DOWN WITH PRIMARY ELECTIONS!

As carried on in Nicholas County primary elections are a failure and a disgrace, and we hope the Democratic party will never attempt to hold another in this county. They fail to reflect the sentiment of the majority, they encourage fixers by the use of bribery and whisky, and cause drunkenness and immorality. They are an expense, an annoyance and more contention instead of harmony in the party. Votes have been openly bought in them by means of whisky. Had the fixers are to be bought, let them be disposed of at the Court-house door to the highest bidder, instead of resorting to the corrupt farce of a primary election. These frauds are not suggested by the successful ticket as we attach no blame to them, for the ticket is a good one, all things considered. All sound Democrats and honest, sober men condemn primary elections, Down with them.
