Head Start Dental Program Completed

"Look ma! No cavities!" is what Nicholas County Headstarters can say this summer after undergoing dogtal treatment sponsored by the Licking Valley CAP's dental program.

As a part of Headstarts approach to "reach the whole child", the community action program contracted two Carlisle dentists, Dr. Leon Riggs and Dr. Robert Sparks to administer dental treatment.

In all these doctors gave Headstart children 227 fillings, 15 extractions, 86 ex-rays, and 86 flouride treatments.

"In giving their time to help students, said Mrs. J. S. Wilson, social worker, these doctors are making good patients in the future."
