Bluejackets defeat Paintsville

With a bomb and a prayer the Bluejacket varsity team edged out the Paintsville Tigers with only four seconds to go in the Sept. 27 game.

Down by one point, quarterback Aaron Snapp faded back and let it fly to wingback Bradley Hollar who caught it in the end zone.

The 18-13 final culminated a game of solid passing and a strong defense for the Bluejackets.

The Tigers let Nicholas know who they were right off the bat with kick-off run back by Rob Taylor.

Paintsville was up by 7 when Snapp connected with Bradley Hollar in the end zone. The two-pointer failed.

Nicholas' defense was able to hold the Tigers until the third quarter when Taylor scored again on a run. The two-point conversion was no good.

The Bluejackets were knocking on the door again after a great run by Aaron Wills.

Colin Broderick scored the TD and the Bluejackets were down by just one point.

With only 1:48 in the game, Robbie Caswell recovered a fumble for Nicholas County.

But after a slow march downfield Nicholas County had only four seconds left on the clock.

That was enough time for Snapp decided to let the ball fly to Hollar.

The last-second victory was a conference game.

The Bluejackets will take on Powell County tonight as part of Homecoming.

The kick-off is at 7:30 p.m.

NC teams victorious

Nicholas County's seventh- and eighth-grade teams both racked up victories against their Powell County Pirates opponents on Sept. 26.

The seventh-grade team had a 49-6 stomping, with some long-distance sprints to the end zone and heavy pressure on the Pirates quarterback.

The game started with a 70 yard TD run by Josh Hunt. He also ran in the two-point conversion.

After another long-distance sprint by Darrin Herrington, Hunt was able to score another touchdown, followed by two-points with Kyle Rector.

Quarterback Darrin Herrington waltzed into the end zone in the last part of the first quarter. Rector took in the two points.

Defensively, Casey Dailery recovered a fumble on the 20 yard line and Richard Reid intercepted a pass on the 25. Both plays opened the door for more points.

The Bluejackets were up 32-0 by the end of the second half.

But Nicholas seventh graders weren't satisfied.

In the fourth quarter, Seth Saunders danced into the end zone in another long run.

Powell County's only touchdown came with 20 seconds left in the game.

The final score was 40-6.

Eighth Grade

The eighth grade team had a tougher opponent but they still pulled off a 14-0 victory.

Derek Fights took the ball all the way within minutes from the start. The two-pointer was no good.

Fights again dazzled his way to six points. Josh Fryman caught a short pass for two points.

Defense shut down the Pirate drives. Robbie Ring got his third interception for the year allowing Nicholas to burn up the clock.

Laura's Life

Opinion by Laura Fryman

Is the price of someone's shoes or the clothes they wear important?

I guess in today's society it's very important. I stood and listened to a child of about the age of 14 stand and say her shoes looked so cheap.

If they are worrying so about these things now, what are they going to do when they get to be adults and have to support themselves?

If we don't start teaching our kids today that material things don't matter, how will they support their customs when they grow up.

The peer pressure on kids has gotten to an alarming status. The children of today don't know who should be role models and who should not.

A teenager I know said if you don't smoke or drink when you're in elementary, just wait till you get to high school.

The idea of wanting to be like someone that gets to go out and party --and thinks they're having a good time-- is stunning.

The saddest phrase I have ever heard a parent say is I can't do anything with my child. As long as a child is living under your roof you have control. Don't ever let them think they have the upper hand because that is your first mistake.

Have rap sessions with your children just to find out what they're thinking or feeling. Let them know how you feel about things too.

If you have an open relationship with your child on some level, it will make them more independent and not so needing to be like someone else.

Teach your child it's wonderful to be different and it doesn't matter what the price of her or his clothes cost ... it's what inside that matters.

Let them know you will be there for them no matter what happens to them.

Learn how to listen and teach your child how to hear.

Tell them if the boy next door goes out and shoots himself you don't want to go out and do the same.

Communication is the key to helping your child understand himself or herself and it will also help you to understand them.

If everyone could just learn to be themselves this world would be a better place.

Country Chatter

by Rhonda Hill Brooks

SO, LET'S TALK — "I didn't care about what's hot and what's not. I just wanted to make a good country music album and to sing the kind of songs that I like," states Mr. George Jones, about his new flawless album, "I Lived to Tell It All." Congrats to George, as he certainly has ... All of our prayers go out to perhaps the most talented country and western performer of all time, Ms. Loretta Lynn. Within one month, she lost her husband, Mooney, and her brother, Jay Lee ... Check out Ms. Suzy Bogguss' new album, "Give Me Some Wheels." It's her best work to date ... To Rebecca Lee of Lake Wales, Fla.: LeAnn Rimes is in fact only 14 years old. Her debut single was "Blue," made when she was 13. LeAnn is from Jackson, Miss., and began singing when she was only 2 years old ... Naomi Judd said she decided to do commercials for Bell-South because her daughters, Ashley and Wynonna, use that particular phone company and love it ... Gotta love the First Lady of Country Music, Ms. Kitty Wells. At 77 years young, she's still turning out well over 100 music dates a year.

Freshmen trounce Lewis Lions

By Laura Fryman
Sports Editor

By keeping the quarterback scrambling and forcing fumbles the Nicholas County Freshmen Bluejackets trounced the Lewis County Lions 24-12 last week.

Lewis County scored the first touchdown in the Sept. 30 game with the extra point being no good.

With only 43 seconds left in the first, Nicholas' Weston Smoot took the ball in for a touchdown. Josh Earlywine ran in the two-point conversion.

The first play of the second quarter started out with a sack by Nicholas county defense.

Nicholas' Tommy Crump scored. The two-pointer was good taking Nicholas up by 10.

The Bluejackets' Josh Earlywine intercepted a Lewis County pass to end the half with a 16-6 lead.

Starting the third, Nicholas' Weston Smoot scored with Daniel Eubanks putting two points on the board.

With 2:05 to play in the game, Josh Earlywine got his second interception of the game.

But with 2 minutes left Nicholas County fumbled, opening the door for Lewis County to march the ball downfield for a final score.

The Freshmen Bluejackets travel to Harrison County, Oct. 7 for the next game.

Kick-off is at 5:30 p.m.
