ROUND-HEADED APPLE-TREE BORER.

James W. Robinson of Fremont, Ill., an ex-President of the Illinois State Horticultural Society, gives the following mode of dealing with this destructive insect:

The eggs are deposited in the bark of the tree, the beetle puncturing or splitting the bark of the tree upwards and downwards and a little sidewise, the ...

LAWS OF NEWSPAPERS.

FIRST, Subscribers who do not give express notice to the contrary are considered as wishing to continue their subscription.

SECOND, If a subscriber orders his paper discontinued, the publisher may continue sending until the arrears are paid.

THIRD, If subscribers neglect or refuse to take their periodicals from the office to which they are directed, they are held responsible till they have settled their bill and ordered them discontinued.

FOURTH, If subscribers move to other places without informing the publishers, and the papers are sent to the former address, they are held responsible.

FIFTH, The courts have decided that refusing to take periodicals from the office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud.

SIXTH, Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is by law a subscriber.
