wait for police to arrive, but hurried on to Lexington.

The accident happened about 11 p.m. Monday night according to Paris Night Chief Bige Wells and Officer Clarence Heflin who investigated the accident.

### Capacity crowd hears concert

A capacity crowd filled the Carlisle high school auditorium Tuesday night to hear the annual Christmas concert.

Selections were presented by the band, under the direction of John Mayer, and soloists and chorus. Mrs. Cleary Fightmaster and Mrs. Robert Coatney were accompanists.

### Clark county added to BSA district

Clark County is to be added to the Cherokee Boy Scout District, making the district a four county affair.

The redistricting was voted Thursday night at the annual business meeting of the Blue Grass Boy Scout Council in Lexington. Additions to the Kit Carson District included Lee, Owsley, and Estill counties.

Bourbon, Harrison, and Nicholas counties are the other three counties in the Cherokee District.

W. T. Bishop, Lexington, was

### DATE CHANGED

The Basketball game between Carlisle and Nicholasville scheduled for Friday night has been changed to Thursday night, Dec. 19, at 8 CDT, due to Christmas programs and the University of Kentucky Invitational Tournament on Friday and Saturday nights.

### Organizations arrange Christmas treats for underprivileged kids

Carlisle Rotarians will play host to 32 underprivileged children today (Dec. 19) at noon when they hold their annual Christmas dinner at the Masonic Hall. Each child will be presented with a gift.

On Tuesday, Dec. 24—Christmas Eve—the Carlisle-Nicholas County Chamber of Commerce and Nicholas Post 17, American Legion have arranged for Santa to be on the courthouse square with gifts for the kids. Santa will begin his distribution of candies, fruits and toys at 2 p.m. fast time.

The treat this year, was made possible through the combined efforts of the Legion and Chamber of Commerce who are sharing the cost, John D. Fower, Legion Commander stated.

A committee on arrangements for the Legion-Chamber Christmas treat named by Power is as follows: Herb Allison, Paul House and William Layson.

### Seniors To Take Kentucky Battery Classification Test

The forty-eight members of the Senior Class of Nicholas county high school will take the Kentucky Battery Classification Test this week at Nicholas County high school. Mr. Sandidge, high school principal will administer the test.

For several years the University of Kentucky has given high school seniors an opportunity to qualify for scholarship by taking special scholarship tests. The tests have usually been given around the first of April in about twenty centers through out the state. Last year the seniors taking test went to Fleming County high. Charles Moore and Lydia Davis received scholarships on basic of score made on the test; also Ned Jennings' high score on the test caused Coach Rupp to become more interested in him.

The University has decided to abandon this program and beginning this year the list of scholarships eligible will be made up from the seniors in those schools which participate in the State-Wide Cooperative Testing Program. A limited number of scholarships (perhaps one for each 20 seniors or major fraction thereof) will be supplied each school participating. Only students who complete Kentucky Battery Classification and file a scholarship application will be placed on scholarship eligibility list, therefore, it is important that every senior take this test and do their best. By taking this test it will make it possible for some seniors to probably receive a scholarship and will also help the school in this guidance and instructional program.

Members of the Junior class will take the same test at a later date.

### Christmas tree programs set

Friday, Dec. 20 will be the last day of school until after the Holidays. Beginning at 1:15, a program and Christmas tree will be given in the auditorium. It will also consist of a concert by the band and singing by the vocal group, after which grades from 1-6 will retire to their rooms to enjoy their own Christmas trees.

Grades 7-12 will remain in the auditorium for their tree. The Student Council will pass out the gifts, after which school will be dismissed for the Holidays.

The public is invited to all these activities.

Classes will resume Jan. 2.

### Maysville to play NCHS Saturday

The Maysville Bulldogs of Coach Woodie Crum will challenge the Bluejackets of Coach Charles Finnell on the N.C.H.S. floor Saturday night, Dec. 21 at 7:00 CST.

Most basketball fans in this area will remember the last time the two teams met: the finals of the regional tournament last year at Harrison county gymnasium—also remember the results: N.C.H.S. won and was declared Champions of the 10th Region. The Maysville team has not forgotten the results of the last game and will be determined to keep the record this year in the win column; however, on the other hand the Nicholas County team always plays a good game against Maysville and will be looking for an upset.

On Friday night the N.C.H.S. team will play Madison-Central as part of a double header to be played at Eastern State College gymnasium in Richmond. Somerset will play Madison-Model the second game of the double header.

### NCHS band, glee club program set

The Nicholas County high school bands and glee clubs under the direction of Andrew Chaky will present a program of Christmas Music, Friday, Dec. 20 at 1:00 CST.

In addition to the regular band the intermediate band and the beginning band will participate in the program. Both the high school and eighth grade glee club will have a part on the program.

### Farm Land Is Sold In Nicholas County

Earl Hamm local auctioneer and Real Estate Agent sold at auction, Thursday, two tracts on the Rose Hill Pike from the estate of Lewis Fryman for over $43 an acre for a total of $17,808.

One tract, 301 acres, was sold to Billy Conway, Vanceburg, and the other, 105 acres, to Sam Day, Nicholas County. Farming Implements and household goods were also sold.

### BABY SWALLOWS ASPIRIN

Jill Rose, two-year-old daughter of Superintendent and Mrs. Tebay Rose, was treated at the Nicholas County hospital Saturday when it was discovered she had eaten a quantity of aspirin tablets. The baby had climbed up and taken a bottle of tablets from a shelf.

The exact number eaten is unknown, but 13 tablets were recovered from her stomach. Others had dissolved. It was stated that five or six such tablets are enough to cause the death of a child. The baby was treated in time and seems to have suffered no ill effects.

### MASONIC MEET PLANNED DEC. 27

Innis Ockerman, W.M., of Dougherty Lodge, Number 65, F. & A.M. has announced a called meeting at 6:30 p.m. Dec. 27 for work in the third degree.

### ON HONOR ROLL

Miss Gertrude Kipnear, Carlisle, a student at Midway Junior College, Midway, has been placed on the fall quarter honor roll.
