ANEMIA KILLS BABY PIGS

Baby pigs offer die from iron deficiency anemia. They need extra iron. Just feed two handfuls of Purina Iron-Plus twice a week for three weeks. It's fortified with high levels of iron, plus growth-promoting vitamins, essential minerals and tasty appetizers. Pigs love Purina Iron-Plus. Buy a 10 lb. bag today only $3.50.

CATTLEMEN--STOP FLIES THE EASY WAY

Stop flies this sum-r the easy way with Purina Check-Fly Block. Just feed Purina Check-Fly Block as the only source of salt and minerals when cattle are on pasture. It kills face fly, hornfly, and house fly maggots before they fly. It is also an effective wormer with wide margin of safety. Purina Check-Fly Block also helps prevent foot rot and lumpy jaw. Helps clean up pastures infested with worm and fly eggs. One block should last a brood cow over 100 days. WE ARE NOW ORDERING A CARLOAD SO WE CAN PASS ON THE SAVING---CALL US AND LET US KNOW HOW MANY BLOCKS YOU WILL NEED. We will have them some time in April. Call today. SAVE!

LAST YEAR HOGMEN STARTED OVER 9 MILLION PIGS ON PURINA. WHY?

Results--that's the best answer we know. Folks everywhere, and folks especially around here are finding out that pigs start, grow and finish fast on Purina. Hogmen know they can depend on Purina Research to keep new and approved formulas coming. And from feeding experience they know that Purina's Hog Program pays off in the feedlot with fast growth and low-cost gains. Join the trend to Purina. We'll be glad to help you keep records so you can see for yourself why hogmen in the U.S.A. started over 9 million pigs on Purina last year. Come in--lets TALK HOGS.
