Bat Jackets win four of five for week

CARLISLE — The Nicholas County Bluejackets improved to a 10-3 record with a 4-1 run of games last week, their only loss coming from out of the state in Franklin, Ohio.

Senior Pitcher Daniel Brown continues a perfect string of wins with a 4-0 record and a batting average of .531 with the win last week against district challenger Bourbon County.

Meanwhile, Bat Jackets slugger Travis Sims, though falling to an 0-2 record from the pitcher's mound in the Franklin game, continues to lead the team in RBIs this season with 15 and occupies the number two slot in batting averages with a .451.

Bourbon Co.— 0

The Bat Jackets unloaded on the Bourbon County Colonels in the last three innings of their game at home last Wednesday.

Neither team seemed able to pull in the winning effort early in play despite a handful of opportunities in the first three innings.

By the middle of the fourth inning the score remained knotted 0-0.

The Jackets broke the tie late in the forth inning to give them a 1-0 lead going into the fifth.

In the next Jackets' round, they rallied for five straight before the Colonels finally managed to pick up the third out.

It was all over by the end of the sixth with Nicholas hammering home three more runs. The Colonels were held scoreless in the seventh to conclude the game.

Jarrod Wills took in three hits to match Daniel Brown's hit margin in the Bourbon County game and scored three runs in the game. Wills is currently batting .437.

Sims took in two hits and had two runs scored. Israel Stacy knocked the Jackets only game home run and garnered an impressive four runs batted in to round out the Jackets effort.

Bellevue — 1

The Bat Jackets rallied four straight runs at the bottom of the sixth to cut down Bellevue, 7-1, at home for their second straight win of the week Thursday afternoon.

Israel Stacy (2-0) had a host of relievers come in in the last two innings to take the dominant win over the northern Kentucky team.

In addition to Stacy's performance on the mound, he further added another home run, two hits, and three RBIs.

The Jackets opened up with a 1-0 lead at the bottom of the third inning while Bellevue experienced difficulty getting a man in on Nicholas County's field. Nicholas' lead opened up at the end of four with a 3-0 lead.

Bellevue cut into the lead temporarily with a single run in the sixth before the Jackets put the game away.

John Brown matched Stacy's home run that brought in two other players. Brad Brierly claimed two hits for himself.

Franklin, Ohio — 6

Saturday, the Bat Jackets were in Bourbon County for a morning game against Franklin, Ohio, several hours prior to a double header against Bracken County in the afternoon.

Franklin took the lead early in the first inning and gradually worked up to a 3-0 lead by the middle of the fourth inning, successfully blanking the Jackets.

However, the Jackets fought back led by a triple from Travis Sims that brought in two runs in a three run rally at the bottom of the fifth to tie the score 3-3.

But Franklin continued to control the game temp, with two runs in the sixth and another run in the seventh to hand the Jackets their only loss last week.

Bradley Trussell had two hits in the Franklin game.

Bracken Co. — 7

Following the Franklin loss, the Bat Jackets came back home to face region rival Bracken County in an afternoon double header.

The first game of the series was a nail biter for Bat Jackets fans going into the final inning.

After launching to a 4-0 lead at the end of two, the Bat Jackets early game rally stalled for the next three innings. However, by the top of the sixth, Bracken had battled back to a tie game at 4-4.

The Jackets came back with a three run rally at the bottom of the sixth inning to again emerge a 7-4 leader.

Bracken, however, took the initiative and climbed back to a tie game, in hopes of sending it into extra innings.

The Jackets pulled the game out in the final inning of a single by Israel Stacy. Michael Booth, pinch runner for Stacy, stole second. Mike Cain brought Booth home off a single.

Wills was hit leader for the game with three hits and two RBIs, Sims, Stacy, and Cain all had two hits apiece.

Nicholas Co. — 3
Bracken Co. — 0

The second game of the double header was a tight five inning game with the Jackets dominating in the second and third innings to post a 3-0 defeat of Bracken County.

Head Coach Billy Anderson expressed satisfaction for the Bat Jackets performance in the last week, and in the season overall.

"We have a lot of strength with our seniors and it has been evident. But what is even more gratifying is the performance of the underclassman. All in all, I think we're on target for the season," Anderson said.
