Homemakers

Parks Homemakers

The Parks Homemakers met October 12 at 7 p.m. at the home of Eva Grimes. Our president Eula Carter called the meeting to order. Devotion and prayer were given by Eva Grimes. There were eight members present answering the roll call by telling about their favorite Halloween Custom.

Minutes were read by Wilma McClanahan and we collected pennies for friendship. We each gave one dollar for cancer fund.

Marie Crawford gave an interesting lesson on "Total Skin Care." She told us how important it is to care of our skin. We have many types of skin and should use lotions and moisturizers. The sun really effects our skin. Everyone should decide what is best for them.

Recreation was led by Eula Carter. We exchanged our secret pal gifts and drew a new name for next year.

We missed Mrs. Marjorie Wilson being with us. We wish her a happy retirement.

Our hostess served delicious jam cake and ice cream.

Our next meeting will be November 9 at 7 p.m. at the home of Helen Roberts.

The meeting was adjourned.

Sunnyside Homemakers

The Sunnyside Homemakers met on Tuesday, October 20, 1992 at the home of Anna Mae Gillispie. The meeting was called to order by Lavina McFarland. Lucille Courtney gave the devotional. She read a good story entitled, "In The Masters Hands" then a poem "While There Is Time". The scripture, Proverbs 10:5. She led us in prayer. Phyllis Brady read the minutes of the September meeting. Eleanor Bramel called the roll with seven members answering by naming a good health practice they have.

Some paid their dues for another year. We missed Margie Wilson who has retired. We wish her much happiness in her retirement years. And a big "Thanks" for all you've don. Many attended her nice reception at Blue Licks in September.

Lavina showed another basket she'd made. This one called a wood drying basket. She also showed a casserole carrier she made. Lavina has made over 40 different types of baskets and over 100 altogether.

Our club recently donated $25 to someone in need.

A delicious pot luck meal was served. Even thought it is pot luck Mrs. Anna Mae always has much prepared.

Lavina gave the lesson "Total Skin Care." Much can be involved with good care of our skin but much concern now is what the sun does to our bodies. It can be very damaging as well as tanning beds.

We exchanged secret pal gifts and drew new names. Our next meeting will be at the home of Louise Carbert and it will also be our auction. So ladies, don't forget, November 17.
