Woman's Club

Carlisle Community Woman's Club voted to "Adopt-A-Highway."

Mr. John Keith, Chief Engineer, State Transportation Department of Highways, was the guest speaker on November 14, 1989 at the home of Donna Broderick.

He explained that the program was initiated because maintenance of highways are contracted by bids and department manpower had been decreased.

Texas started the program and several states are now involved.

As of the meeting, Nicholas County had 12 contracts.

"Adopt-A-Highway" program consist of signing a contract to keep at least a two mile section of highway free of litter for two years.

The contractor, which may be an organization, business, group or individual is furnished with a sign at the beginning and end of their agreed section stating "Adopt-A-Highway" and their name.

Also, they are furnished with trash bags, safety cones and vests and trash bag pickup, if needed.

Downtown Carlisle has received a face-lift and the Carlisle Community Woman's Club is proud to join others to keep Nicholas County beautiful.

A banquet of refreshments was served by Phyllis Smoot, Becky Reid received a red ribbon for 2nd place and Cheryl Reed received a blue ribbon for first place.

The club voted to pay for the foliage replaced recently in the barrels on Main Street.

The barrels were initiated by the club two years ago as part of their Community Improvement Project.

The Main Street project contracted CBC Landscaping for the replacement.

In association to the local literacy program the Woman's Club will purchase story books to be given to the County Fire Department for distribution at Christmas.

The winners of the free wrestling tickets were Margaret Cox from Pic Pac and Clyde Snapp from Crockett's Foodtown.

The next meeting will be dinner for members and guest at the 19th hold on December 12, 1989 at 6:30 p.m.

After dinner the "Auction for Care" will be held.

Each member needs to bring an item for auctioning and a toy to be given to the County Fire Department.

Cis Schelling and Donna Broderick.

Many topics were discussed when the business meeting was called to order.

The President, Donna Gail Mattox and Ginny Smith went the GFWC Fine Arts Contest in Ashland on October 18, 1989.

Nicholas County entered a pencil drawing by Tim Daily and a block print by Susan Sanders, both are students of Nicholas County High School.

The club will give 5.00 to each student to show our appreciation for their artistic talent and participation.

Also, entered was a counter cross stitch by Mary Jane Curtsinger, a crewel design by Becky Reid and a pencil drawing by Cheryl Reed.

Categories were judged separately.

Happiness cake recipe

1 cup good thoughts
1 cup kind deeds
1 cup consideration for others
2 cups sacrifice
2 cups well beaten faults
3 cups forgiveness

Mix thoroughly, add tears of joy, sorrow, and sympathy. Flavor with love and kindly service.

Fold in 4 cups prayer and forbearance. Add 6 ounces of Pauls Christian Charity that covers a multitude of failures.

Knead these ingredients with the salt of good common sense. Flavored with grace and faith, bleffd well. Fold into daily life.

Bake well with the warmth of human kindness and serve with a smile anytime.

It will satisfy the hunger of starved souls.

It's Easier To Build A Boy, Than Mend A Man.
"They said to start him as soon as possible, so we did. At the earliest ages we encouraged him to read, to play sports, even to learn the trumpet. But we didn't nagg him on spiritually. Not at all.
Dad's parents can't go to church because of their divorcing the pain they now endure over their son's reckless lifestyle. They've since his getting involved with those so-called "friends" didn't help. He's gone now even his mother can't do a thing, but it keeps getting worse. The divorce, now the drinking. They know it's not their problem anymore, but their hearts just won't agree.
Millions of parents know how Brad's mom and dad feel. Most will readily say it is easier to build a boy than mend a man.
We're into mending. But we'd much rather help you build out the kids and teens. We're waiting with open hearts.
