C.H.S. News

by Judy Galbraith

Hello, for the last time this year. This is my last column. I've enjoyed writing this year and hope that I've brought a little news to someone.

I think I gave the program for graduation last week, so I won't go through that again.

The Musketeer Review will be out this week, with the Seniors pictures on the front page. I hope you buy one.

Monday night, Mr. Everrett (Smitty) Smith gave the Seniors a party. It was held at his camp. The high school teachers chaperoned it. We had a wonderful time. Thanks "Smitty."

The class night program Friday night will be dedicated to the second grade teacher, Miss Mary Frances Fisher, who has taught for quite a number of years and has done a wonderful job.

That's it for this week.

Annual 4-H week at UK scheduled for June 3 to 6

LEXINGTON, KY. — Four-H club members from all parts of Kentucky will gather at the University of Kentucky from June 3 to 6 for the 25th annual 4-H Week to be held on the campus.

Last year, a total of 1,956 boys and girls, leaders of 4-H clubs, and Extension county and home agents registered for the week.

All of the young people who attend will be outstanding club members or winners in projects, demonstrations, or other activities, such as public speaking, or county dress revues, according to George D. Corder, chairman of the 4-H Extension Program.

Scheduled events include demonstrations for the girls to determine state champions in bread making, dairy foods and general subjects, and for the boys, demonstrations on the tag on the feed bag, the Kentucky seed law, water management and soil judging. A boy and girl winner in public speaking will be selected, and the state style revue champion chosen in the colorful, dress revue, when winners from every county in the state will model the costumes they have made.

Group singing led by George Campbell of Cincinnati, long a favorite with 4-H'ers, will get morning sessions off to a good start, followed by 4-H discussions on "Opportunities in 4-H Work," in program activities, community betterment and projects.

The Reverend Samuel Vander Meer of Morris Fork, Ky., again will lead the evening vesper services, said by many 4-H'ers to be the highlight of each day's program.

Fun times will include scheduled hours for swimming in UK's Coliseum pool, ballroom and folk dancing, a barbecue party, and a fight-seeing trip by judgment.

counties to some nearby point of interest.

The final event will be the presentation of awards on Friday night.

State 4-H club officers are: Chappel Wilson of Trigg county and Betty Anne Foley of Bath county, president and secretary, respectively, both of whom are students enrolled in the UK College of Agriculture and Home Economics, and Junior Worthum of Hardin county, vice president, a student at Western State College.

Post a list of emergency numbers beside your telephone so you'll save valuable time when an emergency does arise. The list should include fire, police department numbers, nearest neighbors, doctors, veterinarians, etc.

THE STARS

By LYN CONNELLY

WALTER BRENNAN, only three-time winner ever to win the Academy Award three times, stars as Grandfather Amos McCoy in ABC-TV's situation comedy series "The Real McCoys" . . . He plays a cantankerous old West Virginian with a gentle humor and a heart of gold . . . Born in Swampscott, Mass., north of Boston, Brennan descended from one of the earliest families to settle in New England . . . During his college days, he appeared in practically all the musicals and plays that were staged at Bridge Tech . . . After graduation he decided to concentrate on the theatre and with the ink hardly dry on his diploma, stepped into small time musical comedy and vaudeville.

Walter joined the 26th Division at Boston, during World War I and served in France for two years where he escaped injury but was badly gassed . . . In very poor health when mustered out in 1919, he decided to turn to the California sun to help him recuperate . . . Once in Los Angeles, he sought extra work in the movie studios

A long, lanky and taciturn Montana cowboy named Gary Cooper became a buddy of the long, lanky talkative Brennan and they haunted the casting offices together.

Brennan's first real break came when Professor Samuel Goldwyn signed him to play the role of Jenkins in "The Wedding Night" . . . It was in this part that he turned in a performance which drew critical praise from coast to coast, a novelty then but an old story to the much-honored actor now . . . The role also brought public acclaim and a fat contract from Goldwyn.

From then on, Brennan's success was assured and he scored time after time in pictures such as "The Texans," "Meet John Doe," "Sergeant York," "Pride of the Yankees, and "North Star."

Deaths

Mrs. Delia Collins Hawkins

Mrs. Delia Collins Hawkins, 84, wife of A. D. (Bert) Hawkins died suddenly at her home in Moorefield, Kentucky, May 14. Interment was in the Longview cemetery, Bethel, Kentucky.

Born and reared in Fleming county, she was one of eight children of the late Luther and Sarah Stalligan Collins. A modest, kind, Christian woman she lived a life of the golden rule.

Besides her husband she is survived by two children, Mrs. W. D. Bradley Moorefield and Lt. Cmdr. N. T. Hawkins, United States Navy, Washington, D. C. Other survivors are: Mrs. Kate Hall, Mrs. Laura Shrout and Mrs. Mattie Farris Moorefield, Ky., six grandchildren and four great-grandchildren.

Mrs. Eliza M. Purcell

Mrs. Eliza M. Purcell, 78, widow of Isley Purcell, died at 11:30 a.m. Friday at the Lovely Nursing Home in North Middletown. She was a native of Nicholas County.

Survivors include a son, Everette Purcell, Paris; a sister, Mrs. Kathryn Wright, Indiana; three brothers, Ben and E. C. Martin, Bourbon county, and Omer Martin, Ohio, and two grandchildren.

Funeral services were conducted at 2:30 p.m. Friday at the Davis funeral chapel, Paris, by the Rev. Cecil Watson and the Rev. Floyd D. Rose. Burial in the Carlisle cemetery.

Mrs. Ollie Finch

Mrs. Pearl Anderson Finch, 76, wife of Ollie Finch, of the Scrub Grass road, died at 8:45 p.m. Monday at the Nicholas County hospital. She was a member of the Carlisle Christian Church. She was a daughter of the late Robert and Emily Troutman Anderson of this County.

Also surviving are a son, Earl Finch; two half-brothers, Robert Anderson, Carlisle, and Hanson Anderson, Lexington; three grandsons; four great-grandchildren.

Funeral services were held at 2 p.m. Wednesday, at the Mathers-Shearer chapel, conducted by Rev. L. E. Kineman, and burial was in the Carlisle cemetery.

Pallbearers were Stanley Smart, George D. Scott Sr., Keller Hughes, Roger Wognack, Maurice Reid and George Carter.

Mrs. Fannie B. Snapp

Mrs. Fannie B. Snapp, 87, widow of William H. Snapp, died at 11 p.m. last Tuesday at the home of a daughter, Mrs. Maude Bartlett, Carlisle Route 3, following a two-year illness. She was a native of Robertson county and a member of the Bald Hill Christian Church. She was a daughter of the late Jess and Clery Shepherd Curtis.

Besides Mrs. Bartlett, she is survived by two other daughters, Mrs. Mary Honaker and Mrs. Dee Chain, both of Cincinnati, Ohio; four sons, Jess Snapp Jr., Lexington, George Snapp, Richmond, and Arthur and Ransom Snapp, both of Batavia, Ohio, and 46 grandchildren.

Funeral services were conducted at 2:30 p.m. Friday at the Rose Hill Methodist Church by the Rev. W. W. Bentley. Burial in Bald Hill cemetery.

Pallbearers were Bono, Billy, Leroy and Ronnie Bitchey, Harold Massie, and Walter Curtis.

Mrs. H. M. Stansifer

Mrs. Anna Henry Stansifer, wife of the retired Christian Minister, Rev. H. M. Stansifer, died Monday evening, May 19, in Santa Barbara, California. She was a native of Nicholas County, a daughter of the late John W. and Miranda Hazelrigg Henry. She and her family have lived in California for the past 35 years. Prior to leaving Kentucky, Rev. Stansifer and family lived in Flemingsburg, where he was the minister of the Christian Church.

Besides her husband, Mrs. Stansifer is survived by a daughter, Mrs. Francis Petler, Oxnard, Calif.; a son, Donald Henry Stansifer, San Diego, Calif.; two sisters, Miss Lida Henry and Mrs. Ben Alexander, Carlisle, and four grandchildren.

Funeral and burial took place in Santa Barbara.

Statewide forest fire protection required by 1964

Frankfort, May 21—Expansion of forest fire protection in Kentucky to make it statewide by 1964 will begin next Jan. 1.

A law adopted by the 1958 Legislature requires all counties to participate in the program. Under the old law, protection was given only to counties requesting it.

State Forestry Director Gene L. Butcher said the expansion will begin in heavily timbered counties having the greatest fire problems.

He said groups of such counties will be mapped out for the service. This will be more economical in putting up fire towers and in avoiding service in one or two counties surrounded for a year or so by unprotected counties, he explained.

Rate of expansion will depend upon funds becoming available. The new law retains the requirement that each county pay in the fire protection fund each year an amount equivalent to

Take the wheel... get the Swept-Wing feel!

You spend a lot of time in your car—driving to work, shopping, taking trips. How your car rates on the road is important to you. So all we ask before you invest in a new car is this: Come in and take a "road rate" drive in a Swept-Wing 58 Dodge. Really compare it thoroughly on every count. We honestly believe it rides better, handles easier, responds quicker than any other car you've ever driven. But we'll leave the verdict entirely up to you. You be the judge.

YOU BE THE JUDGE! THINGS TO NOTICE IN THE SWEPT-WING 58:

The feel behind the wheel—You feel different because you sit differently. Low and snug and secure, completely in control, almost a part of the car.

The view around you—The glass area is tremendous. The visibility is outstanding in every direction—front, sides, rear.

The ease of push-button driving—Once you try Dodge Push-Button TorqueFlite you'll never be happy with outmoded lever types. Ladies love it.

A ride that's a glide—There's no sway on curves, no dip of dips. Torsion Aire is standard equipment, too.

This power steering is different—No power steering is like Dodge power steering. It works full time, yet leaves you the feel of the road.

Horsepower and stopping power—You get up to 320 hp. You get new design Total Contact Brakes.

ant, as the fruit is left in the jar until it is to be served.

However, vegetables should be frozen in a straight jar for easy removal of the food for cooking.

When square plastic boxes are used for freezing, fill the corners carefully with the food, to avoid suction which would cause the corners of the lid to fly up. If the boxes are too full, the center will pop up.

Containers of parchment do not give the repeated service of some other containers.

Paraffined milk containers, or those for cottage cheese or ice cream, are not recommended for re-use in the home freezer, said the home demonstration agent.

It's easy to do in rainy season —fill your cistern or reservoir for fire-fighting. Be sure the reservoirs are safely covered afterward.

Packaging materials important for satisfactory freezing

Don't try to economize when it comes to buying packaging materials for the home freezer, says Mrs. Margie H. Wilson County Extension Home Demonstration Agent.

Food that is not packaged correctly will lose nutritive value despite an efficient freezer, she said, in emphasizing the need for good quality, moisture-vapor-proof packaging materials.

Even with vapor-proof packaging, some moisture will evaporate from the food and appear in the package as frost; the greater the air space in the package, the more frost there will be.

Good quality plastic or polyethylene bags are satisfactory, but it is advisable to insert them in boxes or cartons—23 a protection. Both bag and carton may be used many times if they are properly washed and stored.

For fruits that are to be frozen in a syrup, tin cans, and glass jars have definite advantages, Mrs. Wilson said. Containers of tin can be used over and over; they make a tight seal with a set-in cover, and they can be stacked in the freezer.

Glass jars are recommended particularly for fruits.

The type of lid is not important.
