Headquarters Homemakers

by Mrs. Veach Delaney

The Headquarters Club met May 1, at the home of Mrs. Elbert Smith. There were four new members and Mrs. Margie Wilson present.

The meeting was called to order by the president, Mrs. Shelly Gaunce.

The devotional was given by Mrs. Russell Selvage, and Mrs. Bobby Webb. The subject was "Doing What We Can". Scripture taken from Mark 14:8 Luke 21:10.

Mrs. Laura Ritchie gave a book review on My Apple Tree Community.

Mrs. Reynolds Alison and Mrs. George Dale, very efficient project leaders, prepared the meal and presented the lesson on "Buffet Meals". Every homemaker wants to be a gracious hostess. For those occasions when the number of guests is more than can be seated at the dining table the buffet meal is a gracious and easy way to serve.

The success of the buffet meal depends on careful planning and table setting, the center piece, the serving equipment and the seating arrangement. The table was beautifully set with a centerpiece of yellow spring flowers and carried out the yellow scheme throughout the meal.

Mrs. George Dale had charge of the recreation.

The next meeting will be June 5, at the home of Mrs. Veach Delaney.

We will have a plant sale at this meeting.

Parks Homemakers

by Mrs. Warner Lowe

The Parks Homemakers held their May meeting at the home of Mrs. Floyd Williams in Lexington on May 3.

The meeting was called to order by the president, Mrs. Horace Bell. The devotional was given by Mrs. Sherman Hollar. She used as her subject, "The Power of Prayer", including a poem, Teach America to Pray. Roll call was answered by "what I like most about homemakers Clubs".

Mrs. Harvey Wagoner, citizenship chairman, gave information on building fall-out shelters. Publicity chairman gave out articles about the 100th anniversary of our Land Grant Colleges.

The lesson on "Buffet Meals" was given by Mrs. Horace Bell and Mrs. Bubie Williams. The meal was delicious and beautifully served. They used as their color scheme, yellow and green.

Recreation was an old fashioned spelling bee, after which we sang our way home. The next meeting will be at the home of Mrs. Albert Hamilton in June.

Other members present were: Mrs. W. L. Marr, Mrs. Warner Lowe. Guests were: Mrs. Margie Richardson and Mrs. Margie Wilson.

Hooktown

Reminders For May

Now Sudan Grass for summer pasture.

Begin spraying now to prevent black spots on roses.

Mow the lawn high. It stops most weeds and discourages crabgrass.

Keep weeds and grass down around your fruit trees and shrubs. Prevent rodents injury to young trees by wrapping the trees.

Use Aramite or amites (Tetradifon) to kill mites on about the home. Be careful not to spray desirable plants.

Use general purpose spray on shrubs and trees.

Make the first cutting of Ladino Clover and Orchard Grass Mixture.

Cut lawns at least once a week and trim bushes.

Put on several sprays to prevent black rot in grapes.

To control vegetable insects spray or dust with Malathion or Methoxychlor or the mixture of both when the first insects can be seen. Follow directions on the container.

To prevent vegetables from cracking and splitting, water in Zinch. Remember spring is the time to water. Follow manufacturers directions.

Spray corn for Mite Fallow Field Mite.

Get crimson clover seed ready for summer seeding.

From spring Flowering Shrubs prune as they bloom. It is late but not too late to prune spring shrubs.

Controlling Broadleafed Weeds in Lawns

Now is the time of year it is very important to control broadleaf weeds in lawns. Be sure to read these plants like through the winter and just as soon as the weather warms up start growth. This spring growth makes them easy to kill. No need to that them out. Be on watch closely and if you see a weed that you think is a weed, weed killer. Follow the directions on the weed killer. Follow the directions on the weed killer. Follow the directions on the
